APPENDIX M #1

Reasonable Distance, Recertification Period, Family Share, Very Low Income,
Federal and Local Priorities (Required)**I. Reasonable Distance**

Define “reasonable distance” based on community standards for determining accessible child care.

- 1. The following defines “reasonable distance”: Reasonable distance is defined as the actual time that it takes to travel from the parent/caretaker's home and/or to or from the place of employment, educational institution or any other approved activity to the location of the child care provider.

When a parent/caretaker is seeking child care services in order to participate in an approved training program, they must provide required documentation and travel may be approved for up to a total of three (3) hours per day to commute (from home) to and from the training location based on the actual times and distance.

- 2. Describe any steps/consultations made to arrive at your definition: This definition was determined in collaboration with the LDSS and the Child Care Directors.

II. Recertification Period

The district’s recertification period for low income child care cases is every (select one):

six months twelve months

III. Family Share

“Family Share” is the weekly amount paid towards the costs of the child care services by the child’s parent or caretaker. Your district must select a family share percentage from 10% to 35% to use in calculating the amount of family share. The weekly family share of child care costs is calculated by applying the family share percentage against the amount of the family’s annual gross income that is in excess of the State Income Standard divided by 52.

Family Share Percentage selected by the district 20%.

Note: *The family share percentage selected here must match the percentage entered in the Program Matrix in the Welfare Management System (WMS).*

IV. Very Low Income

Define “very low income” as it is used in determining priorities for child care benefits.

“Very Low Income” is defined as 200% of the State Income Standard.

V. Federal and Local Priorities

- 1. The district must rank the federally mandated priorities. Cases that are ranked 1 have the highest priority for receiving child care assistance. These rankings apply to case closings and case openings.

Case Openings, Case Closings, and Waiting List (Required)

I. Case Openings When Funds Are Limited

If a social services district does not have sufficient funds to provide child care services to all families who are applying, the district may decide to open certain categories of families as funds become available. The district must open federal priorities first. If the district identified local priorities, they must be opened next. **After the federal and local priorities**, identify the basis upon which the district will open cases if funds become available. Check only **ONE** of the options listed below and describe the process for opening.

1. Open based on **FIRST COME, FIRST SERVED**.
2. Open based on **INCOME**. Check one of the boxes below:

CHAUTAUQUA COUNTY – 2017 APU

II. Case Closings When Sufficient Funds Are Not Available

If a social services district does not have sufficient funds to continue to provide child care assistance to all families in its current caseload, the district may decide to discontinue child care assistance to certain categories of families. The district must close federal priorities last. If the district identified local priorities, they must be closed next to last. **After the federal and local priorities**, describe the basis upon which the district will close cases if sufficient funds are not available.

If no priorities are established beyond the federally mandated priorities and all funds are committed, case closings for families that are not eligible under a child care guarantee and are not under a federally mandated priority must be based on the length of time they have received services (must choose #1 below).

Check only **one** of the options for closing listed below and describe the process for closing.

1. Close based on **AMOUNT OF TIME** receiving child care services.

Check one of the boxes below:

APPENDIX M #3

Fraud and Abuse Control Activities and Inspections (Required)

I. Fraud and Abuse Control Activities

1. Describe below the criteria the district will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payments in addition to procedures for referring such applications to the district's front-end detection system.

- Applicant is self-employed, but cannot provide adequate business records
- Applicant has history of denial, case closing or overpayment resulting from an investigation
- Applicant states he/she is working off the books
- Information on the application is inconsistent with prior case information
- Documentation or information provided by applicant is inconsistent with the application
- Child Care provider lives in the same household as the child
- No absent parent information or information is inconsistent with application
- PO Box supplied as a mailing address without a reasonable explanation

2. Describe the sampling methodology used to determine which cases will require verification of an applicant's or recipient's continued need for child care, including, as applicable, verification of participation in employment, education, or other required activities.

Examiners will review at recertification if recipient is employed, involved in an educational program or other required activities by contacting the case manager and requesting documentation such as school schedule, work schedule, pay stubs, wage clearances, etc.

3. Describe the sampling methodology used to determine which providers of subsidized child care services will be reviewed for the purpose of comparing the child care provider's attendance forms for children receiving subsidized child care services with any Child and Adult Care Food Program inspection forms to verify that child care was actually provided on the days listed on the attendance forms.

On a monthly basis, Chautauqua Opportunities, Inc., our enrollment agency, will submit to the district a random report of 30% of the providers which will include the days, children in attendance and the meals claimed. The YWCA, one of the sponsors of the CACFP Program will submit a similar report to the Department. The district's Program Integrity Unit will then review the reports and compare the reports with the child care provider's attendance forms to verify that the child care and meals were actually provided on the days listed on the attendance forms.

II. Inspections of Child Care Provider Records and Premises

The district may choose to make announced or unannounced inspections of the records and premises of any provider/program that provides child care for subsidized children for the

APPENDIX Q

Additional Local Standards for Child Care Providers (Optional)

I. The district may propose local standards in addition to the State standards for legally-exempt providers who will receive child care subsidies issued by the district. This appendix must be completed for **each** additional local standard that the district wants to implement.

The district must coordinate with the local Enrollment Agency, including, but not limited to:

- Informing the Enrollment Agency of the intent to request an additional standard.
- Developing the stepwise process referenced in Question 5.
- Ensuring that no significant burden of work shall be incurred by the Enrollment Agency as a result of the additional local standard, unless such work is addressed in a separate contract or a formal agreement is in place, which are referenced in Question 3.
- Sharing any consent/release form that may be required.
- Keeping the Enrollment Agency informed of the approval status.

1. Check or describe in the space provided below the additional local standards that will be required of child care providers/programs.

- Verification, using the district's local records, that the provider has given the caretaker complete and accurate information regarding any report of child abuse or maltreatment in which he or she is named as an indicated subject
- Local criminal background check
- Require providers caring for subsidized children for 30 or more hours a week participate in the Child and Adult Care Food Program (CACFP). *Note that districts are required to notify the Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, of all providers on the referral list for whom the requirement is "not applicable."*
- Site visits by the district
- Other (please describe):

2a. Exceptions: There may be instances when the district may be unable to enact the additional standard, such as, the applicable person may reside outside of the district's jurisdiction, or the site of care may not be located within the district. In such cases, the district may create an exception to the applicability stated above.

Note: *The Child Care Facility System cannot track such exceptions and, therefore, the district remains responsible for notifying the applicable Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, that an additional standard is "not applicable" to the specific provider/person named on the referral list.*

Place a check mark below to show any exception to the applicability of this Local Additional Standard to programs or roles previously identified.

- a. The district will not apply this additional local standard when the applicable person *resides* outside of the subsidy-paying district.
- b. The district will not apply this additional local standard when the *program's site of care is located outside* of the subsidy-paying district.
- c. The district will not apply this additional local standard when *the informal provider is younger than 18 years* of age.

3. Districts are responsible for implementation of the additional local standard unless they have a formal agreement or contract with another organization. Check the organization that will be responsible for the implementation of the additional local standard.

Provide the name of the agency and contact person:

4. Are there any fees or other costs associated with the additional local standard?

Yes No

Note: *Costs associated with the additional local standard cannot be passed on to the provider.*

5. Describe, in chronological order, the steps for conducting the additional local standard. Include how the district will retrieve referrals from CCFS, communicate with providers and other applicable persons, determine compliance with the additional local standard, inform the Enrollment Agency whether the additional local standard has been "met," "not

met”, or is “not applicable”, and monitor its timeliness. Include all agencies involved and their roles. Note that the district’s procedures must be in accordance with 12-OCFS-LCM-01.

Chautauqua Opportunities, Inc. which is one of the sponsoring agencies for CACFP in Chautauqua County has agreed to provide the monitoring and coordination of the CACFP information between the CACFP sponsoring agency and the District. The YWCA of Jamestown is a second sponsoring agency for CACFP. Should the legally exempt family child care provider who is providing on average 30 or more hours of care per week for at least one subsidized child refuse to fully participate or cooperate with CACFP, the CACFP worker will notify the district. The district will notify CACFP when a legally exempt family child care provider provides an average of 30 or more hours of care for at least one subsidized child. The following providers ARE exempt from the CACFP local standard: • those who provide short term care (less than 3 months) such as for school breaks • those who provide child care in a location out of the county, state, or country • those who provide child care for children in foster care will be offered enrollment in the CACFP but are not required to enroll in the program. A family contacts the Child Care Team requesting child care subsidy. The examiner completes a pre-screening form to gather initial information. An application for child care subsidy and an enrollment packet is then sent to the family. • If the family is requesting care of 30 hours or more per week for at least one child, then the examiner makes a note on the enrollment packet that it is going to be 30 or more hours of care. Instructions are included that the completed enrollment package must be sent into the enrollment agency – Chautauqua Opportunities, Inc. (COI) and the completed application returned to the Child Care Team. • Following the data entry of a provider into the legally-exempt CCFS, CCFS “refers” the individuals selected in question #2 above to the LD. The LD determines if the Additional standard applies. The LD notifies the CACFP agency of providers who are caring for a child an average of 30 or more hours per week and must participate in CACFP. •The LD notifies the EA using the OCFS 2114 of providers for whom the additional standard is NOT APPLICABLE. • The CACFP sponsor contacts the provider to complete the CACFP enrollment process. • CACFP notifies the LD whether the provider is participating in CACFP or not participating in CACFP. • If the provider is NOT participating in CACFP (includes not approved by CACFP and Discontinued and Disqualified), then the LD informs the EA, in writing using the OCFS 2114, that the additional standard is NOT MET. • If the provider IS PARTICPATING in CACFP, the LD informs the EA, using the OCFS 2114 in writing, that the additional standard IS MET.

6. Indicate how frequently the additional local standard will be applied. Answer both questions.
- a. The Standard will be applied:
 - i. At initial enrollment and re-opening
 - ii. At each re-enrollment
 - b. The district will assess compliance with the additional local standard:

CHAUTAUQUA COUNTY – 2017 APU

- i. *During the enrollment review period*, and, the district will notify the Enrollment Agency of the results within 25 days from the E-Notice referral date.
- ii. *During the 12-month enrollment period*, and, the district will notify the Enrollment Agency of the results promptly. Note that this option is always applicable to an additional local standard requiring participation in CACFP.

7. Describe the justification for the additional local standard in the space below.

Requiring providers to participate in the CACFP will promote good nutrition, health and wellness for children cared for by legally exempt providers receiving subsidy within our district. In addition, Chautauqua County has received a Community Transformation Grant and we are partnering with DOH on this initiative which includes a goal of increasing the number of legally exempt child care providers who participate in the CACFP.

APPENDIX T

Transportation, Differential Payment Rates, Enhanced Market Rate for Legally-Exempt Family and In-Home Providers, and Sleep (Optional)

I. Transportation

1. Describe any circumstances and limitations the district will use to reimburse for transportation. Include what type of transportation will be reimbursed (public and/or private) and how much your district will pay (per mile or trip). Note that if the district is paying for transportation, the Program Matrix in the Welfare Management System (WMS) should reflect this choice.

No

Yes, describe: Transportation expenses incurred to transport children from licensed childcare providers to and from school will be approved on a case by case basis. Transportation expenses will not be paid by the County when the school district in which the child resides is willing to transport the child. The County will consider paying for such transportation in the City of Jamestown as the Jamestown School District does not regularly provide transportation to and from school for children. All other alternate forms of transportation must first be considered. The YWCA of Jamestown and the YMCA of Jamestown are currently approved for transportation reimbursement.

II. Differential Payment Rates

1. Districts must complete the Differential Payment Rate Percent (%) column in the table below for each of the four (4) differential payment rate categories. For the two (2) categories that require a state minimum five percent (5%) differential payment rate, the district must enter “5%” or, if it chooses, a higher rate up to 15%.

The other two (2) differential payment rate categories in the table below are optional. If the district chooses not to set differential payment rates, the district must enter zero. If the district chooses to set a differential payment rate, enter the appropriate percentage up to 15 percent (15%). Note that if the district selects a differential payment rate for nationally accredited programs, then that rate must be in the range of five percent (5%) to 15 percent (15%).

Differential Payment Rate Category	<i>Differential Payment Rate Percent (%)</i>	Instructions for Differential Payment Rate Percent (%) Column
Homelessness: Licensed and Registered Providers State required minimum of 5%	5%	Enter a percentage (%): 5% to 15%. (<u>Must</u> enter at least <u>5%</u>)
Homelessness: Legally-Exempt Providers	0%	Enter 0% or a percentage (%) up to 15%.

CHAUTAUQUA COUNTY – 2017 APU

Non-traditional Hours: All Providers State required minimum of 5%	5%	Enter a percentage (%): 5% to 15%. (<u>Must</u> enter at least <u>5%</u>)
Nationally Accredited Programs: Licensed and Registered Providers	0%	Enter 0% or a percentage (%) from 5% to 15%.

2. Payments may not exceed 25% above market rate. However, if your district wants to establish a payment rate that is more than 15% above the applicable market rate, describe below why the 25% maximum is insufficient to provide access within the district to accredited programs or care provided during non-traditional hours and/or care provided to children experiencing homelessness.

III. Enhanced Market Rate for Legally-Exempt Family and In-Home Child Care Providers

1. Indicate if the district is electing to establish a payment rate that is in excess of the enhanced market rate for legally-exempt family and in-home child care providers who have completed 10 or more hours of training annually and the training has been verified by the legally-exempt caregiver enrollment agency.

No.

Yes. Indicate percent, not to exceed 75% of the child care market rate established for registered family day care.

IV. Sleep

1. The following describes the standards the district will use to evaluate whether to pay for child care services while a caretaker that works a second or third shift sleeps, as well as any limitations pertaining to payment:

Sleep time will only be allowed for a parent or caretaker who works third shift. The parent or caretaker will be required to verify work schedules before sleep time will be approved. In two parent/caretaker households where both parents/caretakers are employed and work separate shifts, the social welfare examiner will determine on a case by case basis the number of hours for which child care will be authorized for sleep time. For example, if the mother works first shift (9-5) and the father works third (11-7) it is expected that the father will sleep when the mother returns home from work allowing the father 6 hours of time to sleep. If the mother returns home from work at 5:30 due to travel time and the father must leave for work at 10:30 due to travel time, 1-2 hours of child care may be approved so that the father could have 6 hours of sleep before leaving for work.

2. Indicate the number of hours allowed by your district per day (maximum number of hours allowed is eight).

APPENDIX U

Child Care Exceeding 24 Hours, Child Care Services Unit, Waivers, and Breaks in Activities (Optional)

I. Child Care Exceeding 24 Hours

1. Child care services may exceed 24 consecutive hours when such services are provided on a short-term emergency basis or in other situations where the caretaker's approved activity necessitates care for 24 hours on a limited basis. Check below under what circumstances the district will pay for child care exceeding 24 hours.

- On a short-term or emergency basis
 The caretaker's approved activity necessitates care for 24 hours on a limited basis

2. Describe any limitations on the payment of child care services that exceed 24 consecutive hours.

For recipients of child care subsidy and/or TA who are employed full time (a minimum of 35 hours) and are required by their employer to attend overnight training out of the county and at least 50 miles one way from the recipient's home, up to 4 additional hours per day of child care subsidy may be authorized. Recipient must submit documentation from the employer of the requirement to attend training.

II. Child Care Services Unit (CCSU)

1. Indicate below if your district will include 18-, 19-, or 20-year-olds in the CCSU for determining family size and countable family income.

- a. The district will include the following in the CCSU (check all that apply).

- 18-year-olds 19-year-olds 20-year-olds

OR

- b. The district will only include the following in the CCSU when it will benefit the family (check all that apply)

- 18-year-olds 19-year-olds 20-year-olds

2. Describe the criteria your district will use to determine whether or not 18-, 19-, or 20-year olds are included in the CCSU.

Budgets will be computed that include and exclude the 18, 19, or 20 year old. Based on those calculations a decision will be made to include or exclude the individual(s) when it benefits the family.

III. Waivers

1. Districts have the authority to request a waiver of any regulatory provision that is non-statutory. Describe and justify why your district is requesting a waiver.

Family co-pay

Waive 18 NYCRR § 415.3(e) which requires that each family receiving child care services, with the exception of a family on temporary assistance, pay a family share based on income. This waiver pertains only to families in receipt of child care in lieu of Temporary Assistance, and only for the child(ren) participating in an Early Head Start Child Care Partnership program.

CHAUTAUQUA COUNTY – 2017 APU

Flexibility in eligibility periods

Waive 18 NYCRR § 404.1(c) which requires that redetermination be made not less than every 12 months. This waiver will allow districts to match child care eligibility periods to the Early Head Start Child Care Partnership program period regardless of disruptions in the parent's eligibility. This waiver only applies to the child(ren) participating in an Early Head Start-Child Care Partnerships.

Flexibility in reporting changes in family circumstances

Waive 18 NYCRR § 415.3(b) which requires that applicants are responsible for providing accurate, complete and current information regarding family income and composition, child care arrangements and any other circumstances related to the family's eligibility for child care services, and for notifying the social services district immediately of any changes in such information.

The waiver would relax the income documentation/verification requirements and revise the redetermination process to relax/eliminate the need for parents to report even small changes in their circumstances that lead to a loss of eligibility for child care. This waiver would pertain only if the parent only has a child participating in an Early Head Start Child Care Partnership program.

IV. Breaks in Activities

1. Districts may pay for child care services for low-income families during breaks in activities either for a period not to exceed two weeks or for a period not to exceed four weeks when child care arrangements would otherwise be lost and the subsequent activity is expected to begin within that period. If your district will pay for breaks in activities, indicate below for how long of a break that the district will pay for (check one):

Two weeks Four weeks

2. Districts may provide child care services while the caretaker is waiting to enter an approved activity or employment or on a break between approved activities. The following low-income families are eligible for child care services during a break in activities (check all that are eligible):

- a. Entering an activity
- b. Waiting for employment
- c. On a break between activities
