SHEILA J. POOLE
Commissioner

October 26, 2022

Dear Chief Executive Officer,

Thank you for submitting Greene County's Supervision and Treatment Services for Juveniles Program (STSJP) plan for Program Year (PY) 2022-2023. Your entire STSJP plan, including any amounts listed for PY 2022-2023 STSJP-RTA, has been **approved**.

The County is eligible to receive 62% State reimbursement for STSJP expenditures up to the capped STSJP allocation amount. Your municipality will continue to receive 49% State reimbursement for eligible detention services expenditures up to the capped allocation amount. If your municipality shifts a portion of its detention allocation into its STSJP plan, your municipality will receive 62% State reimbursement, up to the capped allocation, if such shifted funds are spent on STSJP eligible expenditures. A municipality may make a detention allocation shift at the time of the STSJP plan submission or up until June 30, 2023, unless otherwise approved by the Office of Children and Family Services.

If the County plans to shift its detention allocation for STSJP eligible expenses, please submit a request on official letterhead to Lynn Tubbs and email it to stsjp@ocfs.ny.gov outlining

1. the amount that will be shifted and
2. the type of programming or services the re-purposed detention funds will be used for under STSJP

Once the shift is approved, an amended STSJP plan will need to be submitted.

As a reminder, to access RTA reimbursement that a municipality may be eligible for, the expenditures must be specifically included in a locality's comprehensive RTA plan.

All STSJP claims, inclusive of STSJP-RTA, must be submitted electronically via the Juvenile Detention Automated System (JDAS) for the service period of October 1, 2022 to September 30, 2023. Questions on all aspects of the claiming process should be directed to the STSJP mailbox at stsjp@ocfs.ny.gov with the subject line: "STSJP Claiming Questions".

If you have any STSJP plan questions, please also email us at stsjp@ocfs.ny.gov and write "STSJP Plan Questions" in the subject line or reach out to Geneva Hilliard at (518) 486-1819 or Lynn Tubbs at (518) 473-9116.

Thank you for your continued partnership as we reform the juvenile justice practices in New York State by safely engaging youth and their families through innovative programming to reduce out of home placement and detention of youth.

Sincerely,

NOTE: Cooperative Applications submitted jointly by two or more counties

Counties submitting such applications must provide additional information under **Part I - Municipality Level Details, Section C. Cooperative Application.**

PART I – MUNICIPALITY LEVEL DETAILS

A. Municipality Level Analysis

- Identify the communities or neighborhoods (ZIP codes) from which the highest number of Youthful Offenders (YO), Adolescent Offenders (AO), Juvenile Offenders (JO), Juvenile Delinquents (JD), and Persons in Need of Supervision (PINS) enter the youth justice system, are remanded to detention, and/or are residentially placed; and
 - Discuss what factors may be contributing to these high numbers:

Catskill is the largest municipality and the County seat, zip code 12414. This zip code serves the village of Catskill and one additional township. It also has a large, low-income housing project, and several DSS-utilized motels for the homeless. Families tend to stay in the area, due to the availability of various services. However, several of the other school districts have also had youth involved with the juvenile justice system. The factors that seem to lead to youth entering the juvenile justice system include family conflict and limited skills in responding effectively to adolescent youth and substance abuse issues.
- Resources available at the following link can help you answer these questions:
<https://www.ocfs.ny.gov/programs/youth/stsjp/planning.php>
 - In the charts below, please provide the municipality's distributions by race, ethnicity, and sex assigned at birth for the general population of youth younger than 18, and for the detained and placed population of youth younger than 18. (**Note:** Every July, the National Center for Health Statistics releases population data for the previous year. The population data you are being asked to report on was the latest available at the time OCFS updated the contents of this plan. For the Placement Admissions data, please add together county data from Tables 1b, 6b, and 7b of the Annual Out of Home Placement Admissions Data Packet.)

Race/Ethnicity	2020 General Population <18 years		2021 Detention Admissions <18 years		2021 Placement Admissions <18 years	
	#	%	#	%	#	%
Black/African American	477	6	1	33	2	67
White	6209	82	1	33	1	33
Native American/Alaskan	30	0	0	0		
Asian/Pacific Islander	110	1	0	0		
Hispanic	789	10	1	33	0	0

Sex Assigned at Birth	2020 General Population <18 years		2021 Detention Admissions <18 years		2021 Placement Admissions <18 years	
	#	%	#	%	#	%
Male	3962	52	2	67	3	100
Female	3653	48	1	33	0	0

b) If you identified any disparities when comparing youth representation in the general population and their representation in detention and placement, explain how this plan will address those disparities. If you did not identify any disparities, please note such.

While Greene County has a majority white population, at this time we do not see a particular disparity, based on such a small numbers of youth being detained and placed out of their homes. Based on a case by case review of those we know to have been either detained or placed in 2021, our records are not the same as what is presented in the graphs. We are not aware of any Hispanic or White youths having been detained or placed, nor of any females.

B. Local Collaboration

1. Legislation requires local collaboration. Please describe your municipality’s activities in developing this year’s STSJP plan in collaboration with local agencies responsible for probation, law enforcement, detention, diversion, social services, courts, service providers, schools, and youth development programs:

This plan is submitted in conjunction with the County's overall RTA plan, which has involved collaboration with LDSS and the County Administrator. Probation provides JD intake, with PINS diversion now provided by the Greene County Youth Bureau at an early stage, and if unsuccessful at that level, by LDSS in a more formal PINS diversion effort, with additional services applied. Frequent case discussions occur between Probation, LDSS, and Youth Bureau staff on matters of mutual concern.

2. How is your municipality gathering participant youth and family feedback as part of your STSJP plan development?

In general, we have not been collecting direct feedback from youth and families. Describe how the plan incorporates that feedback; if you have not yet received youth and family feedback, please describe the barriers to implementation and the municipality’s solutions to develop such feedback mechanisms during PY 2022-2023.

We did not develop a survey or set of questions to gather family and youth feedback to inform us as we developed this plan, because the 2021-2022 program plan was only approved in June of 2022. Our goal continues to be gathering family and youth feedback via Single Point of Access (SPOA) meetings when youth and families are present, and from school-based providers/groups. Our Local DSS has various outside service providers that compile information re: program participation, and it is anticipated that we will be able to utilize this information for this plan cycle.

3. Was community feedback in high-need ZIP codes (A.1.) sought as part of the STSJP plan development?

Yes. (If yes, please describe how the plan incorporates that feedback);

No. (If no, please describe the barriers to implementation and the municipality's solutions to develop such feedback mechanism during PY 2022-2023).

We were unable to organize community meetings as intended in our high need zip code areas, because the 2021-2022 program plan was only approved in June of 2022. Our goal continues to be to obtain this information via community meetings. Our Local DSS has various outside service providers that compile information re: program youth and family participation, and will be able to utilize this information.

C. Cooperative Application (Complete this section only if this is a joint application.)

1. Describe the provisions for the proportionate cost to be borne by each county.

2. Describe how personnel will be compensated across and between counties in the cooperative:

3. Will a single fiscal officer be the custodian of the funds made available for STSJP?

Yes. (If Yes, please provide their contact details below.)

No. (If No, skip to Q.4.)

Officer's Name:		Title:
Phone: ()	Ext:	Email:

4. Provide the name and email address of the person who will be responsible for collecting and submitting STSJP data for joint-funded programs, as well as the names and email addresses of the fiscal officers responsible for joint-funded programs:

Goals should reflect high, yet realistic, expectations for the programs.
