The state requires a minimum differential of 5% for licensed and registered providers for homelessness and for all providers for non-traditional hours. For these categories, the district must enter "5%" or, if it chooses a higher rate, up to 15%.

The differential payment rate categories for legally exempt providers for homelessness and for nationally accredited programs are optional. If the district chooses not to set differential payment rates, the district must enter zero. If the district chooses to set a differential payment rate, enter the appropriate percentage up to 15 percent (15%). If the district selects a differential payment rate for nationally accredited programs, that rate must be in the range of five percent (5%) to 15 percent (15%). If the district selects a differential payment rate for legally exempt providers for homelessness, the rate may be from 1 percent (1%) to 15 percent (15%).

Differential Payment Rate Category

Part Five: Fraud and Abuse Control Activities

I. Front End Detection System (FEDS) Plan

Each district must submit a CCAP FEDS plan as part of their CFSP. The Front End Detection System (FEDS) is an anti-fraud tool that is designed to identify erroneous or fraudulent information on an assistance application before a case is opened and any benefits are issued.

1. Please mark which of the following indicators, if any, the district uses to determine which CCAP applications suggest a higher than acceptable risk for fraudulent or erroneous CCAP payments:

- P.O. Box supplied as a mailing address without a reasonable explanation
- Applicant has a history of denial, case closing or overpayment, resulting from an investigation
- Applicant is self-employed, but cannot provide adequate business records
- Primary tenant with no utility bills in their name
- Information on application is inconsistent with prior case information
- Applicant unsure of their own address
- Applicant cannot supply documentation to verify identity, or identity is suspect
- Documentation or information provided by applicant is inconsistent with the application
- Child care provider lives in the same household as the child
- No absent parent information or information is inconsistent with the application
- Other
Please specify:

2. Please describe the step-by-step FEDS process for CCAP applications.

a. Describe how the application is reviewed for FEDS indicators and referred to the appropriate

investigative unit:

If there are questions/indicators of possible fraud, the childcare assistance program worker will contact the applicant/recipient for child care asking for additional information or documentation to try and resolve any issues, prior to sending the FEDS referral.

The referral procedure/process for FEDS begins with a referral form from the Child Care Assistance Program worker if there are red flags based on the above indicators. The referral form is reviewed by the Workforce Development Youth Bureau Deputy Commissioner or Deputy Director then submits it to the Principal Social Welfare Examiner who then reviews and submits it to the Commissioner. The time frame for the FEDS referral to completion of fact finding varies based on applicant/recipient interviews and receiving other relevant information.

b. Describe how the referral is sent to the investigative unit and assigned to an investigator:

The Principal Social Welfare Examiner or Commissioner then submits to the Fraud Investigator for fact finding.

c. Describe how the investigator completes a report of investigation which includes findings and recommendations:

Once the Fraud Investigator completes his fact finding investigation, through applicant/recipient interviews, employment verification or other approved activities. The findings are reviewed with the Fraud Investigator, Childcare Assistance Program staff person, Commissioner and Principal Social Welfare Examiner to discuss next steps and recommendations.

d. Describe the process for completing and submitting the Monthly FEDS Report to OCFS by the tenth of the following month including the staff member responsible for submitting the report to OCFS:

The Fraud Investigator submits the FEDS report to OCFS. This includes any cases referred for possible based on the above criteria.

II. Program Integrity

Describe the sampling methodology and review process:

Random samples of two cases per month or 24 for the year for providers participating in the CACFP. Cases are selected alphabetically by last name of the parent that is requesting child care with no duplication of cases for the review.

2. Each social services district must establish a random sampling methodology used to determine which cases will require verification of a recipient's continued need for child care, including, as applicable, verification of participation in employment, education, or other required activities.

Please note: The district cannot use criteria such as race, color, sex, gender identity, sexual orientation, disability, religious creed, political belief or any other factors prohibited by law as indicators in drawing the sample.

Describe the sampling methodology and review process:

The verification of employment information and other qualifying activities is done on all applicants and participants. Proof of employment is through payroll information such as pay stubs, and attendance sheets for other eligible approved activities. These are verified at redetermination which is 12 months.

III. Inspections of Child Care Provider Records and Premises

The district may choose to make announced or unannounced inspections of the records and premises of any provider / program that provides child care to children in receipt of child care assistance to determine if the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the social services district per 18 NYCRR §415.4.
