Foundation Courses

Core Essential Skills for Experienced Caseworkers

Mode of Delivery Classroom & CBT

Duration 8 Days

Work Plan Code CC36

Approved Audience Experienced local district and voluntary agency CW and CPS caseworkers who did not attend Common Core or CPS Foundation Parts 1 and 2

This training program provides child welfare caseworkers who have at least six months of experience, and did not attend Common Core or CPS Foundation Part 1 and Part 2, with the knowledge, skills, and abilities they need to achieve the goals of child and family safety, permanency and well-being. It includes identifying child abuse and maltreatment; safety and risk assessment; effective communication; strengths-based assessments; assessing and interviewing children; engaging families in ongoing safety assessment; and engaging the family in developing and implementing the service plan.

Pre-Requisites none

CPS In-Service Credit No

CPS Foundation Part 1

Mode of Delivery Classroom & CBT

Duration 8 Days

Work Plan Code CC02

Approved Audience New local district and voluntary agency CW and CPS caseworkers

This program is the foundation training for new caseworkers, especially those who have a role in Child Protective Services Responses, including FAR and on-call. It provides them with the knowledge and skills necessary to effectively begin working with children and families to achieve the child welfare outcomes of safety, permanency, and well-being. This course provides foundational learning necessary to proceed to Child Protective Services Response Training (CPSRT).

Pre-Requisites Mandated Reporter

CPS In-Service Credit No

CPS Foundation Part 2

Mode of Delivery Classroom & CBT

Duration 8 Days

Work Plan Code CC02

Approved Audience New local district and voluntary agency CW and CPS caseworkers

This program will enhance foundational competencies of new caseworkers, especially those who have a role in Child Protective Services Responses, including FAR and on-call, by providing them with the knowledge and skills necessary to effectively work with children and families. This course is required in order for CPS Foundation participants to complete their “new caseworker” training. This training includes a day of Connections training. There is also an eighth optional day of Legal training.

Pre-Requisites CPS Foundation Part 1 and CPSRT

CPS In-Service Credit No

CPS Foundation Part 2: Completing the Family Assessment and Service Plan (FASP)

Mode of Delivery	Classroom
Duration	1 Day
Work Plan Code	CONN01
Approved Audience	Trainees who have completed CPS Foundation Part 1 and CPS response training.

This course provides CPS workers with information specific to their role, focusing on the navigational path they most commonly use. Through discussion, demonstration, and hands-on practice exercises, participants will begin with the Family Services Intake (FSI), stage progress to a Family Services Stage (FSS), add and modify Program Choices and Permanency Planning Goals (PPGs) prior to launching the Initial Family Assessment and Service Plan (FASP), and review the protective components that prefill the FASP from the CPS Investigation (INV) stage.

Pre-Requisites	Enrolled in foundation training
CPS In-Service Credit	No

Courses for Child Protective Services Staff

Child Forensic Interviewing

Mode of Delivery	Classroom
Duration	5 Days
Work Plan Code	CC31
Approved Audience	Local district CPS caseworkers and supervisors, Multi-Disciplinary Team members, Joint Response Team members and Child Advocacy Center staff.

This training utilizes the ChildFirst® Forensic Interview Protocol, a flexible model that includes poly-victimization screening and explores all forms of maltreatment. The foundation of ChildFirst® is the best interest of the child. The training also includes child development, memory and suggestibility, cultural considerations, working effectively as a multi-disciplinary team (MDT), testifying in court, legal issues and preparing children for court. This five-day classroom training course gives child abuse professionals a comprehensive introduction to the forensic interviewing process and teaches students to apply the latest research to real-life situations.

Pre-Requisites	Common Core or Core Essential Skills or CPS Foundation Parts 1 and 2; CPSRT and Sexual Abuse Dynamics and Intervention
CPS In-Service Credit	Yes

Child Protective Services Response Training

Mode of Delivery	Classroom, CBT & Virtual Classroom
Duration	Pre and mid-classroom modules; 8 days includes 1 Day CONNECTIONS training
Work Plan Code	CC03
Approved Audience	Local District CPS and Child Welfare Caseworkers and supervisors and provider agency FAR staff

This course is the core training required by law for CPS caseworkers who assume CPS responsibilities, both Family Assessment Response (FAR) and investigative. It builds upon safety and risk assessment and critical thinking skills and values acquired through the Common Core by applying them to CPS. It focuses on: the principles and techniques of assessing safety and risk; investigation; determination of allegations; relationships with other investigative bodies; and legal issues.

Pre-Requisites **Common Core or Core Essential Skills or CPS Foundation Part 1**
CPS In-Service Credit **Yes**

Child Welfare Requirements for Identifying and Working with Sex Trafficking Victims (HSLC web)

Mode of Delivery **CBT**

Duration **30 minutes**

Work Plan Code **SYS14**

Approved Audience **Local departments of social services and voluntary agency staff.**

In September 2016, the Preventing Sex Trafficking and Strengthening Families Act was signed into law. This Act has two primary purposes: to improve the safety, permanency, and well-being outcomes of children and youth involved with the child welfare and juvenile justice systems, and to protect and prevent at-risk children and youth from becoming victims of sex trafficking. During this asynchronous training, Lynn Baniak from OCFS' Office of Strategic Planning and Policy Development, will explain the new procedures for screening and responding to this population. She will also review tools and resources OCFS has created to help carry out this important work.

Pre-Requisites **none**

CPS In-Service Credit **Yes**

Domestic Violence Training for Child Protective Workers

Mode of Delivery **Classroom**

Duration **2 Days**

Work Plan Code **CC13**

Approved Audience **Child Protective Service (CPS) workers in local districts**

This training program assists CPS caseworkers to identify the presence of domestic violence in families and to conduct accurate safety and risk assessments. It teaches how to support and sustain non-DV offending parents' efforts to protect themselves and their children and meet their needs and how to engage DV offending parents to assume responsibility for the impact of their abusive behavior on their children and to meet their needs for safety, permanency and wellbeing. The training is designed to help participants to integrate best practice domestic violence practice strategies within their child protective services' practice, use self-reflection in their day-to-day work, and build their ability to apply critical thinking skills to interviews, assessments and decision making. Mandated for all CPS workers.

Pre-Requisites **Common Core or Core Essential Skills or CPS Foundation Part 1; CPSRT; CPS Foundation Part 2**

CPS In-Service Credit **Yes**

Supervising CPS

Mode of Delivery **Classroom & CBT**

Duration **4 Days**

Work Plan Code **CC03**

Approved Audience **Local District CPS Supervisors**

This course is mandated for CPS supervisors and builds on critical skills to model, coach, and monitor strengths-based, child-centered, family-focused practice in CPS. It focuses on issues and skills relevant to CPS supervisors including supervising the CPS response, decision-making, safety and risk assessment, managing safety over the life of the case, coaching and monitoring CPS practice.

Pre-Requisites **Common Core or Core Essential Skills or CPS Foundation Part 1; CPSRT; CPS Foundation Part 2; Supervisory Foundations or KEYS Core or KEYS Essentials**

	The prevalence of adolescent substance use and the seriousness of the possible impact of substance use on the adolescent’s well-being make it imperative that caseworkers have an understanding of adolescent substance use, have access to resources about adolescent substance use, and know the best ways to engage with an adolescent and his/her family about possible substance use. This WBT training is designed for caseworkers working with adolescents who may be using alcohol or other drugs. This training will increase workers’ competence and confidence to work with adolescents who are suspected of using substances, teach workers how substance use negatively impacts adolescents, and help workers to decide what actions to take with an adolescent and his/her family to address the problem of adolescent substance use.

All adolescents experience challenges adjusting to the emotional issues associated with sexual development. It is essential that the adults in each youth's life are prepared to guide that youth through that process in a healthy and appropriate manner. This training is intended to help those adults to become knowledgeable about the stressors facing adolescents, especially foster care youth, and to assist these adults in developing the necessary skills to provide education and support. The classroom version is one full day, utilizing various multi-media resources, providing opportunities for large group discussions, and will include interactive hands-on activities. The half day iLinc course has been tailored to provide content with technology based activities.

Creating Youth Leaders in Your Agency

Mode of Delivery **Classroom**

Duration **1 Day**

Work Plan Code **RC01**

Approved Audience **Local district and foster care agency caseworkers, supervisors, foster parents, child care workers, OCFS staff, Youth Bureau staff, youth in foster care, and Division of Juvenile Justice and Opportunities for Youth (DJJOY) staff and youth.**

This course will provide participants with an understanding of basic youth leadership principles and strategies to develop youth voice in their programs, and the principles of building youth/adult partnerships. Benefits and barriers to implementing youth leadership will be discussed, and participants will have the opportunity to learn about New York State’s model program, Youth in Progress (YIP). It will discuss ways staff can motivate youth and co-workers to participate in the YIP model as a way to develop a strong, regional youth/adult partnership in their agency and to develop youth leadership skills. It will focus on identifying strengths and skills in young people that can be translated into leadership potential. Exercises and interaction will focus on tapping into and building on the skills of young people who may not appear as leaders at first glance.

Developing Money Management Skills with Youth in Care

Mode of Delivery Classroom & Virtual Classroom

Duration 1 Day Classroom or 1/2 Day iLinc

Work Plan Code RC01

Approved Audience Local district and foster care agency caseworkers, supervisors, foster parents, child care workers, OCFS staff, Youth Bureau staff, youth in foster care, and Division of Juvenile Justice and Opportunities for Youth (DJJOY) staff and youth.

Money management skills develop from the ideas, attitudes, and spending habits learned at home, school, and the marketplace. Those who learn good money management skills are more likely to become adults who can make sound financial decisions, avoid excessive debt, and manage income and expenses to reach their goals. Therefore, it is important for youth in foster care to understand their ideas and attitudes about money and their spending habits in order to develop good money management skills. Creative and fun ways of teaching foster care youth about money management equip youth with the skills and tools to be an educated consumer. Activities, games, and resources about money management that can be used with youth individually or with groups will be included.

Permanency for Youth: Six Steps to Engaging Families

Mode of Delivery Classroom

Duration 1 Day

Work Plan Code RC01

Approved Audience DJJOY staff only

Adolescents need safe, stable, and secure relationships, love, unconditional commitment, and lifelong support. Permanency is both a process and a result that involves the youth as a participant or leader in finding a permanent connection with at least one committed adult through reunification, a legal adoption, or guardianship. Participants will be introduced to a structured model for partnering with youth and families in identifying and engaging adults who can provide them with permanent and caring relationships. They will also have the opportunity to explore how attitudes and the culture within an agency towards youth may influence their permanency practices. Concrete strategies for developing sustainable practices that can improve youth permanency outcomes and improve the ways they engage with youth in planning for their future will be taught.

Promoting Positive Youth Development and Well-Being (PPYD)

Mode of Delivery Classroom & CBT
Duration pre-class module; 2 days
Work Plan Code RC01
Approved Audience Local district and foster care agency caseworkers, supervisors, foster parents, child care workers, OCFS staff, Youth Bureau staff, youth in foster care, and DJJOY staff and youth.

This training will assist those working with youth in care to promote positive youth development and well-being using Positive Youth Development (PYD) strategies. PYD strategies encourage service providers to look at youth from a holistic perspective, view youth as partners in their own development, provide youth with the skills and opportunities to foster better decision-making, and prepare youth to take the lead in achieving their goals. Understanding adolescent development, and how the trauma many youth in care have experienced affects their development, is necessary for caseworkers who work with adolescents in care. Being able to communicate with youth and use PYD strategies will assist workers in partnering with youth, better assessing their needs, and creating realistic youth-led plans. This will, in turn, help youth successfully transition from care and sustain life-long success.

Many families come to the United States from other countries looking for a better life for themselves and their children, as well as to escape political and economic hardships. Some families arrive without the necessary paperwork or supports to stay legally, but often disappear into the vast American landscape, and survive without documentation. If these families encounter the social services system through abuse, neglect, or medical emergencies, their children’s fate and future to remain in the United States may be jeopardized. This course provides participants with a basic overview and understanding of the SIJS process in New York State and the resources available to assist agencies in helping youth acquire this special status.

Financial Exploitation of Vulnerable Adults

Mode of Delivery **Classroom**

Duration **1 Day**

Work Plan Code **PSA01**

Approved Audience **APS caseworkers, supervisors and County attorneys**

Financial exploitation is a common transgression in Adult Protective Services cases. In the 1998 National Incidence Study of Elder Abuse in the US, financial exploitation accounted for nearly one-third of all substantiated reports of elder abuse. In a survey of New York State APS cases, 64% of adults over 60 in the study sample had experienced financial exploitation. Younger vulnerable APS clients are also frequent targets. This training will review the various forms that financial and material exploitation takes. Participants will learn about successful prosecution of exploitation. They will also learn about the criminal and civil remedies available in New York State to APS staff and their clients to address financial abuse; how to manage exploitation when court action is not possible will also be covered. Attention will also be given to the growing problem of Power of Attorney abuse, and the growing phenomenon of scams, telemarketing fraud, and identity theft that target older adults and vulnerable persons. Participants are encouraged to bring case examples from their own APS caseloads for discussion.

Working Through Challenging Situations

Mode of Delivery **Classroom**
Duration **1 Day**
Work Plan Code **DC01**
Approved Audience **Child Day Care Regulatory Staff**

This training is designed to help child day care regulators develop practical strategies as they work professionally with child care providers in various modalities of care. The skills regulators will develop will not only help them resolve challenging situations, but will also help prevent these situations from occurring in the first place. Regulators know that respect is a two-way street: The professional respect they consistently employ in their interactions with providers will help those providers return that respect. Providers who see their regulators as professional partners in promoting and protecting children's health, safety and development are more likely to work proactively with regulators, seek out technical assistance from regulators, and be receptive to technical assistance when it is offered. There is a brief follow-up iLinc session that goes along with this course.

Bloodborne Pathogen Training for Voluntary Agencies and Local District Staff

Mode of Delivery CBT

Duration 1 hour

Work Plan Code DLT01

Approved Audience Local District / Voluntary Agency Staff

The Occupational Safety and Health Administration, or OSHA, requires employers to take steps to protect the health and safety of workers at risk of exposure to blood or other potentially infectious body fluids. In the course of caseworkers and residential staff interactions with youth and families, these staff may be exposed to infectious agents. The purpose of this training is to provide residential voluntary agency staff and local district staff the information and skills necessary to protect the well-being and health of residents and staff. This training covers the nature and transmission of the Hepatitis B Virus (HBV), Hepatitis C Virus (HVC) and the Human Immunodeficiency Virus (HIV). It covers the safe handling of body fluids, methods of transmission and methods of protection. At the end of this CBT, you'll be able to:

- summarize basic facts about the transmission, symptoms, and prevention of HBV, HVC, and HIV;
- explain certain safety policies and procedures detailed in this video, and
- describe how to safely use a spill kit to clean up a blood or body fluid spill.

This CBT alone does not fulfill the OSHA training requirement, which includes the ability of trainees to submit questions for clarification.

Mode of Delivery Virtual Classroom
Duration 2 Hours
Work Plan Code DLT01
Approved Audience Local District Staff

Conflict is a necessary and integral part of realistic and effective problem-solving discussions. It is the essence of sound decision making because disagreement is the best vehicle for broadening perspectives, discovering alternatives and stimulating creative interaction among team members. The effects of disagreement, however, depend on how they are managed by team members. Conflict can be disruptive or it can be constructive. When mismanaged, conflict can destroy a team's effectiveness; when handled well, it can greatly increase the quality of a team's work and make members feel proud of their work in the team. This class will provide participants with an understanding of the impact of conflict in the workplace, the causes of conflict, reactions of staff and others to conflict, steps towards resolving conflict as well as principles and strategies for effective mediation.

Needs Assessment for Training Professionals

Mode of Delivery	CBT
Duration	1 Hour
Work Plan Code	DLT01
Approved Audience	Local District, State, and Voluntary Agency Staff

An organization’s needs must be carefully examined before any strategy is undertaken to meet them. A systematic assessment can identify and prioritize needs so various interventions, including training, can have a positive impact in the organization. A needs assessment gathers information that helps us understand and evaluate the importance of needs by: describing the target population, defining problems, offering solutions, and communicating results. This 45 minute introductory course in needs assessment will provide participants with an overview of the needs assessment process, including strategies and methods for identifying, analyzing and prioritizing needs, as well as reporting the needs assessment findings in order to plan constructive interventions to meet those needs. As a result of participating in this training, participants will: understand the three categories of needs assessment (organizational, operational and individual), explore the advantages and disadvantages of methods for assessing needs in each category, and develop an awareness of the difference between training and non-training issues.

How to Access OCFS Contracted Training

OCFS-sponsored contracted training is available through a variety of methods. Courses are offered through classroom training, symposiums, and seminars, as well as through a variety of asynchronous and synchronous distance learning methods, such as computed-based training (CBT), webcasts, webinars and virtual classrooms (iLinc). Local Departments of Social Services require staff to register for training through their Staff Development Coordinator. This documents that the supervisor, staff development unit, and the budget department in the district are all aware of the training and have approved the worker's attendance. Training Coordinators from provider (voluntary) agencies register staff for training.

Human Services Learning Center (HSLC)

Human Services Learning Center (HSLC) is an easy-to-use Web-based learning management solution for the administration, documentation, tracking, and reporting of training programs, classroom and online events, e-learning programs, and training content.

The Human Services Learning Center allows users to search an online Course Catalog, register for classes, complete online evaluations, build training plans, and track their continuing education. The registration feature of the training management tool system tracks all your activity and provides a complete training history for its users. Additionally, complete training plans or training paths can be designed and tracked for each user. Organizations in HSLC include state, local districts, and not-for-profit agencies, as well as day care providers, individuals who are mandated reporters, and foster and adoptive parents.

The web address to HSLC is <https://www.hslcnys.org>. To inquire about registration through HSLC please phone the HSLC Help Desk at 1-800-413-3210. You can also send an email to: starssupport@bsc-cdhs.org. Agencies that do not currently use HSLC and are interested in becoming an organizational user may use the same contact information to register their agency.

Regional and District – Specific Program Improvement Support

Regional and District - Specific Program Improvement Support: Some training is offered through the OCFS Child Welfare and Community Services Regional Offices to address casework practices and is customized by the district and Regional Office. These trainings are region or district specific and open only to that region or district. HSLC will distinguish these trainings with the designation of ***by invitation only***. Other courses identified as ***by invitation only*** support specific practices such as Teaming and Family Assessment Response, which local districts implement in partnership with the provider and OCFS.
