I. Purpose

The purpose of this Administrative Directive (ADM) is to issue the 2020-21 domestic violence state aid rates (DVSARs) for licensed domestic violence (DV) residential programs in New York City (NYC). These DVSARs are for the period July 1, 2020 through June 30, 2021. A separate directive is issued for licensed DV residential programs in the rest-of-state (ROS) counties, outside of NYC.

II. Background

The New York State Office of Children and Family Services (OCFS) issues DVSARs annually to local departments of social services (LDSSs) in an ADM, advising districts of the methodology approved by the New York State Division of the Budget (DOB) for the purchase of services for licensed agencies providing residential DV services. Rates contained in this ADM must be used by the LDSSs in the contracts they negotiate with voluntary agency providers of DV services. Issuances of these rates is governed by Social Services Law §131-u and the applicable regulations of 18 NYCRR Part 408.

III. Program Implications

The DVSARs promulgated in this ADM have been calculated using the DOB-approved 2020-21 rate methodology for DV residential programs in NYC, which is the same methodology used in prior years.

The approved rate methodology for licensed residential DV programs in NYC includes the following features:

- The DV Flat Per Diem Rates for 2020-21 have been proposed for the following cost of living adjustment (COLA) factors:
 - Personal Service (PS) = 3.25%
 - Non-Personal Services (NPS) = 1.8%
 - Food Add-On = 1.6%
- DV Per Diem Rates established by the LDSSs prior to the implementation of the current DV rate methodology continue to be grandfathered in where those rates are higher than the applicable DV Flat Per Diem Rate. Affected programs will continue to receive the higher of either the grandfathered-in rate of the DV Flat Per Diem Rate as the basis for determining the current DVSARs for those programs.
- Programs that reported surpluses from government income in the base year will no longer have DVSARs that reflect a calculated reduction factor. The revision made in 16-OCFS-ADM-03 of the DVSAR allocation methodology that was originally set for in 92-LCM-34 has been eliminated the surplus penalty from the DVSAR methodology.
- The Food Add-On component of the DVSARs is a negotiated item between the DV residential program agency and the LDSS where the program is located. The Food Add-On is included in the DVSARs when the agency and the LDSS formally request the Food Add-On Rate in writing to OCFS. Thereafter, the Food Add-On Rate is included as part of the DVSAR for the specified program until OCFS is otherwise notified.

- 17-OCFS-ADM-16 indicates that residential DV programs are responsible for the costs of background checks and may not require applicants to pay for it. DV agencies must continue to track the cost of background checks and include them in line 18, Dues/Licenses/Permits, per 18-OCFS-ADM-12, on the OCFS-DV-2652, *Report of Annual Expenditures*.
- OCFS will consider revisions to a DVSAR for the following reasons:
 - The Food Add-On Rate needs to be either added to or deleted from the DVSAR.
 - The DVSAR reflects an incorrect DV Flat Rate Per Diem for the program type and size.

Agencies have thirty (30) days from the issuance of a DVSAR to appeal the published rate. All appeals must be made in writing and mailed to:

IV. Required Action

The DVSARs noted in Attachments A and C of this ADM must be paid by the LDSSs to licensed DV residential agencies providing residential care to eligible victims of DV during the period of July 1, 2020 through June 30, 2021.

V. Systems Implications

Existing procedures for processing DVSAR payments and reimbursing claims will continue to be applicable.

VI. Effective Date

This directive is effective as of July 1, 2020.
