Appendix M #1: Reasonable Distance, Recertification Period, Family Share, Very Low Income, Federal and Local Priorities

I. Reasonable Distance

Define "reasonable distance" based on community standards for determining accessible child care.

1. The following defines "reasonable distance":

The following defines "reasonable distance": 15 miles or 30 minutes from home. Exceptions will be made for: 1) family member providing care; 2) case by case for more rural areas of the county.

2. Describe any steps/consultations made to arrive at your definition:

Travel between Bath and Corning is approximately 25 minutes. Corning is Steuben's "Industrial Center".

II. Recertification Period

The district's recertification period for low income child care cases is every:

- Six months
- Twelve months

III. Family Share

"Family Share" is the weekly amount paid towards the costs of the child care services by the child's parent or caretaker. Your district must select a family share percentage from 10% to 35% to use in calculating the amount of family share. The weekly family share of child care costs is calculated by applying the family share percentage against the amount of the family's annual gross income that is in excess of the State Income Standard divided by 52.

Family Share Percentage selected by the district:

10%

Additional Description of this Family Share Percentage:

Note: The family share percentage selected here must match the percentage entered in the Program Matrix in the Welfare Management System (WMS).

IV. Very Low Income

Define "very low income" as it is used in determining priorities for child care benefits.

"Very Low Income" is defined as **200%** of the State Income Standard.

V. Federal and Local Priorities

1. The district must rank the federally mandated priorities. Cases that are ranked 1 have the highest priority for receiving child care assistance. These rankings apply to case closings and case openings.

a. Very low income as defined in Section IV:

- Rank 1
- Rank 2
- Rank 3

b. Families with incomes up to 200% of the State Income Standard that have a child with special needs and a need for child care:

- Rank 1
- Rank 2
- Rank 3

c. Families with incomes up to 200% of the State Income Standard that are experiencing homelessness:

- Rank 1
- Rank 2
- Rank 3

2. Does the district have local priorities?

- Yes
- No

If yes, list them below and rank beginning with Rank 4.

Appendix M #2: Case Openings, Case Closings, and Waiting List

I. Case Openings When Funds Are Limited

If a social services district does not have sufficient funds to provide child care services to all families who are applying, the district may decide to open certain categories of families as funds become available. The district must open federal priorities first. If the district identified local priorities, they must be opened next. **After the federal and local priorities**, identify the basis upon which the district will open cases if funds become available. Select one of the options listed below and describe the process for opening.

- 1. Open cases based on **FIRST COME, FIRST SERVED.**

- 2. Open cases based on **INCOME**.

If opening based on income...

- The district will open cases starting from the lowest income to the highest income.
- The district will open cases based on income bands, starting from the lowest income band to the highest income band.

If using income bands, list the bands, starting from the one that will be opened first:

Case openings would follow this methodology, special needs children would be opened first then cases with Families who are experiencing homelessness then cases with income 100-110%, 111-120%, 121-130%, 131-140%, 141-150%, 151-200%

- 3. Open cases based on **CATEGORY OF FAMILY**.
- 4. Open cases based on **INCOME AND CATEGORY OF FAMILY**.
- 5. Open cases based on **OTHER CRITERIA**.

II. Case Closings When Sufficient Funds Are Not Available

If a social services district does not have sufficient funds to continue to provide child care assistance to all families in its current caseload, the district may decide to discontinue child care assistance to certain categories of families. The district must close federal priorities last. If the district identified local priorities, they must be closed next to last. **After the federal and local priorities**, describe the basis upon which the district will close cases if sufficient funds are not available.

If no priorities are established beyond the federally mandated priorities and all funds are committed, case closings for families that are not eligible under a child care guarantee and are not under a federally mandated priority must be based on the length of time they have received services (must choose #1 below).

Select one of the options listed below and describe the process for closing.

- 1. Close cases based on **AMOUNT OF TIME** receiving child care services.
- 2. Close cases based on **INCOME**.

If closing based on income...

- The district will close cases starting from the highest income to the lowest income.
- The district will close cases based on income bands, starting from the highest income band to the lowest income band.

If using income bands, list the bands, starting from the one that will be closed first:

Reduction in caseloads would follow this methodology starting with cases with income 200-151%, 150-141%, 140-131%, 130-121%, 120-111%, 110-100% and then those experiencing homelessness and then those cases with special needs children.

- 3. Close cases based on **CATEGORY OF FAMILY**.
- 4. Close cases based on **INCOME AND CATEGORY OF FAMILY**.

5. Close cases based on **OTHER CRITERIA.**

III. Waiting List

The district will establish a waiting list when there are not sufficient funds to open all eligible cases.

- No
 Yes

Appendix M #3: Fraud and Abuse Control Activities and Inspections

I. Fraud and Abuse Control Activities

1. Describe below the criteria the district will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payments in addition to procedures for referring such applications to the district's front-end detection system.

Criteria will be defined under the approved Front End Detection (FEDS) Plan as submitted by Steuben County and approved by the OCFS Office of Audit and Quality Control.

2. Describe the sampling methodology used to determine which cases will require verification of an applicant's or recipient's continued need for child care, including, as applicable, verification of participation in employment, education, or other required activities.

The district cannot use criteria such as the age of provider, the gender of provider, a post office box address, or evidence that the child lives in the same residence as the provider as indicators in drawing the sample.

All subsidy recipients go through the recertification process every 6 months. All documentation is requested, including employment and income verification.

3. Describe the sampling methodology used to determine which providers of subsidized child care services will be reviewed for the purpose of comparing the child care provider's attendance forms for children receiving subsidized child care services with any Child and Adult Care Food Program inspection forms to verify that child care was actually provided on the days listed on the attendance forms.

The Director of Finance, LDSS will receive a current list of CACFP participants from sponsor quarterly. The Director will randomly select a sampling of six per month to review and compare food program monitoring sheets to the subsidy time sheets with the sponsor.

II. Inspections of Child Care Provider Records and Premises

The district may choose to make announced or unannounced inspections of the records and premises of any provider/program that provides child care for subsidized children to determine if the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the social services district per 18 NYCRR §415.4(h)(3).

The district has the right to make inspections *prior to subsidized children receiving care* of any child care provider, including care in a home, to determine whether the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the district.

The district must report violations of regulations as follows:

1. Violations by a licensed or registered child care provider must be reported to the applicable Office of Children and Families (OCFS) Regional Office.
2. Violations by an enrolled or enrolling legally-exempt child care provider must be reported to the applicable Enrollment Agency.

Does the district choose to make inspections of such child care providers/programs?

- No.
- Yes. Provide the details of your inspections plan below.

The following *types* of subsidized child care providers/programs are subject to this requirement:

Legally-Exempt Child Care

- In-Home
- Family Child Care
- Group programs not operating under the auspices of another government agency
- Group programs operating under the auspices of another government agency

Licensed or Registered Child Care

- Family Day Care
- Registered School-Age Child Care
- Group Family Day Care
- Day Care Centers
- Small Day Care Centers

Appendix Q: Additional Local Standards for Child Care Providers

The district may propose local standards in addition to the State standards for legally-exempt providers who will receive child care subsidies issued by the district. This appendix must be completed for **each** additional local standard that the district wants to implement.

The district must coordinate with the local Enrollment Agency, including, but not limited to:

- Informing the Enrollment Agency of the intent to request an additional standard.
- Developing the stepwise process referenced in Question 5.
- Ensuring that no significant burden of work shall be incurred by the Enrollment Agency as a result of the additional local standard, unless such work is addressed in a separate contract or a formal agreement is in place, which are referenced in Question 3.
- Sharing any consent/release form that may be required.
- Keeping the Enrollment Agency informed of the approval status.

1. Select the additional local standard that will be required of child care providers/programs.

Verification, using the district's local records, that the provider has given the caretaker complete and accurate information regarding any report of child abuse or maltreatment in which he or she is named as an indicated subject

Local criminal background check

Require providers caring for subsidized children for 30 or more hours a week participate in the Child and Adult Care Food Program (CACFP).

Note that districts are required to notify the Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, of all providers on the referral list for whom the requirement is "not applicable."

2a. Exceptions: There may be instances when the district may be unable to enact the additional standard, such as, the applicable person may reside outside of the district's jurisdiction, or the site of care may not be located within the district. In such cases, the district may create an exception to the applicability stated above.

Note: The Child Care Facility System cannot track such exceptions and, therefore, the district remains responsible for notifying the applicable Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, that an additional standard is "not applicable" to the specific provider/person named on the referral list.

Place a check mark below to show any exception to the applicability of this Local Additional Standard to programs or roles previously identified.

a. The district will not apply this additional local standard when the applicable person **resides** outside of the subsidy-paying district.

b. The district will not apply this additional local standard when the **program's site of care is located outside** of the subsidy-paying district.

c. The district will not apply this additional local standard when **the informal provider is younger than 18 years** of age.

3. Districts are responsible for implementation of the additional local standard unless they have a formal agreement or contract with another organization. Check the organization that will be responsible for the implementation of the additional local standard.

Local social services staff

Provide the name of the unit and contact person:

Lisa Baker, Director of Temporary & Disability Assistance or Lise Reynolds, Deputy

- Contracted agency (must correspond to Appendix K, Question 3b)
Provide the name of the agency and contact person:

Note: Costs associated with the additional local standard cannot be passed on to the provider.

4. Are there any fees or other costs associated with the additional local standard?

- Yes
 No

Note: Costs associated with the additional local standard cannot be passed on to the provider.

5. Describe, in chronological order, the steps for conducting the additional local standard. Include how the district will retrieve referrals from CCFS, communicate with providers and other applicable persons, determine compliance with the additional local standard, inform the Enrollment Agency whether the additional local standard has been "met," "not met" or is "not applicable" and monitor its timeliness. Include all agencies involved and their roles. Note that the district's procedures must be in accordance with 12-OCFS-LCM-01.

The local district will include a Steuben County "Authorization and Release" and a Steuben County "Child Abuse and Maltreatment History Attestation Form" in the enrollment packets it distributes to parent/caregiver. A completed and signed Steuben County "Authorization and Release" form will enable Steuben County Department of Social Services to conduct a search of local child welfare records. The individuals specified in question #2 above will be asked to sign and date the Steuben County "Authorization and Release" form. The database records check will be required only for the types of child care specified in question #2 and will be required only to persons in the roles specified in question # 2. The signed Steuben County "Authorization and Release" in question #2 is required for all persons in the roles, for the enrollment packet to be considered complete. If any of the individuals checked in question #2 above refuses to sign the Steuben County "Authorization and Release" form, which would allow Steuben County Department of Social Services to review only the existing local Steuben County child welfare records related to child care, the enrollment package will be considered incomplete and the enrollment process will move forward and will be withdrawn by the Enrollment Agency in accordance with State policy.

To initiate the additional standards check, per 12-OCFS-LCM-01, the Child Care Facility System will automatically generate the E-Notice, LE-CCFS LD-003 Legally-Exempt Additional Standard Referral Notification, to inform the local district that the additional standards check must be conducted. The designated district must run the CCFS report, LE Additional Local Standard Referral List to obtain the list of persons (as specified in question # 2 above) for whom Legally Exempt Additional Standard(s) Review(s) must be conducted and other pertinent information.

The local district will conduct the check of the local database to determine if an individual checked in question #2 above is an indicated subject of a child abuse or maltreatment report. If the check of local records check reveal that an individual specified in question #2 above is an indicated subject of a child abuse or maltreatment, the provider will be notified that they have 10 calendar days to complete, sign, and return the Steuben County "Child Abuse and Maltreatment History Attestation Form", to Steuben County DSS. After the local district receives the completed and signed attestation form, they will compare the information from the local database search with the attestation form.

If there are discrepancies with the local database check and the attestation form, the information provided by the provider will be considered inaccurate. If the local district determines there are discrepancies between the authorization/release form and the attestation, the local district will notify the provider of the inaccuracies.

Once the provider is notified of the inaccuracies, the provider will have 5 calendar days to submit a signed, amended version of the Steuben County "Child Abuse and Maltreatment Attestation Form" to

show that the local district's information is correct or inaccurate.

After the amended attestation form is returned, the local district will determine if there are any remaining discrepancies between the authorization/release form and the attestation.

The Steuben County Department of Social Services will make the determination on compliance with the additional standard as follows:

MET:

- when the local records check does not reveal a record wherein the person was an indicated subject of a child abuse or maltreatment report.
- If the information regarding the indicated child protective report submitted by the provider to the parent/caretaker and the district correlates with the information obtained from the local database check and the parent/caretaker still chooses to use the provider, the Enrollment Agency will be notified that the additional standard has been met.

NOT MET:

- If the Child Abuse and Maltreatment Attestation Form is not returned.
- If the provider fails to clarify the discrepancies.
- NOT APPLICABLE:
- When the informal provider is younger than 18 years of age.
- The district will maintain a file, which documents how the determination was made as to whether or not the additional local standard has been met.

In accordance with 12-OCFS-LCM-01, Steuben County Department of Social Services will complete the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, and send it to the applicable Enrollment Agency to notify the Enrollment Agency of the determination.

6. Indicate how frequently the additional local standard will be applied. Answer both questions.

1. The Standard will be applied:

- At initial enrollment and re-opening
- At each re-enrollment

2. The district will assess compliance with the additional local standard:

- During the enrollment **review** period*, and the district will notify the Enrollment Agency of the results within 25 days from the E-Notice referral date.
- During the 12-month enrollment period*, and the district will notify the Enrollment Agency of the results promptly. Note that this option is always applicable to an additional local standard requiring participation in CACFP.

7. Describe the justification for the additional local standard in the space below.

The additional standard supports 18 NYCRR 415.4(f)(7)(ii), a State requirement for enrollment which requires the provider and relevant site persons have given the parent true and accurate information regarding indicated child protective reports. The additional standard verifies the provider is telling the truth on the enrollment form. This promotes safer child care for children by verifying that true and accurate information about a caregiver's history has been shared with the child(ren)'s parent/caretaker.

The district may propose local standards in addition to the State standards for legally-exempt providers who will receive child care subsidies issued by the district. This appendix must be completed for **each** additional local standard that the district wants to implement.

The district must coordinate with the local Enrollment Agency, including, but not limited to:

- Informing the Enrollment Agency of the intent to request an additional standard.
- Developing the stepwise process referenced in Question 5.
- Ensuring that no significant burden of work shall be incurred by the Enrollment Agency as a result of the additional local standard, unless such work is addressed in a separate contract or a formal agreement is in place, which are referenced in Question 3.
- Sharing any consent/release form that may be required.
- Keeping the Enrollment Agency informed of the approval status.

1. Select the additional local standard that will be required of child care providers/programs.

Verification, using the district's local records, that the provider has given the caretaker complete and accurate information regarding any report of child abuse or maltreatment in which he or she is named as an indicated subject

2a. Exceptions: There may be instances when the district may be unable to enact the additional standard, such as, the applicable person may reside outside of the district's jurisdiction, or the site of care may not be located within the district. In such cases, the district may create an exception to the applicability stated above.

Note: The Child Care Facility System cannot track such exceptions and, therefore, the district remains responsible for notifying the applicable Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, that an additional standard is "not applicable" to the specific provider/person named on the referral list.

Place a check mark below to show any exception to the applicability of this Local Additional Standard to programs or roles previously identified.

The district will conduct a local criminal history background check to verify the accuracy of the attestations pertaining to the criminal history of the individuals checked in question #2 above. In the enrollment package, the district will provide release forms, which will authorize local criminal history database checks. The individuals checked in question #2 above will be required to sign a release which will allow our Department to conduct a local criminal history check. The individual will be instructed to return the enrollment package to the enrollment agency including the signed release form. If the individual checked in question #2 above refuses to sign an authorization for a local criminal background check, the enrollment package will be considered incomplete, the enrollment process cannot move forward and the enrollment package will be withdrawn by the enrollment agency.

To initiate the additional standards check, per 12-OCFS-LCM-01, the Child Care Facility System will automatically generate the E-Notice, LE-CCFS LD-003 Legally-Exempt Additional Standard Referral Notification, to inform the local district that the additional standards check must be

conducted. The designated district must run the CCFS report, LE Additional Local Standard Referral List to obtain the list of persons (as specified in question # 2 above) for whom Legally Exempt Additional Standard(s) Review(s) must be conducted and other pertinent information.

For referred providers, the district will arrange for a local database check for criminal convictions to be conducted by Steuben County Sheriff's Department. If the search results in a conviction, the day care staff will provide the conviction information to the enrollment agency.

In accordance with 12-OCFS-LCM-01, Steuben County Department of Social Services will complete the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, and send it to the applicable Enrollment Agency to notify the Enrollment Agency of the determination.

1. A legally-exempt family child care provider who provides care on an average of 30 hours or more per week is required to fully participate in the Child and Adult Care Food Program (CACFP) as a condition of enrollment to provide child care subsidized by the Steuben County Department of Social Services or it's contracted agent.

In accordance with OCFS guidance and the specifics of this additional standard, the Steuben County Legally Exempt Family Child Care Additional Standard Acknowledgement Agreement form is required for the enrollment packet to be considered complete. When the Steuben County Legally Exempt Family Child Care Additional Standard Acknowledgement Agreement form is not received or not complete, the enrollment cannot progress and, in accordance with OCFS guidance, the packet will be withdrawn if the provider does not submit a completed Steuben County Legally Exempt Family Child Care Additional Standard cknowledgement Agreement form within the mandatory timeframes.

5. Through E-Notices and reports, the Child Care Facility System will notify the Steuben County Department of Social Services of all enrolling/enrolled/re-enrolling family-child care providers for whom the additional standard process may be applicable. The Steuben County Department of Social Services must run the LD Additional Standard Referral List in CCFS to obtain the list of enrolling/enrolled/re-enrolling family-child care providers for whom a determination of applicability is

required.

Yes

2. If the district will reimburse for transportation, describe any circumstances and limitations the district will use to reimburse. Include what type of transportation will be reimbursed (public and/or private) and how much your district will pay (per mile or trip). Note that if the district is paying for transportation, the Program Matrix in the Welfare Management System (WMS) should reflect this choice.

II. Differential Payment Rates

1. Districts must complete the Differential Payment Rate Percent (%) column in the table below for each of the four (4) differential payment rate categories. For the two (2) categories that require a state minimum five percent (5%) differential payment rate, the district must enter "5%" or, if it chooses, a higher rate up to 15%.

The other two (2) differential payment rate categories in the table below are optional. If the district chooses not to set differential payment rates, the district must enter zero. If the district chooses to set a differential payment rate, enter the appropriate percentage up to 15 percent (15%). Note that if the district selects a differential payment rate for nationally accredited programs, then that rate must be in the range of five percent (5%) to 15 percent (15%).

Differential Payment Rate Category	Differential Payment Rate Percent	Instructions
Homelessness: Licensed and Registered Providers State required minimum of 5%	5%	Enter a percentage (%): 5% to 15%. (Must enter at least 5%)
Homelessness: Legally-Exempt Providers	0%	Enter 0% or a percentage (%) up to 15%.
Non-traditional Hours: All Providers State required minimum of 5%	10%	Enter a percentage (%): 5% to 15%. (Must enter at least 5%)
Nationally Accredited Programs: Licensed and Registered Providers <i>Legally-exempt child care providers are not eligible for a differential payment rate for accreditation.</i>	10%	Enter 0% or a percentage (%) from 5% to 15%.

2. Generally, differential payment rates may not exceed 25% above the applicable market rate or actual cost of care. However, a district may request a waiver from the Office to establish a payment rate that is in excess of 25% above the applicable market rate upon showing that the 25% maximum is insufficient to provide access within the district to child care providers or services that offer care addressing more than one of the differential payment rate categories. However, if your district wants to establish a payment rate that is more than 25% above the applicable market rate, describe below why the 25% maximum is insufficient to provide access to such child care providers or services.

III. Increased Enhanced Market Rate for Legally-Exempt Family and In-Home Child Care Providers

1. The enhanced market rate for legally-exempt family and legally-exempt in-home child care providers who have completed 10 or more hours of training annually is a 70% differential applied to the market rates established for registered family day care. Indicate if the district is electing to establish a payment rate that is in excess of the enhanced market rate for legally-exempt family and in-home child care providers who have completed 10 or more hours of training annually and the training has been verified by the legally-exempt caregiver enrollment agency.

- No
- Yes

2. If yes, indicate the percent (71%–75%), not to exceed 75% of the child care market rate established for registered family day care.

75%

IV. Enhanced Market Rates for Legally-Exempt Group Child Care Programs
