1. Preventive services include both mandated and non-mandated preventive services.
2. Analyses are completed at event-level; a child or family may have multiple services cases within a calendar year.
3. New authorization: for families, the earliest case authorization date for any member of the case is recognized as the family's start date.
4. Served: children / families authorized with preventive services for one day or more in a particular month, a child / family may be served in multiple months
5. Services authorization ended: if a family has multiple members authorized for services, end date reflects the date on which services were no longer authorized for any family member.
