IV. Differential Payment Rates

1. Districts must complete the Differential Payment Rate Percent (%) column in the table below for each of the four differential payment rate categories. The state requires a minimum differential of 5% for licensed and registered providers for homelessness and for all providers for non-traditional hours. For these categories, the district must enter "5%" or, if it chooses a higher rate, up to 15%.

The differential payment rate categories for legally exempt providers for homelessness and for nationally accredited programs are optional. If the district chooses not to set differential payment rates, the district must enter zero. If the district chooses to set a differential payment rate, enter the appropriate percentage up to 15 percent (15%). If the district selects a differential payment rate for nationally accredited programs, that rate must be in the range of five percent (5%) to 15 percent (15%). If the district selects a differential payment rate for legally exempt providers for homelessness, the rate may be from 1 percent (1%) to 15 percent (15%).

Differential Payment Rate Category	Differential Payment Rate Percent
Homelessness: Licensed and Registered Providers <i>State required minimum of 5%</i>	5%
Homelessness: Legally Exempt Providers	5%
Non-traditional Hours: All Providers <i>State required minimum of 5%</i>	5%
Nationally Accredited Programs: Licensed and Registered Providers <i>Legally exempt child care providers are not eligible for a differential payment rate for accreditation.</i>	0%

2. For providers that qualify for multiple differential payment rates, the total percentage may not exceed 25% above the applicable market rate or actual cost of care. However, a district may request a waiver from the Office to establish a payment rate that is in excess of 25% above the applicable market rate upon showing that the 25% maximum is insufficient to provide access within the district to child care providers or services that offer care addressing more than one of the differential payment rate categories. If your district wants to establish a total differential payment rate that is more than 25% above the applicable market rate, describe below why the 25% maximum is insufficient to provide access to such child care providers or services.

2. Indicate if the district is electing to establish an enhanced market rate for child care services provided by legally exempt group child care programs when, in addition to the training required in 18 NYCRR §415.13, the director has completed an approved course and a minimum of 15 hours of approved training annually and each employee with a caregiving role completes a minimum of 5 hours of approved training annually and the enhanced requirements have been verified by the enrollment agency.

Does the district choose to expand eligibility for child care assistance beyond the requirements of 18 NYCRR §415.4?

Yes No

If the district chooses to expand eligibility for child care assistance beyond the requirements of 18 NYCRR §415.4, in order to allow a parent or caretaker who works non-traditional hours to sleep, please describe below:

Part Five: Fraud and Abuse Control Activities

I. Front End Detection System (FEDS) Plan

Each district must submit a CCAP FEDS plan as part of their CFSP. The Front End Detection System (FEDS) is an anti-fraud tool that is designed to identify erroneous or fraudulent information on an assistance application before a case is opened and any benefits are issued.

1. Please mark which of the following indicators, if any, the district uses to determine which CCAP applications suggest a higher than acceptable risk for fraudulent or erroneous CCAP payments:

- P.O. Box supplied as a mailing address without a reasonable explanation
- Applicant has a history of denial, case closing or overpayment, resulting from an investigation
- Applicant is self-employed, but cannot provide adequate business records
- Primary tenant with no utility bills in their name
- Information on application is inconsistent with prior case information
- Applicant unsure of their own address
- Applicant cannot supply documentation to verify identity, or identity is suspect
- Documentation or information provided by applicant is inconsistent with the application
- Child care provider lives in the same household as the child

No absent parent information or information is inconsistent with the application

Other
Please specify:

2. Please describe the step-by-step FEDS process for CCAP applications.

a. Describe how the application is reviewed for FEDS indicators and referred to the appropriate investigative unit:

The Day Care Examiner reviews the application for any of the indicators that are listed on the FEDS referral form. If indicators are found, the Day Care examiner contacts the applicant requesting a plausible explanation in attempts to resolve the indicator. If the explanation does not resolve the indicator then a referral form is completed by the Day Care Examiner for submission to the Fraud unit.

b. Describe how the referral is sent to the investigative unit and assigned to an investigator:

Daycare examiners complete the FEDS referral form and submit it to the Senior Investigator of the Fraud unit via email or hand delivery. The Senior Investigator assigns the referral to an Examiner trained in FEDS investigation for verification.

c. Describe how the investigator completes a report of investigation which includes findings and recommendations:

The FEDS Examiner reviews, examines and completes any necessary investigation into the information provided in the referral. Upon completion of this process the FEDS Examiner submits their findings to the Senior Investigator in a written report. When the Senior Examiner finds the report to be complete, the Senior Examiner signs off on the completed FEDS with recommendations, and returns the findings to the Day Care Examiner. This process is completed within a 15 day timeframe and prior to the 30-day deadline for making the eligibility determination.

The Day Care Unit provides the Senior Investigator with the final determination and action taken on the case for tracking purposes.

d. Describe the process for completing and submitting the Monthly FEDS Report to OCFS by the tenth of the following month including the staff member responsible for submitting the report to OCFS:

The Senior Investigator counts FEDS referrals, completed FEDS, and outcomes for purposes of completing a spreadsheet. Upon completion, the spreadsheet is submitted OCFS.

If no FEDS are submitted for the month, the Senior Investigator sends an email advising that there is nothing to report.

3. List all local CCAP FEDS forms.

Cattaraugus County DSS - Fraud Unit Front End Detection System (FEDS) Investigation Unit Referral Form - Childcare only.

II. Program Integrity

1. Each social services district must submit a description of the sampling methodology used to determine which providers of child care assistance services will be reviewed for the purpose of comparing the child care provider's attendance forms for children receiving CCAP services with any Child and Adult Care Food Program (CACFP) inspection forms to verify that child care was actually provided on the days listed on the attendance forms.

Cattaraugus County: Child Care Assistance Program (CCAP)

Describe the sampling methodology and review process:

On a monthly basis, the sponsor of the CACFP Program, Chautauqua Opportunities, will submit to the district a random report of 30% of the providers which will include the days, children in attendance and the meals claimed. The district's Program Integrity Unit will then review the reports and compare the reports with the child care provider's attendance forms to verify that the child care provided and meals were claimed on the days listed on the attendance forms.

2. Each social services district must establish a random sampling methodology used to determine which cases will require verification of a recipient's continued need for child care, including, as applicable, verification of participation in employment, education, or other required activities.

Please note: The district cannot use criteria such as race, color, sex, gender identity, sexual orientation, disability, religious creed, political belief or any other factors prohibited by law as indicators in drawing the sample.

Describe the sampling methodology and review process:

One case per month will be reviewed. The day care caseloads are divided by the alphabet A-J and K-Z. Each month the examiners will choose a case beginning with the section of the alphabet assigned and review a case. Examiner will review the case and contact the recipient via mail requesting documentation confirming programmatic and financial eligibility. Day care examiner will review the case with Case supervisor advising of findings. Cases reviewed will be tracked via a spreadsheet by Case supervisor.

III. Inspections of Child Care Provider Records and Premises

The district may choose to make announced or unannounced inspections of the records and premises of any provider / program that provides child care to children in receipt of child care assistance to determine if the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the social services district per 18 NYCRR §415.4.

The district has the right to make inspections of any child care provider prior to children in receipt of child care assistance receiving care, including care in a home, to determine if the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the district.

The district must report violations of regulations as follows:

- Violations by a licensed or registered child care provider must be reported to the applicable Office of Children and Families (OCFS) Regional Office.
