APPENDIX M

Reasonable Distance, Very Low Income, Family Share, Case Closing and Openings, Recertification Period, Fraud and Abuse Control Activities, Inspections (Required)

Reasonable Distance

Define “reasonable distance” based on community standards for determining accessible child care.

The following defines “reasonable distance”: **“Child care is accessible when travel distance is no more than one hour between the site of an appropriate child care provider and the participant’s home, the child’s school or the participant’s employment/work activity location. The one-hour of travel is defined as any means of transportation including, but not limited to, walking, public transportation, shuttle service or use of a personal vehicle. Appropriate child care will be considered available when a Temporary Assistance to Needy Families (TANF) recipient identifies a provider on their own or the agency provides a referral to the Child Care Council of Columbia and Greene County, resulting in a minimum of two referrals meeting the criteria above.”**

Describe any steps/consultations made to arrive at your definition: **This definition was reached after consultation and discussion with representatives from the Greene County DSS TANF Unit, Department of Labor, Child Care Council and Community Action Transportation Unit.**

Very Low Income

Define “very low income” as it is used in determining priorities for child care benefits.

“Very Low Income” is defined as 200% of the State Income Standard.

Family Share

“Family share” is the weekly amount paid towards the costs of the child care services by the child’s parent or caretaker. In establishing family share, your district must select a percentage from 10% to 35% to use in calculating the family share. The weekly family share of child care costs is calculated by applying the family share percentage against the amount of the family’s annual gross income that is in excess of the State Income Standard divided by 52.

Family Share Percentage selected by the county 35%.

Note: The percentage selected here must match the percentage selected in Title XX Program Matrix in WMS.

GREENE COUNTY – 2015 APU

Case Closings

The district must describe below how priority is given to federally mandated priorities and describe local priorities. If all NYSCCBG funds are committed, the district will discontinue funding to those families that have lower priorities in order to serve families with higher priorities. Fraud and Abuse Control Activities

Describe below the criteria the district will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payment in addition to procedures for referring such applications to the district's front-end detection system.

If an application has one or more of the indicators checked below on the district's approved FEDS plan, and the eligibility worker is not confident that an indicator has been explained or supported adequately, the application must be referred for a FEDS investigation. The wording of each indicator must appear exactly on the FEDS plan as well as the FEDS referral process/form.

Section 1-State Mandated Indicators

all district plans must include these indicators:

- Financial obligations are current, but stated expenses exceed income *without a reasonable explanation***
- Working off the books (currently or previously)**
- Supported by loans or gifts from family/friends**
- Application is inconsistent with prior case information**
- Prior history of denial, case closing, or overpayment *resulting from an investigation.***

Section 2 – State-Approved Optional Indicators

This section may be left blank if a county chooses not to select any of these optional indicators for its FEDS process. If the district chooses to include any or all of these optional indicators in its plan, eligibility workers must also refer to FEDS any applications with these indicators:

- No absent parent information or information is inconsistent with application
- No documentation to verify identity or documentation of identity is questionable
- Landlord does not verify HH composition or provides information inconsistent with application
- Self-employed but *without adequate business records* to support financial assertions
- Alien with questionable or no documentation to substantiate immigration status
- Documents or information provided are inconsistent with application, such as different name used for signature or invalid SSN
- P.O. Box is used as a mailing address *without a reasonable explanation*, e.g., high crime area
- Primary tenant with no utility bills (e.g., phone or electric) in his/her name
- Children under the age of six with no birth certificates available
- Unsure of own address

GREENE COUNTY – 2015 APU

Section 3 – State-Approved County-Specific Indicators

-
- Eligibility workers are not allowed to refer cases based on an “other” box that they fill in for each FEDS referral. Indicators listed and checked here must be pre-approved by the State and must be pre-filled on the district’s FEDS referral process/form. This section may be left blank if a district chooses not to create any county-specific indicators for their FEDS process. Once the State approves this indicator, eligibility workers must also refer to FEDS any applications with these indicators:
- - (X) County-Specific Indicator: **Moved into Greene County within the last six months**
 - (XI) County-Specific Indicator: **Homeless at time of application**

Section 4 – Description of FEDS Process - Please describe your FEDS process:

a. Specify what program areas will use FEDS:

TA FS Medicaid CC _____ **Other**
 (specify)

b. Describe how an application will be referred by the eligibility worker to the investigative unit. Include if this is a manual, e-mail or automated process, and if there is eligibility supervisory review. OTDA strongly encourages eligibility supervisory review.

FEDS criteria are reviewed at each eligibility interview by the eligibility examiner. Appropriate FEDS referral is completed and all applicable documentation is attached. Eligibility examiner signs and dates referral. Supervisor then reviews, signs and dates referral and delivers it to the Fraud Unit.

c. Describe how the investigative unit logs and tracks the referral, as well as how it processes it (i.e., home visit, collateral contact, office interview, etc.).

Resource Consultant logs referral, assigns and tracks for timeliness. Investigator must complete the investigation within 10 days. The investigation may include a home visit and collateral contacts. The investigator will complete a written response on the reverse side of the referral and attach all appropriate documentation. When extenuating circumstances exist and the investigation is not completed in ten days, the investigator will review with Resource Consultant and investigation period will be extended, if approved by Eligibility Supervisor. When investigation is completed, investigator gives completed referral to the Resource Consultant who signs, dates, and logs results. Resource Consultant then gives completed referral to the Eligibility Supervisor.

d. Specify the targeted time frames for reporting investigative results back to the eligibility worker for final determination.

The investigator must complete the investigation within 10 days.

GREENE COUNTY – 2015 APU

- e. **If your district contracts out for investigations, such as with a local sheriff's department, explain this process and staffing and identify the contractor.**

Our district does not contract out for investigations.

- f. **Describe how and when the investigative unit is informed of the final action taken on the application, for inclusion in the FEDS monthly report.**

The Eligibility examiner completes the back of the FEDS referral upon case disposition and the Supervisor returns the copy to the Fraud Unit as case is completed. Resource Consultant logs results for inclusion in the monthly FEDS report.

- g. **Attach copies of:**

- **Any letter used to inform an applicant of a FEDS interview or home visit**
- **Any letter used to inform an applicant that they may be investigated for FEDS**
- **The FEDS referral form**

WE DO NOT SEND THE APPLICANT A LETTER PRIOR TO AN INTERVIEW OR HOME VISIT.

welfare records related to the child care attestations, the enrollment package will be considered *incomplete* and the enrollment process cannot move forward and will be *withdrawn* by the enrollment agency in accordance with State policy.

The local district will conduct the check of the local database to determine whether an individual checked in question #2 above is an indicated subject of a child abuse or maltreatment report. When the local records check reveals that an individual specified in question #2 above is an indicated subject of a child abuse or maltreatment report the proposed child care provider will be required to submit to Greene County Department of Social Services a copy of the written statement provided to the parent/caretaker concerning the indicated incident(s). This statement must be signed by the parent/caretaker acknowledging receipt of this information and the parent/caretaker's wish to use this child care provider.

If the information regarding the indicated child protective report submitted by the provider does not substantially correlate with the information obtained during the local records check related to the child care attestations, the Greene County Department of Social Services will notify the provider that he or she has ten (10) calendar days to clarify the discrepancies in the information submitted to the district and parent/caretaker. Within the ten (10) calendar day period the provider must submit information to Greene County Department of Social Services and the parent/caretaker that either substantially correlates with the information obtained by the district's local database check of the records related to the child care attestations or the provider submits information to the district which documents that the information obtained from the local database check of the records related to the child care attestations is inaccurate. If the provider fails to clarify the discrepancies the Greene County Department of Social Services will notify the Enrollment Agency that the additional standard *has not been met*.

If the information regarding the indicated child protective report submitted by the provider to the parent/caretaker and the local district correlates with the information obtained from the local database check and the parent/caretaker still chooses to use the provider, the Enrollment Agency will be notified that the additional standard *has been met*.

6. Indicate how frequently reviews of the additional standard will be conducted. Check all that apply.

7. In the space below, describe the procedures the district will use to notify the Legally-Exempt Caregiver Enrollment Agency (EA) as to whether the legally-exempt provider is in compliance with the additional local standards. Districts must notify the EA within 25 days from the date they received the referral from the EA. (Districts need to describe this procedure only if the additional local standard is applied to legally-exempt child care providers.)

GREENE COUNTY – 2015 APU

Within 25 days of the date of the referral, the local district will notify the Enrollment Agency in writing of the local district determination as follows:

The additional standard is “met” when:

- The local records check is conducted as specified in question #5 and no record is found
- The local records check is conducted, a record is found and the district determines that the provider has given the parent/caretaker true and accurate information regarding any indicated reports applicable to the persons specified in question #2.

The additional standard is “not met” when:

- The local records check is conducted as specified in question #5, a record is found and the district determines that the provider has NOT given the parent/caretaker true and accurate information regarding any indicated reports applicable to the persons specified in question #2.

The additional standard “does not apply” when:

- a. The district determines the provider/person is not subject to the additional standard based on an *exception* specified in question #2.

The district will maintain a file, which documents how the determination was made as to whether or not the additional local standard has been met.

8. Describe the justification for the additional standard in the space below.

The local district wants to make sure that providers have told parents/caretakers about known child protective histories for themselves and any other persons specified in #2. The additional standard supports 18 NYCRR (f)(7)(ii), a State requirement for enrollment which requires the provider and relevant site persons have given the parent true and accurate information regarding indicated child protective reports. The additional standard verifies the provider is telling the truth on the enrollment form. This promotes safer child care for children by verifying that true and accurate information about a caregiver’s history has been shared with the child(ren)’s parent/caretaker.
