

Office of Children and Family Services

KATHY HOCHUL
Governor

SUZANNE MILES-GUSTAVE, ESQ.
Acting Commissioner

January 17, 2024

Dear Chief Executive Officer,

Thank you for submitting Lewis County's Supervision and Treatment Services for Juveniles Program (STSJP) plan for Program Year (PY) 2023-2024. Your entire STSJP plan, including any amounts listed for PY 2023-2024 STSJP-RTA, has been **approved**.

The County is eligible to receive 62% State reimbursement for STSJP expenditures up to the capped STSJP allocation amount. Your municipality will continue to receive 49% State reimbursement for eligible detention services expenditures up to the capped allocation amount. If your municipality shifts a portion of its detention allocation into its STSJP plan, your municipality will receive 62% State reimbursement, up to the capped allocation, if such shifted funds are spent on STSJP eligible expenditures. A municipality may make a detention allocation shift at the time of the STSJP plan submission or up until June 30, 2024, unless otherwise approved by the Office of Children and Family Services.

If the County plans to shift its detention allocation for STSJP eligible expenses, please submit a request on official letterhead to Lynn Tubbs and email it to stsjp@ocfs.ny.gov outlining

1. the amount that will be shifted and
2. the type of programming or services the re-purposed detention funds will be used for under STSJP

Once the shift is approved, an amended STSJP plan will need to be submitted.

As a reminder, to access RTA reimbursement that a municipality may be eligible for, the expenditures must be specifically included in a locality's comprehensive RTA plan.

All STSJP claims, inclusive of STSJP-RTA, must be submitted electronically via the Juvenile Detention Automated System (JDAS) for the service period of October 1, 2023, to September 30, 2024. Questions on all aspects of the claiming process should be directed to the STSJP mailbox at stsjp@ocfs.ny.gov with the subject line: "STSJP Claiming Questions".

If you have any STSJP plan questions, please also email us at stsjp@ocfs.ny.gov and write "STSJP Plan Questions" in the subject line or reach out to Lynn Tubbs at (518) 473-9116.

Thank you for your continued partnership as we reform the juvenile justice practices in New York State by safely engaging youth and their families through innovative programming to reduce out of home placement and detention of youth.

Sincerely,

PART I – MUNICIPALITY LEVEL DETAILS

A. Municipality Level Analysis

- Identify the communities or neighborhoods (ZIP codes) from which the highest number of Youthful Offenders (YO), Adolescent Offenders (AO), Juvenile Offenders (JO), Juvenile Delinquents (JD), and Persons in Need of Supervision (PINS) enter the youth justice system, are remanded to detention, and/or are residentially placed; and
 - Discuss what factors may be contributing to these high numbers:
Our overall AO and JD numbers are extremely low. Lewis County is a rural county with a population of approximately 26,000. Lowville is the county seat and nearly all available resources are housed in the Lowville area. The programs we have are available to youth in all areas of the county. In reviewing our JD population over the past five years, most of our youth who experience difficulties reside in the central region, Lowville (13367) and the southern region, Port Leyden (13433). The factors contributing to this may be as simple as the fact that the Lowville Academy and South Lewis Central School's house the greatest number of students/families. The southern region of the county experiences the largest economic issues within the county. There are limited programs and activities for at risk youths in these areas of the county as well. Given the rural nature of Lewis County, individualized planning is imperative; ideas and models are then replicated or referred to.
- Resources available at the following link can help you answer these questions:
<https://www.ocfs.ny.gov/programs/youth/stsjp/planning.php>
 - In the charts below, please provide the municipality's distributions by race, ethnicity, and sex assigned at birth for the general population of youth younger than 18, and for the detained and placed population of youth. For the placement admissions data, please add together county data from Tables 1b-Total OCFS Facility Admissions by Sex, Race/Ethnicity and Age, 6b-JD Foster Care Admissions by Sex, Race/Ethnicity and Age and 7b-PINS Post-Dispositional Foster Care Admissions by Sex, Race/Ethnicity and Age from [Annual Out of Home Placement Admissions Data Packet](#)

Race/Ethnicity	2020 General Population <18 years		2022 Detention Admissions		2022 Placement Admissions	
	#	%	#	%	#	%
Black/African American	73	1%	0	0%	0	0%
White	5,707	96%	2	100%	0	0%
Native American/Alaskan	15	0%	0	0%		
Asian/Pacific Islander	33	1%	0	0%		
Hispanic	116	2%	0	0%	0	0%

Female	2,896	49%	0	0%	0	0%

b) If you identified any disparities when comparing youth representation in the general population and their representation in detention and placement, explain how this plan will address those disparities. If you did not identify any disparities, please note such.

There is no racial/ethnic disparity in our local system's use of detention or residential placement, serviced youths were Caucasian which corresponds with the majority of our population.

B. Local Collaboration

1. Legislation requires local collaboration. Please describe your municipality's activities in developing this year's STSJP plan in collaboration with local agencies responsible for probation, law enforcement, detention, diversion, social services, courts, service providers, schools, and youth development programs:

Given the rural composition of our county, we realize the importance of working in conjunction with a variety of agencies to ensure the best possible outcome for the juveniles and families. Our Commissioner of Social Services serves as joint chair of the CCSI/Priorities Council. As Director of Probation, I am actively involved in the Priorities Council and work closely with DSS and the various other agencies, including schools (we have a Community Schools project in Lewis County and a Regional Youth Justice Team), law enforcement, mental health clinics, drug and alcohol counselors, parents, peer counseling through NRCIL, case management through TLS and Behavioral Health and Wellness. Again, this year, with the assistance of STSJP funding, we hope to expand our use of the Jefferson-Lewis County Resource Center's Youth Services Division to access specific evidenced based programs. Lewis County will continue to focus efforts to meet gaps in services to assist youth and families who have come to the attention of law enforcement.

2. Is your municipality gathering participant youth and family feedback as part of your STSJP plan development?

Yes. (If yes, please describe how the plan incorporates that feedback at the system level, e.g., funding and service continuum decisions.)

No. (If no, please describe the barriers to implementation and the municipality's solutions to develop such feedback mechanism during PY 2023-2024.)

We have not obtained feedback from justice involved youth or their families but, still plan to do so moving forward into PY 2023- 2024. If possible, we will attempt to obtain feedback through interviews at case closures for any youth serviced within the STSJP plan. In 2022, the one youth that was serviced and placed in detention was ultimately granted a Conditional Discharge and left the county immediately upon release from detention.

3. Was community feedback in low opportunity ZIP codes sought as part of the STSJP plan development?
 Yes. (If yes, please describe how the plan incorporates that feedback at the system level, e.g., funding and service continuum decisions.)
 No. (If no, please describe the barriers to implementation and the municipality's solutions to develop such feedback mechanism during PY 2023-2024.)
 We do not really have high-need zip codes presently in Lewis County. We will continue to work with our partner agencies to ensure that we are incorporating community feedback into our STSJP plan development. We meet frequently with DSS and area schools as part of a Regional Youth Justice Team in Lewis County to obtain community feedback about youth justice needs in Lewis County.

C. Cooperative Application *(Complete this section only if this is a joint application.)*

1. Describe the provisions for the proportionate cost to be borne by each county:

2. Describe how personnel will be compensated across and between counties in the cooperative:

3. Will a single fiscal officer be the custodian of the funds made available for STSJP?
 Yes. (If yes, please provide their contact details below.)
 No. (If no, skip to Q.4.)

Officer's Name:	Title:
Phone: ()	Ext: Email:

4. Provide the name and email address of the person who will be responsible for collecting and submitting STSJP data for jointly funded programs, as well as the names and email addresses of the fiscal officers responsible for jointly funded programs:

 (b) Please describe any contributing barriers:
 As with the Resolution Center (Program 1), Rubenzahl & Knudsen's offices are located in a neighboring county. Transportation continues to be a barrier to obtain services. There are no local Lewis County services at this time. There is some discussion that the Resolution Center might obtain an office space within Lewis County in the near future.

PART III – Goals for PY 2023-2024

Please set the municipality’s goals for its programs to achieve in PY 2023-2024. State-required outcomes have been included with space for you to identify which programs in **Part II-Program Level Details** will serve youth within each service domain. Goals are focused by service type and should reflect the percentage of youth expected to achieve the outcome described. **Note:** Outcomes are only recorded for youth once they have left the program; this may represent a subset of all the youth served during the period. Goals should reflect high, yet realistic, expectations for the programs.
