**I. Purpose**

The purpose of this Local Commissioners Memorandum (LCM) is to advise local departments of social services (LDSSs) of the availability of \$1,000,000 in Community Optional Preventive Services (COPS) funding, that has been set aside from the total COPS appropriation of \$12,124,750 available for the Federal Fiscal Year (FFY) 2017-18/ State Fiscal Year (SFY) 2018-19. The \$1,000,000 COPS set-aside funding is designated as a separate funding source from the larger COPS program, and has different requirements for LDSS applications for funding, program reporting, and financial claiming.

**II. Background**

COPS programs are a subset of the broader category of “preventive services.” COPS programs are intended to help families where placement is not imminent, but where youth and/or families have circumstances that put them at an elevated risk of foster care placement. In 1988, a Request for Proposal (RFP) was issued to select and fund COPS programs. About 20 programs were funded from that RFP, and a subsequent RFP was issued in New York City in 2000. The Child Welfare Services finance provisions were implemented in 2002, and provided for 65 percent state reimbursement for all preventive services. The funding mechanism allowed for the

expansion of COPS. In order for a COPS proposal to be approved, LDSSs were required to submit a plan to OCFS that described the program, specified the target population in need, and demonstrated that the population was at elevated risk of foster care placement, but not at imminent risk of out-of-home placement.

COPS programs are aimed at supporting community services that work with youth and families before a serious problem develops, with the long-term goal of reducing the need for foster care.

In 2008, LDSSs were surveyed regarding their COPS programs, and this information was published in January 2009 in *Community Optional Preventive Services (COPS): Findings from OCFS's COPS Survey*. As part of this survey, LDSSs were specifically asked to report on performance targets and achievement of these targets. LDSSs were also required to report to OCFS on performance targets or outcomes of their COPS programs.

In 07-OCFS-LCM-12, "outcome" is defined as "the anticipated change in, or maintenance of, conditions or behaviors of a targeted population as a result of the provision of services." Performance targets provide evidence of whether the program accomplished its outcomes. It is important that performance targets and outcomes established are specific, measurable, achievable, realistic, and time-bound. For more information regarding how to develop outcomes, you may wish to visit the OCFS website: [http://ocfs.ny.gov/main/sppd/eff\\_practices/](http://ocfs.ny.gov/main/sppd/eff_practices/).

### III. Program Implications

For FFY 2017-18/SFY 2018-19, \$12,124,750 in COPS funding was made available, of which \$1,000,000 continues to be set aside to fund eligible program(s) with evaluation results that demonstrates program effectiveness, and private monetary funding contribution. Any program costs supported through a district's share of the \$11,124,750 COPS allocation cannot be used to access funding from the \$1,000,000 set-aside. This \$1,000,000 set-aside is for COPS services provided from October 1, 2017 through September 30, 2018. Claims for eligible COPS expenditures must be submitted by March 31, 2019.

An LDSS must file separate claims to specifically identify costs for COPS services delivered through the COPS set-aside appropriation. To receive reimbursement for a COPS program, an LDSS must demonstrate that the program had been approved by OCFS on or before October 1, 2008. In addition, the expenses claimed cannot exceed the costs for the programs that were in effect October 1, 2008. An LDSS may contract to restart a program that had ceased to provide COPS, but was both approved by OCFS and in operation as of October 1, 2008; however, this may only be done at an amount not to exceed the level of funding received as of October 1, 2008.

An LDSS cannot receive state reimbursement for any COPS service provided during a time when it did not have a contract in place, and the LDSS cannot contract retroactively for the services. For example, if an LDSS terminated a contract on December 31, 2017, and did not enter into a new contract until April 15, 2018, it could claim for the services provided from October 1, 2017, through December 31, 2017, and for the services provided from April 15, 2018, through September 30, 2018, but not for any services provided from January 1, 2018, through April 14, 2018. That is, no claims are permissible for the time period for which a contract did not exist.

LDSSs may receive dollar-for-dollar reimbursement, i.e., 50 percent, state reimbursement based on the private funds they receive for the costs of eligible services provided from October 1, 2017, through September 30, 2018, up to the amount of the \$1,000,000 COPS set-aside funding. Donated funds must equal at least 25 percent of the total program cost, with a required minimum of at least \$15,000 for the period of July 1, 2017, through June 30, 2018. The dollar-for-dollar state reimbursement share cannot exceed the eligible cost of the project. If there are insufficient funds in the capped appropriation to reimburse LDSSs dollar-for-dollar for eligible COPS expenditures claimed, LDSSs will receive their proportionate share of the \$1,000,000 set-aside based on the total of the LDSS's actual and eligible COPS expenditures claimed. The LDSS's actual expenditure total is then compared to the statewide total of all LDSSs' eligible expenditures claimed. OCFS may reallocate any unspent funds from an LDSS to other LDSSs that have claims in excess of their allocation. Any donated funds must be received from July 1, 2017, through June 30, 2018. For claims to be approved for payment, LDSSs must demonstrate the receipt of donated funds by **July 20, 2018**.

The following narrative provides an example of LDSS reimbursement for a COPS set-aside program. If a district has \$15,000 donated funds and \$60,000 eligible COPS expenditures, the state share match is \$15,000 and the local share is \$45,000. This includes the \$15,000 donated funds and the \$30,000 regular local share. A second example: if a district has a \$200,000 eligible COPS expenditure, the donated funds requirement would be \$50,000, the state share match would be \$50,000, and the local share would be \$150,000, which includes the \$50,000 donated funds and the \$100,000 regular local share.

### **Application Instructions**

LDSSs that are applying for this separate \$1,000,000 of COPS funding may do so by submitting Attachment A, *Application for Community Optional Preventive Services \$1,000,000 Set-Aside Funding* for FFY 2017-18/SFY 2018-19, and the following documentation demonstrating that they meet the eligibility criteria:

1. **Program Evaluation**

LDSSs or programs must demonstrate quality of services provided and program effectiveness.

- Demonstrate how the program is a “best practice” or “evidence-based” program, and include the following:
  - Disproportionate Minority Representation (DMR) data
  - Amount of funds used for program evaluation

2. **Demonstrate private monetary support**

LDSSs must demonstrate private monetary support received from July 1, 2017, through June 30, 2018. Documentation of private monetary support must be submitted to OCFS no later than **July 20, 2018**. The following are examples of acceptable documentation of private monetary support:

- Letter from agency/organization providing monetary support
- Canceled check from agency/organization providing monetary support
- Financial records showing receipt of private funds

Donated funds must be equal to at least 25 percent of the total program cost, with a minimum of at least \$15,000.

3. Program Budget

A detailed program budget must be provided.

4. Program Design

Submit a program outline explaining the design, components, services to be provided, and population intended to be served that is being funded.

Each LDSS that applies for this separate \$1,000,000 COPS funding needs to complete Attachment A, *Application for Community Optional Preventive Services \$1,000,000 Set-Aside Funding*, with the supporting documentation listed above and submit it by **July 20, 2018**, via email to [ocfs.sm.policy@ocfs.ny.gov](mailto:ocfs.sm.policy@ocfs.ny.gov).

OCFS will review the timely applications for this funding with supporting documentation. OCFS will make a determination for each LDSS that has applied for this funding. LDSSs will be notified if their COPS programs have met the eligibility criteria and the amount of their allocation.

All LDSSs that have submitted by **July 20, 2018**, an Attachment A, *Application for Community Optional Preventive Services \$1,000,000 Set-Aside Funding*, with complete documentation, and that meet the criteria for this separate COPS funding of \$1,000,000, will receive a proportionate share of the funds.

### **COPS Program Report Form**

COPS programs that are funded out of this separate \$1,000,000 allocation will need to provide OCFS with a report of their progress toward meeting stated program outcomes. For each COPS program that receives this funding, LDSSs will need to complete an Attachment B, *Community Optional Preventive Services Set-Aside Program Report*, and submit the report to OCFS by **October 15, 2018**. This template asks LDSSs to provide demographic information and to report on current performance targets or outcomes that have been required for all preventive services programs (see 07-OCFS-LCM-12).

For the purpose of this requirement, “performance” means quantifiable and verifiable interim changes in, or maintenance of, the conditions or behaviors of the target population resulting from the provision of services that indicate progress towards an outcome. “Outcome” means the anticipated change in, or maintenance of, conditions or behaviors of a targeted population as a result of the provision of services.

Please complete an Attachment B, *Community Optional Preventive Services Set-Aside Program Report*, for each COPS program that receives an allocation from the \$1,000,000 separate funding, and submit the form by **October 15, 2018**, via email [ocfs.sm.policy@ocfs.ny.gov](mailto:ocfs.sm.policy@ocfs.ny.gov).

## **IV. Claiming Instructions**

An LDSS will use the following set of instructions to claim reimbursement for eligible COPS set-aside services from October 1, 2017, through September 30, 2018. Claims

for eligible expenditures must be final accepted in the Automated Claiming System (ACS) by March 31, 2019.

If OCFS determines there are insufficient COPS set-aside funds available to reimburse LDSSs for eligible COPS expenditures claimed, OCFS may reallocate unclaimed funding to other LDSSs that have claims in excess of their allocation.

The expenditures for the COPS 2017-2018 set-aside should be claimed through the RF17 claim package for special project claiming. These costs should be identified as F17 functional costs and reported on the Schedule D, *DSS Administrative Expenses Allocation and Distribution by Function and Program* (LDSS-2347), in the F17 column in the RF2A claim package. The individual project costs should also be reported under the project label "COPS 2017-2018 SET ASIDE" on the LDSS-4975A, *RF17 Worksheet, Distribution of Allocated Costs to Other Reimbursable Programs*.

Program costs should be reported as object of expense 37 - Special Project Program Expense on the LDSS-923, *Schedule of Payments Administrative Expenses Other Than Salaries*, and LDSS-923B Summary Program (page 2), *Schedule of Payments for Expenses Other Than Salaries for Other Reimbursable Programs*. Total project costs and shares should be reported on the LDSS-4975, *Monthly Statement of Special Project Claims Federal and State Aid* (RF17).

Please note that by signing the RF17 Claim Package certification statement, the administrative official and fiscal officer also attest that their district has met the required level of donated funds and that these amounts are included in the total costs reported on the RF17 Claim Package.

Instructions for reporting expenditures on the Schedules D and RF17 Claim Package are found in Chapters 7 and 18 of the *Fiscal Reference Manual*, Volume 3. The manual is available on the Intranet: <http://otda.state.nyenet/bfdm/finance/>.
