SUZANNE MILES-GUSTAVE, ESQ.
Acting Commissioner

August 31, 2023

Dear Chief Executive Officer,

Thank you for submitting Chenango County's Supervision and Treatment Services for Juveniles Program (STSJP) plan for Program Year (PY) 2023-2024. Your entire STSJP plan, including any amounts listed for PY 2023-2024 STSJP-RTA, has been **approved**.

The County is eligible to receive 62% State reimbursement for STSJP expenditures up to the capped STSJP allocation amount. Your municipality will continue to receive 49% State reimbursement for eligible detention services expenditures up to the capped allocation amount. If your municipality shifts a portion of its detention allocation into its STSJP plan, your municipality will receive 62% State reimbursement, up to the capped allocation, if such shifted funds are spent on STSJP eligible expenditures. A municipality may make a detention allocation shift at the time of the STSJP plan submission or up until June 30, 2024, unless otherwise approved by the Office of Children and Family Services.

If the County plans to shift its detention allocation for STSJP eligible expenses, please submit a request on official letterhead to Lynn Tubbs and email it to stsjp@ocfs.ny.gov outlining

1. the amount that will be shifted and
2. the type of programming or services the re-purposed detention funds will be used for under STSJP

Once the shift is approved, an amended STSJP plan will need to be submitted.

As a reminder, to access RTA reimbursement that a municipality may be eligible for, the expenditures must be specifically included in a locality's comprehensive RTA plan.

All STSJP claims, inclusive of STSJP-RTA, must be submitted electronically via the Juvenile Detention Automated System (JDAS) for the service period of October 1, 2023, to September 30, 2024. Questions on all aspects of the claiming process should be directed to the STSJP mailbox at stsjp@ocfs.ny.gov with the subject line: "STSJP Claiming Questions".

If you have any STSJP plan questions, please also email us at stsjp@ocfs.ny.gov and write "STSJP Plan Questions" in the subject line or reach out to Lynn Tubbs at (518) 473-9116.

Thank you for your continued partnership as we reform the juvenile justice practices in New York State by safely engaging youth and their families through innovative programming to reduce out of home placement and detention of youth.

Sincerely,

PART I – MUNICIPALITY LEVEL DETAILS
A. Municipality Level Analysis
<ol style="list-style-type: none"> <ol style="list-style-type: none"> Identify the communities or neighborhoods (ZIP codes) from which the highest number of Youthful Offenders (YO), Adolescent Offenders (AO), Juvenile Offenders (JO), Juvenile Delinquents (JD), and Persons in Need of Supervision (PINS) enter the youth justice system, are remanded to detention, and/or are residentially placed; and Discuss what factors may be contributing to these high numbers: <p>Chenango County has a small number of youth who would fit into the above listed populations. Chenango County has two communities with the highest numbers of YO, AO, JO, JD, and PINS population. They are the two larger municipalities within the county, Norwich and Sherburne. Norwich (13815) is the county seat and has an approximate population of 6540 people. The town of Sherburne (13460) has an approximate population of 1307 people. These two school districts refer the most children for PINS Diversion Services. The population density in these areas may play a role. The youth's lack of involvement in the school community and the community in which they reside is also a factor contributing to their status. Youth in Chenango County that are involved in their school community as well as the community in which they reside have less juvenile justice involvement. They tend to have some buy in into keeping their community safe.</p> Resources available at the following link can help you answer these questions: https://www.ocfs.ny.gov/programs/youth/stsjp/planning.php <ol style="list-style-type: none"> In the charts below, please provide the municipality's distributions by race, ethnicity, and sex assigned at birth for the general population of youth younger than 18, and for the detained and placed population of youth. b) If you identified any disparities when comparing youth representation in the general population and their representation in detention and placement, explain how this plan will address those disparities. If you did not identify any disparities, please note such.

No disparities. We only had one placement and no detention stays.

B. Local Collaboration

1. Legislation requires local collaboration. Please describe your municipality's activities in developing this year's STSJP plan in collaboration with local agencies responsible for probation, law enforcement, detention, diversion, social services, courts, service providers, schools, and youth development programs:

The Place is a contract agency that receives STSJP funding from Chenango County. They develop the plan with the Department of Social Services and seek input from various other providers in the county including probation and the youth bureau. Surveys are also conducted with the participants of the programs. The programming is adjusted when possible and/or necessary. The Place has run some programs virtually for those that cannot make to in person programs.

2. Is your municipality gathering participant youth and family feedback as part of your STSJP plan development?

Yes. (If yes, please describe how the plan incorporates that feedback at the system level, e.g., funding and service continuum decisions.)

No. (If no, please describe the barriers to implementation and the municipality's solutions to develop such feedback mechanism during PY 2023-2024.)

The Place has developed a Youth Advisory Counsel that gives input on local programming and the needs of the Youth in the community. They seek out Youth with lived experience in the child welfare or juvenile justice systems.

3. Was community feedback in low opportunity ZIP codes sought as part of the STSJP plan development?

Yes. (If yes, please describe how the plan incorporates that feedback at the system level, e.g., funding and service continuum decisions.)

No. (If no, please describe the barriers to implementation and the municipality's solutions to develop such feedback mechanism during PY 2023-2024.)

The programs STSJP supports are available to all zip codes within Chenango County and each participant has the opportunity to give feedback. The programming is adjusted when possible and/or necessary. The Place has run some programs virtually for those that cannot make it to in person programs. The Youth Advisory Council provides feedback that on what programming they'd like to have and would find beneficial. The department had periodic meetings with local school districts as well as the probation department to elicit feedback on programming offered.

PART III – Goals for PY 2023-2024

Please set the municipality’s goals for its programs to achieve in PY 2023-2024. State-required outcomes have been included with space for you to identify which programs in **Part II-Program Level Details** will serve youth within each service domain. Goals are focused by service type and should reflect the percentage of youth expected to achieve the outcome described. **Note:** Outcomes are only recorded for youth once they have left the program; this may represent a subset of all the youth served during the period. Goals should reflect high, yet realistic, expectations for the programs.
