APPENDIX M #1

Reasonable Distance, Recertification Period, Family Share, Very Low Income, Federal and Local Priorities (Required)

I. Reasonable Distance

Define “reasonable distance” based on community standards for determining accessible child care.

1. The following defines “reasonable distance”: For eligible recipients using their own vehicle or public transportation, reasonable distance shall not exceed one hour going one way from home to the day care provider and then the employer. Exceptions will be considered on a case by case basis.
2. Describe any steps/consultations made to arrive at your definition: Historical availability of day care providers, employment opportunities and public transportation available in the Capital Region.

II. Recertification Period

The district’s recertification period for low income child care cases is every (select one):

- six months twelve months

III. Family Share

“Family Share” is the weekly amount paid towards the costs of the child care services by the child’s parent or caretaker. Your district must select a family share percentage from 10% to 35% to use in calculating the amount of family share. The weekly family share of child care costs is calculated by applying the family share percentage against the amount of the family’s annual gross income that is in excess of the State Income Standard divided by 52.

Family Share Percentage selected by the district 35%.

Note: *The family share percentage selected here must match the percentage entered in the Program Matrix in the Welfare Management System (WMS).*

IV. Very Low Income

Define “very low income” as it is used in determining priorities for child care benefits.

“Very Low Income” is defined as 125% of the State Income Standard.

V. Federal and Local Priorities

1. The district must rank the federally mandated priorities. Cases that are ranked 1 have the highest priority for receiving child care assistance. These rankings apply to case closings and case openings.
 - a. Very low income as defined in Section IV: Rank 1 Rank 2 Rank 3
 - b. Families with incomes up to 200% of the State Income Standard that have a child with special needs and a need for child care: Rank 1 Rank 2 Rank 3
 - c. Families with incomes up to 200% of the State Income Standard that are experiencing homelessness: Rank 1 Rank 2 Rank 3
2. Does the district have local priorities?

SCHENECTADY COUNTY – 2017 APU

APPENDIX M #2

Case Openings, Case Closings, and Waiting List (Required)

I. Case Openings When Funds Are Limited

If a social services district does not have sufficient funds to provide child care services to all families who are applying, the district may decide to open certain categories of families as funds become available. The district must open federal priorities first. If the district identified local priorities, they must be opened next. **After the federal and local priorities**, identify the basis upon which the district will open cases if funds become available. Check only **ONE** of the options listed below and describe the process for opening.

1. Open based on **FIRST COME, FIRST SERVED**.
2. Open based on **INCOME**. Check one of the boxes below:
 - The district will open cases starting from the lowest income to the highest income.
 - The district will open cases based on income bands, starting from the lowest income band to the highest income band. List the income bands, starting from the band that will be opened first:

Families whose income is at or below 125% of the State Income Standard

5. Open based on **OTHER CRITERIA**.

Describe the criteria the district will use to select cases to be opened:

II. Case Closings When Sufficient Funds Are Not Available

If a social services district does not have sufficient funds to continue to provide child care assistance to all families in its current caseload, the district may decide to discontinue child care assistance to certain categories of families. The district must close federal priorities last. If the district identified local priorities, they must be closed next to last. **After the federal and local priorities**, describe the basis upon which the district will close cases if sufficient funds are not available.

If no priorities are established beyond the federally mandated priorities and all funds are committed, case closings for families that are not eligible under a child care guarantee and are not under a federally mandated priority must be based on the length of time they have received services (must choose #1 below).

Check only **one** of the options for closing listed below and describe the process for closing.

1. Close based on **AMOUNT OF TIME** receiving child care services.

Check one of the boxes below:

APPENDIX M #3

Fraud and Abuse Control Activities and Inspections (Required)

I. Fraud and Abuse Control Activities

1. Describe below the criteria the district will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payments in addition to procedures for referring such applications to the district's front-end detection system.

Prior fraud

Documents/information inconsistent with application

Children with no birth certificates

Post office box for mailing address

No information on missing parent

Termination of employment

2. Describe the sampling methodology used to determine which cases will require verification of an applicant's or recipient's continued need for child care, including, as applicable, verification of participation in employment, education, or other required activities.

At the re-certification the eligibility worker matches the hours on the authorizations to the bills. Verifications are solicited from employers and programs; discrepancies are referred to the Fraud Unit.

3. Describe the sampling methodology used to determine which providers of subsidized child care services will be reviewed for the purpose of comparing the child care provider's attendance forms for children receiving subsidized child care services with any Child and Adult Care Food Program inspection forms to verify that child care was actually provided on the days listed on the attendance forms.

The Department's process for this is that the Food Program makes phone calls to the Eligibility Unit and asks for information about the number of children authorized to be in the providers' care. Any inconsistencies reported to the eligibility worker/supervisor are referred to the Fraud Unit. The Eligibility Unit will review all referrals from the Food Program.

II. Inspections of Child Care Provider Records and Premises

The district may choose to make announced or unannounced inspections of the records and premises of any provider/program that provides child care for subsidized children for the purpose of determining whether the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the social services district per 18 NYCRR §415.4(h)(3).

The district has the right to make inspections *prior to subsidized children receiving care* of any child care provider, including care in a home, to determine whether the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the district.

2a. Exceptions: There may be instances when the district may be unable to enact the additional standard, such as, the applicable person may reside outside of the district's jurisdiction, or the site of care may not be located within the district. In such cases, the district may create an exception to the applicability stated above.

Note: *The Child Care Facility System cannot track such exceptions and, therefore, the district remains responsible for notifying the applicable Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, that an additional standard is "not applicable" to the specific provider/person named on the referral list.*

Place a check mark below to show any exception to the applicability of this Local Additional Standard to programs or roles previously identified.

- a. The district will not apply this additional local standard when the applicable person *resides* outside of the subsidy-paying district.
- b. The district will not apply this additional local standard when the *program's site of care is located outside* of the subsidy-paying district.
- c. The district will not apply this additional local standard when *the informal provider is younger than 18 years* of age.

3. Districts are responsible for implementation of the additional local standard unless they have a formal agreement or contract with another organization. Check the organization that will be responsible for the implementation of the additional local standard.

Local social services staff
Provide the name of the unit and contact person: Jean Nicholas, Supervisor A, Child Protective Unit

Contracted agency
Provide the name of the agency and contact person:

4. Are there any fees or other costs associated with the additional local standard?

Yes No

Note: *Costs associated with the additional local standard cannot be passed on to the provider.*

5. Describe, in chronological order, the steps for conducting the additional local standard. Include how the district will retrieve referrals from CCFS, communicate with providers and other applicable persons, determine compliance with the additional local standard, inform the Enrollment Agency whether the additional local standard has been "met," "not met", or is "not applicable", and monitor its timeliness. Include all agencies involved and their roles. Note that the district's procedures must be in accordance with 12-OCFS-LCM-01.

The individuals specified in question #2 above will be asked to sign an authorization which will allow the Schenectady County Department of Social Services

SCHENECTADY COUNTY – 2017 APU

(DSS) to conduct a check of the local child welfare records related to the child care attestations for the sole purpose of verifying the accuracy of the information submitted to the parent/caretaker per 18 NYCRR(f)(7)(ii). If the individual specified in question #2 above refuses to sign the authorization, the enrollment package will be considered incomplete and the enrollment process cannot move forward and will be withdrawn by the enrollment agency in accordance with State policy.

To initiate the additional standards check, per 12-OCFS-LCM-01, the Child Care Facility System will automatically generate the E-Notice, LE-CCFS LD-003 Legally-Exempt Additional Standard Referral Notification, to inform the local district that the additional standards check must be conducted. The designated district must run the CCFS report, LE Additional Local Standard Referral List to obtain the list of persons subject to the additional local standard as specified in question # 2 above, to obtain specific information regarding the persons for whom Legally Exempt Additional Standard(s) Review(s) must be conducted.

The Supervisor A of Child Protective Services will conduct the check of the local child welfare database to verify the accuracy of the information submitted to the parent/caretaker. When the local records check reveals that the individual specified in question #2 above is an indicated subject of a child abuse or maltreatment report, the proposed child care provider will be required to submit to Schenectady County DSS a copy of the written statement provided to the parent/caretaker concerning the indicated incident(s). This statement must be signed by the parent/caretaker acknowledging receipt of this information and the parent/caretaker's wish to use this child care provider. If the information regarding the indicated child protective report submitted by the provider does not substantially correlate with the information obtained during the local records check related to the child care attestations, the Schenectady County DSS will notify the provider that he/she has ten (10) calendar days to clarify the discrepancies in the information submitted to the DSS and parent/caretaker.

The determinations will be made as follows:

Not Met:

- If the provider fails to clarify the discrepancies.

Met:

- If the information submitted by the provider correlates with the information obtained from the local database check and the parent/caretaker still chooses to use the provider
- When the local records check does not reveal a record wherein the person was an indicated subject of a child abuse or maltreatment report.
- The Supervisor A of Central Intake Services will fax or email the 2114 form to the enrollment agency indicating whether or not the additional standard has been met.

SCHENECTADY COUNTY – 2017 APU

6. Indicate how frequently the additional local standard will be applied. Answer both questions.
- a. The Standard will be applied:
 - i. At initial enrollment and re-opening
 - ii. At each re-enrollment
 - b. The district will assess compliance with the additional local standard:
 - i. *During the enrollment review period*, and, the district will notify the Enrollment Agency of the results within 25 days from the E-Notice referral date.
 - ii. *During the 12-month enrollment period*, and, the district will notify the Enrollment Agency of the results promptly. Note that this option is always applicable to an additional local standard requiring participation in CACFP.

7. Describe the justification for the additional local standard in the space below.

Legally exempt family child care and in-home care providers are caring for young vulnerable children utilizing tax payer dollars. Ensuring the safety of children in daycare settings is of paramount importance. Providers with extensive histories of child abuse, maltreatment in their families present a heightened risk to these children.
