I. Purpose

The purpose of this Administrative Directive Memorandum (ADM) is to publish the final chargeback rates in effect for calendar year (CY) 2017 for care provided to youth placed in facilities and programs operated by the New York State Office of Children and Family Services (OCFS).

All OCFS chargeback rates for CY 2017 obligations are based on final CY 2017 rates for youth in OCFS-operated facilities and programs.

II. Background

Executive Law section 529 requires OCFS to charge local departments of social services (LDSSs) 50 percent of the non-federal share of the cost of care for LDSS youth placed in OCFS facilities. Statements of obligations are generated for each quarter of the CY to charge each LDSS for its share of the cost per child based on applicable rates and care days applied to each youth for which the LDSS is responsible. Chapter 50 of the Laws of 2019 limits the total amount of the local share of OCFS facility costs to \$55 million for statements of obligations issued in CY 2019, and thereafter. This initiative continues to provide significant fiscal relief to the LDSSs.

Chargeback rates for OCFS-operated facilities and services are determined by the OCFS Bureau of Budget Management (BBM). Rates support OCFS care provided to youth in residential programs directly operated by OCFS as well as case management and supervision services provided to youth placed in other OCFS programs. Rates used for such billing purposes are calculated and sent in statements of obligation after a reconciliation of the actual expenditures for each operating period.

When rates are determined for each level of care, statements of obligations are issued to LDSSs for care provided to youth during each quarter of a CY along with the rates calculated by OCFS.

Before the CY 2017 chargeback bills, OCFS directly billed and collected money from LDSSs. With Chapter 53 of the laws of 2019, signed April 12, 2019, OCFS utilizes the Child Welfare Services Settlement System which is coordinated by the New York State Office of Temporary and Disability Assistance (OTDA).

Upon the distribution of statements of obligation by OCFS, LDSSs obligations will be recouped by the state as a bottom line adjustment on the monthly notice of claim settlement.

III. Program Implications

Final rates for CY 2017, as specified in this ADM, have been approved in accordance with section 529 of the Executive Law. These rates will be used as the basis for all obligations for the cost of care for youth placed with OCFS during CY 2017.

IV. Payment System

LDSSs will be notified of the CY 2017 final rates in four quarterly statements of obligations for CY 2017. Payments to fulfill each LDSS's CY 2017 obligation will be processed by the Child Welfare Services Settlement System.

V. Systems Implications

The Juvenile Justice Information System allows for the electronic distribution of the chargeback rate obligation statements. If you have additional staff who need to be added

to the distribution list for the obligation statements, please email that list to the following address:

ocfs.sm.bfo.finance@ocfs.ny.gov

VI. Other

If an LDSS wants to make a change in the distribution list, a request must be submitted to ocfs.sm.bfo.finance@ocfs.ny.gov. Upon request, a copy of the E-bill form will be sent to allow entry of required information for obtaining a new user and LDSS IT clearance.
