### APPENDIX M #1

#### Reasonable Distance, Recertification Period, Family Share, Very Low Income, Federal and Local Priorities (Required)

---

#### I. Reasonable Distance

Define “reasonable distance” based on community standards for determining accessible child care.

1. The following defines “reasonable distance”: Child care is accessible when travel distance is no more than one hour between the site of an appropriate child care provider and the participant’s home, the child’s school or the participant’s employment/work activity location. The one-hour of travel is defined as any means of transportation including, but not limited to, walking, public transportation, shuttle service or use of a personal vehicle. Appropriate child care will be considered available when a Temporary Assistance to Needy Families (TANF) recipient identifies a provider on their own or the agency provides a referral to the Child Care Council of Columbia and Greene County, resulting in a minimum of two referrals meeting the criteria above.

2. Describe any steps/consultations made to arrive at your definition: This definition was reached after consultation and discussion with representatives from the Greene County DSS TANF Unit, Department of Labor, Child Care Council and Community Action Transportation Unit.

#### II. Recertification Period

The district’s recertification period for low income child care cases is every (select one):

six months     twelve months

#### III. Family Share

“Family Share” is the weekly amount paid towards the costs of the child care services by the child’s parent or caretaker. Your district must select a family share percentage from 10% to 35% to use in calculating the amount of family share. The weekly family share of child care costs is calculated by applying the family share percentage against the amount of the family’s annual gross income that is in excess of the State Income Standard divided by 52.

Family Share Percentage selected by the district 35%.

**Note:** *The family share percentage selected here must match the percentage entered in the Program Matrix in the Welfare Management System (WMS).*

#### IV. Very Low Income

Define “very low income” as it is used in determining priorities for child care benefits.

“Very Low Income” is defined as 200% of the State Income Standard.

#### V. Federal and Local Priorities

1. The district must rank the federally mandated priorities. Cases that are ranked 1 have the highest priority for receiving child care assistance. These rankings apply to case closings and case openings.

a. Very low income as defined in Section IV:  Rank 1     Rank 2     Rank 3

## GREENE COUNTY – 2017 APU

- b. Families with incomes up to 200% of the State Income Standard that have a child with special needs and a need for child care:  Rank 1  Rank 2  Rank 3
- c. Families with incomes up to 200% of the State Income Standard that are experiencing homelessness:  Rank 1  Rank 2  Rank 3
2. Does the district have local priorities?  
 Yes  No
- If yes, list below and rank beginning with Rank 4.

### APPENDIX M #2

#### Case Openings, Case Closings, and Waiting List (Required)

---

#### I. Case Openings When Funds Are Limited

If a social services district does not have sufficient funds to provide child care services to all families who are applying, the district may decide to open certain categories of families as funds become available. The district must open federal priorities first. If the district identified local priorities, they must be opened next. **After the federal and local priorities**, identify the basis upon which the district will open cases if funds become available. Check only **ONE** of the options listed below and describe the process for opening.

1.  Open based on **FIRST COME, FIRST SERVED**.
2.  Open based on **INCOME**. Check one of the boxes below:
  - The district will open cases starting from the lowest income to the highest income.
  - The district will open cases based on income bands, starting from the lowest income band to the highest income band. List the income bands, starting from the band that will be opened first:
3.  Open based on **CATEGORY OF FAMILY**.  
 List below the remaining category 2 and 3 families included in 18 NYCRR §415.2(a)(2) and 18 NYCRR §415.2(a)(3) that are not federal or local priorities in the order they will be opened first.

 Family Income 126-150%

## GREENE COUNTY – 2017 APU

Family Income 151-175%

Family Income 176-200%

5.  Open based on **OTHER CRITERIA**.

Describe the criteria the district will use to select cases to be opened:

### II. Case Closings When Sufficient Funds Are Not Available

If a social services district does not have sufficient funds to continue to provide child care assistance to all families in its current caseload, the district may decide to discontinue child care assistance to certain categories of families. The district must close federal priorities last. If the district identified local priorities, they must be closed next to last. **After the federal and local priorities**, describe the basis upon which the district will close cases if sufficient funds are not available.

**If no priorities are established beyond the federally mandated priorities** and all funds are committed, case closings for families that are not eligible under a child care guarantee and are not under a federally mandated priority must be based on the length of time they have received services (must choose #1 below).

Check only **one** of the options for closing listed below and describe the process for closing.

1.  Close based on **AMOUNT OF TIME** receiving child care services.

Check one of the boxes below:

- The district will close cases starting from the shortest time receiving child care services to the longest time.
- The district will close cases starting from the longest time receiving child care services to the shortest time.

Family Income 100-125%

Family Income 126-150%

Family Income 151-175%

Family Income 176-200%

5.  Close based on **OTHER CRITERIA**.

### APPENDIX M #3

#### Fraud and Abuse Control Activities and Inspections (Required)

---

#### I. Fraud and Abuse Control Activities

1. Describe below the criteria the district will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payments in addition to procedures for referring such applications to the district's front-end detection system.

If an application has one or more of the indicators checked below on the district's approved FEDS plan, and the eligibility worker is not confident that an indicator has been explained or supported adequately, the application must be referred for a FEDS investigation. The wording of each indicator must appear exactly on the FEDS plan as well as the FEDS referral process/form.

#### Section 1 – Section 1-State Mandated Indicators

All district all district plans must include these indicators:

- (X) Financial obligations are current, but stated expenses exceed income without a reasonable explanation
- (X) Working off the books (currently or previously)
- (X) Supported by loans or gifts from family/friends
- (X) Application is inconsistent with prior case information
- (X) Prior history of denial, case closing, or overpayment resulting from an investigation.

#### Section 2 – State-Approved Optional Indicators

This section may be left blank if a county chooses not to select any of these optional indicators for its FEDS process. If the district chooses to include any or all of these optional indicators in its plan, eligibility workers must also refer to FEDS any applications with these indicators:

- ( X ) No absent parent information or information is inconsistent with application
- ( X ) No documentation to verify identity or documentation of identity is questionable
- ( X ) Landlord does not verify HH composition or provides information inconsistent with application
- ( X ) Self-employed but without adequate business records to support financial assertions
- ( X ) Alien with questionable or no documentation to substantiate immigration status
- ( X ) Documents or information provided are inconsistent with application, such as different name used for signature or invalid SSN
- ( X ) P.O. Box is used as a mailing address without a reasonable explanation, e.g., high crime area
- ( X ) Primary tenant with no utility bills (e.g., phone or electric) in his/her name

**GREENE COUNTY – 2017 APU**

( X ) Children under the age of six with no birth certificates available

( X ) Unsure of own address

Section 3 – State-Approved County-Specific Indicators

Eligibility workers are not allowed to refer cases based on an “other” box that they fill in for each FEDS referral. Indicators listed and checked here must be pre-approved by the State and must be pre-filled on the district’s FEDS referral process/form. This section may be left blank if a district chooses not to create any county-specific indicators for their FEDS process. Once the State approves this indicator, eligibility workers must also refer to FEDS any applications with these indicators:

(X) County-Specific Indicator: Moved into Greene County within the last six months

(XI) County-Specific Indicator: Homeless at time of application

Section 4 – Description of FEDS Process - Please describe your FEDS process:

a. Specify what program areas will use FEDS:

X\_ TA \_X\_ FS \_X\_ Medicaid\_X\_CC \_\_\_\_\_ Other

(specify)

b. Describe how an application will be referred by the eligibility worker to the investigative unit. Include if this is a manual, e-mail or automated process, and if there is eligibility supervisory review. OTDA strongly encourages eligibility supervisory review.

FEDS criteria are reviewed at each eligibility interview by the eligibility examiner.

Appropriate FEDS referral is completed and all applicable documentation is attached.

Eligibility examiner signs and dates referral. Supervisor then reviews, signs and dates referral and delivers it to the Fraud Unit.

c. Describe how the investigative unit logs and tracks the referral, as well as how it processes it (i.e., home visit, collateral contact, office interview, etc.).

Resource Consultant logs referral, assigns and tracks for timeliness. Investigator must complete the investigation within 10 days. The investigation may include a home visit and collateral contacts. The investigator will complete a written response on the reverse side of the referral and attach all appropriate documentation. When extenuating circumstances exist and the investigation is not completed in ten days, the investigator will review with Resource Consultant and investigation period will be extended, if

## GREENE COUNTY – 2017 APU

approved by Eligibility Supervisor. When investigation is completed, investigator gives completed referral to the Resource Consultant who signs, dates, and logs results.

Resource Consultant then gives completed referral to the Eligibility Supervisor.

d. Specify the targeted time frames for reporting investigative results back to the eligibility worker for final determination.

The investigator must complete the investigation within 10 days.

e. If your district contracts out for investigations, such as with a local sheriff's department, explain this process and staffing and identify the contractor.

Our district does not contract out for investigations.

f. Describe how and when the investigative unit is informed of the final action taken on the application, for inclusion in the FEDS monthly report.

The Eligibility examiner completes the back of the FEDS referral upon case disposition and the Supervisor returns the copy to the Fraud Unit as case is completed. Resource Consultant logs results for inclusion in the monthly FEDS report.

g. Attach copies of:

- Any letter used to inform an applicant of a FEDS interview or home visit
- Any letter used to inform an applicant that they may be investigated for FEDS
- The FEDS referral form
- Any other FEDS form that passes between eligibility and investigations, such as a report of investigation

## APPENDIX Q

## Additional Local Standards for Child Care Providers (Optional)

I. The district may propose local standards in addition to the State standards for legally-exempt providers who will receive child care subsidies issued by the district. This appendix must be completed for **each** additional local standard that the district wants to implement.

The district must coordinate with the local Enrollment Agency, including, but not limited to:

- Informing the Enrollment Agency of the intent to request an additional standard.
- Developing the stepwise process referenced in Question 5.
- Ensuring that no significant burden of work shall be incurred by the Enrollment Agency as a result of the additional local standard, unless such work is addressed in a separate contract or a formal agreement is in place, which are referenced in Question 3.
- Sharing any consent/release form that may be required.
- Keeping the Enrollment Agency informed of the approval status.

1. Check or describe in the space provided below the additional local standards that will be required of child care providers/programs.

- Verification, using the district's local records, that the provider has given the caretaker complete and accurate information regarding any report of child abuse or maltreatment in which he or she is named as an indicated subject
- Local criminal background check
- Require providers caring for subsidized children for 30 or more hours a week participate in the Child and Adult Care Food Program (CACFP). *Note that districts are required to notify the Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, of all providers on the referral list for whom the requirement is "not applicable."*
- Site visits by the district
- Other (please describe):

2. Check below the type of child care program to which the additional local standard will apply and indicate the roles of the persons to whom it will apply in cases where the standard is person-specific.

- Provider                       Provider's Employee                       Provider's Volunteer
- Provider's household member age 18 or older
- Legally-exempt in-home child care program. Check all that apply.
- Provider                       Provider's Employee                       Provider's Volunteer
- Legally-exempt group provider/program not operating under the auspices of another government agency. Check all that apply.
- Provider/Director       Provider's Employee                       Provider's Volunteer
- Legally-exempt group provider/program operating under the auspices of another government or tribal agency. Check all that apply.

## GREENE COUNTY – 2017 APU

Provider/Director     Provider's Employee     Provider's Volunteer

2a. Exceptions: There may be instances when the district may be unable to enact the additional standard, such as, the applicable person may reside outside of the district's jurisdiction, or the site of care may not be located within the district. In such cases, the district may create an exception to the applicability stated above.

**Note:** *The Child Care Facility System cannot track such exceptions and, therefore, the district remains responsible for notifying the applicable Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, that an additional standard is "not applicable" to the specific provider/person named on the referral list.*

Place a check mark below to show any exception to the applicability of this Local Additional Standard to programs or roles previously identified.

- a. The district will not apply this additional local standard when the applicable person *resides* outside of the subsidy-paying district.
- b. The district will not apply this additional local standard when the *program's site of care is located outside* of the subsidy-paying district.
- c. The district will not apply this additional local standard when *the informal provider is younger than 18 years* of age.

3. Districts are responsible for implementation of the additional local standard unless they have a formal agreement or contract with another organization. Check the organization that will be responsible for the implementation of the additional local standard.

Local social services staff  
Provide the name of the unit and contact person: Greene County Child Protective Grade B Supervisor

Contracted agency  
Provide the name of the agency and contact person:

4. Are there any fees or other costs associated with the additional local standard?

Yes     No

**Note:** *Costs associated with the additional local standard cannot be passed on to the provider.*

5. Describe, in chronological order, the steps for conducting the additional local standard. Include how the district will retrieve referrals from CCFS, communicate with providers and other applicable persons, determine compliance with the additional local standard, inform the Enrollment Agency whether the additional local standard has been "met," "not met", or is "not applicable", and monitor its timeliness. Include all agencies involved and their roles. Note that the district's procedures must be in accordance with 12-OCFS-LCM-01.

## GREENE COUNTY – 2017 APU

The district will include a release form in the enrollment packets it distributes to parents which will allow the Greene County Department of Social Services to conduct a check of the local child welfare records related to the child care attestations for the sole purpose of verifying the accuracy of the information submitted to the parent/caretaker per 18 NYCRR (f)(7)(ii). The individuals specified in question #2 above will be asked to sign the release. The records check will be required only for the types of child care specified in question #2 and will be required only to persons in the roles specified in question #2.

When a referred individual is subject to an exception specified in question #2, the additional standard will not apply and the district will notify the applicable enrollment agency that the additional standard “does not apply” to the individual.

The signed release(s) specified in question #2 is/are *required*, for all persons in the roles specified, for the enrollment packet to be considered complete. If any of the individuals checked in question #2 above refuses to sign the release, which would allow Greene County Department of Social Services to review only the existing local child welfare records related to the child care attestations, the enrollment package will be considered *incomplete* and the enrollment process cannot move forward and will be *withdrawn* by the enrollment agency in accordance with State policy.

To initiate the additional standards check, per 12-OCFS-LCM-01, the Child Care Facility System will automatically generate the E-Notice, LE-CCFS LD-003 Legally-Exempt Additional Standard Referral Notification, to inform the local district that the additional standards check must be conducted. The designated district must run the CCFS report, LE Additional Local Standard Referral List to obtain the list of persons (as specified in question # 2 above) for whom Legally Exempt Additional Standard(s) Review(s) must be conducted and other pertinent information.

The local district will conduct the check of the local database to determine whether an individual checked in question #2 above is an indicated subject of a child abuse or maltreatment report. When the local records check reveals that an individual specified in question #2 above is an indicated subject of a child abuse or maltreatment report the proposed child care provider will be required to submit to Greene County Department of Social Services a copy of the written statement provided to the parent/caretaker concerning the indicated incident(s). This statement must be signed by the parent/caretaker acknowledging receipt of this information and the parent/caretaker's wish to use this child care provider.

If the information regarding the indicated child protective report submitted by the provider does not substantially correlate with the information obtained during the local records check related to the child care attestations, the Greene County Department of Social Services will notify the provider that he or she has ten (10) calendar days to clarify the discrepancies in the information submitted to the district and parent/caretaker. Within the ten (10) calendar day period the provider must submit information to Greene County Department of Social Services and the parent/caretaker that either substantially correlates with the information obtained by the district's local database check of the records related to the child care attestations or the provider submits information to the district which documents that the information obtained from the local database check of the records related to the child care attestations is inaccurate. If the provider fails to clarify the discrepancies the Greene County Department of Social Services will notify the Enrollment Agency that the additional standard *has not been met*.

## GREENE COUNTY – 2017 APU

If the information regarding the indicated child protective report submitted by the provider to the parent/caretaker and the local district correlates with the information obtained from the local database check and the parent/caretaker still chooses to use the provider, the Enrollment Agency will be notified that the additional standard *has been met*.

Within 25 days of the date of the referral, the local district will notify the Enrollment Agency in writing using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, of the local district determination as follows:

The additional standard is “met” when:

- The local records check is conducted as specified in question #5 and no record is found
- The local records check is conducted, a record is found and the district determines that the provider has given the parent/caretaker true and accurate information regarding any indicated reports applicable to the persons specified in question #2.

The additional standard is “not met” when:

- The local records check is conducted as specified in question #5, a record is found and the district determines that the provider has NOT given the parent/caretaker true and accurate information regarding any indicated reports applicable to the persons specified in question #2.

The additional standard “does not apply” when:

- a. The district determines the provider/person is not subject to the additional standard based on an *exception* specified in question #2.

The district will maintain a file, which documents how the determination was made as to whether or not the additional local standard has been met.

Indicate how frequently the additional local standard will be applied. Answer both questions.

- b. The Standard will be applied:
  - i.  At initial enrollment and re-opening
  - ii.  At each re-enrollment
- c. The district will assess compliance with the additional local standard:
  - i.  *During the enrollment review period*, and, the district will notify the Enrollment Agency of the results within 25 days from the E-Notice referral date.

## GREENE COUNTY – 2017 APU

- ii.  *During the 12-month enrollment period*, and, the district will notify the Enrollment Agency of the results promptly. Note that this option is always applicable to an additional local standard requiring participation in CACFP.

6. Describe the justification for the additional local standard in the space below.

The local district wants to make sure that the providers have told the parent/caretaker applicant about known child protective histories for themselves and any other persons specified in #2. The additional standard supports 18NYCRR (f) (7) (ii), a State requirement for enrollment which requires the provider and relevant site persons have given the parent true and accurate information regarding indicated child protective reports. The additional standard verifies that the provider is telling the truth on the enrollment form. This promotes safer child care for children by verifying that true and accurate information about a child care provider's history has been shared with the child (ren)'s parent/caretaker.

**APPENDIX T**

Transportation, Differential Payment Rates, Enhanced Market Rate for Legally-Exempt Family and In-Home Providers, and Sleep (Optional)

**I. Transportation**

1. Describe any circumstances and limitations the district will use to reimburse for transportation. Include what type of transportation will be reimbursed (public and/or private) and how much your district will pay (per mile or trip). Note that if the district is paying for transportation, the Program Matrix in the Welfare Management System (WMS) should reflect this choice.

No

Yes, describe:

**II. Differential Payment Rates**

1. Districts must complete the Differential Payment Rate Percent (%) column in the table below for each of the four (4) differential payment rate categories. For the two (2) categories that require a state minimum five percent (5%) differential payment rate, the district must enter “5%” or, if it chooses, a higher rate up to 15%.

The other two (2) differential payment rate categories in the table below are optional. If the district chooses not to set differential payment rates, the district must enter zero. If the district chooses to set a differential payment rate, enter the appropriate percentage up to 15 percent (15%). Note that if the district selects a differential payment rate for nationally accredited programs, then that rate must be in the range of five percent (5%) to 15 percent (15%).

<b>Differential Payment Rate Category</b>	<b><i>Differential Payment Rate Percent (%)</i></b>	<b>Instructions for Differential Payment Rate Percent (%) Column</b>
Homelessness: Licensed and Registered Providers <b>State required minimum of 5%</b>	5%	Enter a percentage (%): 5% to 15%. ( <u>Must</u> enter at least <u>5%</u> )
Homelessness: Legally-Exempt Providers	5%	Enter 0% or a percentage (%) up to 15%.

Nationally Accredited Programs: Licensed and Registered Providers	0%	Enter 0% or a percentage (%) from 5% to 15%.

**GREENE COUNTY – 2017 APU**

2. Payments may not exceed 25% above market rate. However, if your district wants to establish a payment rate that is more than 15% above the applicable market rate, describe below why the 25% maximum is insufficient to provide access within the district to accredited programs or care provided during non-traditional hours and/or care provided to children experiencing homelessness.

**III. Enhanced Market Rate for Legally-Exempt Family and In-Home Child Care Providers**

1. Indicate if the district is electing to establish a payment rate that is in excess of the enhanced market rate for legally-exempt family and in-home child care providers who have completed 10 or more hours of training annually and the training has been verified by the legally-exempt caregiver enrollment agency.

No.

Yes. Indicate percent, not to exceed 75% of the child care market rate established for registered family day care.

**IV. Sleep**

1. The following describes the standards the district will use to evaluate whether to pay for child care services while a caretaker that works a second or third shift sleeps, as well as any limitations pertaining to payment:

-verify shift work schedule and need for daycare

-verify that there are non school aged children
