I. Purpose

The purpose of this Local Commissioners Memorandum (LCM) is to provide guidance to local departments of social services (LDSSs) for the completion of the required 2021 Annual Plan Update for the county Child and Family Services Plan (CFSP). These guidelines are also being shared with county youth bureaus.

II. Background

LDSSs and county youth bureaus are required by statute to develop and submit to the New York State Office of Children and Family Services (OCFS) local, multiyear plans for the provision of services and the allocation of resources, including the required Persons in Need of Supervision (PINS) Diversion Plan that is developed by LDSSs and county probation departments, dependent on the designated municipality PINS lead agency. The county planning process is designed to reflect the following principles and objectives:

- Support and acknowledge a local collaborative planning process that includes broad stakeholder involvement.
- Encourage a planning process that has meaning and utility locally, while preserving accountability to state and federal requirements.
- Support a data-driven process that focuses on outcomes for children, youth, families, adults, and communities.
• Support the important respective administrative roles and responsibilities of county youth bureaus and LDSSs.
