Commissioner

September 20, 2022

Dear Chief Executive Officer,

Thank you for submitting Madison County's Supervision and Treatment Services for Juveniles Program (STSJP) plan for Program Year (PY) 2022-2023. Your entire STSJP plan, including any amounts listed for PY 2022-2023 STSJP-RTA, has been **approved**.

The County is eligible to receive 62% State reimbursement for STSJP expenditures up to the capped STSJP allocation amount. Your municipality will continue to receive 49% State reimbursement for eligible detention services expenditures up to the capped allocation amount. If your municipality shifts a portion of its detention allocation into its STSJP plan, your municipality will receive 62% State reimbursement, up to the capped allocation, if such shifted funds are spent on STSJP eligible expenditures. A municipality may make a detention allocation shift at the time of the STSJP plan submission or up until June 30, 2023, unless otherwise approved by the Office of Children and Family Services.

If the County plans to shift its detention allocation for STSJP eligible expenses, please submit a request on official letterhead to Lynn Tubbs and email it to stsjp@ocfs.ny.gov outlining

1. the amount that will be shifted and
2. the type of programming or services the re-purposed detention funds will be used for under STSJP

Once the shift is approved, an amended STSJP plan will need to be submitted.

As a reminder, to access RTA reimbursement that a municipality may be eligible for, the expenditures must be specifically included in a locality's comprehensive RTA plan.

All STSJP claims, inclusive of STSJP-RTA, must be submitted electronically via the Juvenile Detention Automated System (JDAS) for the service period of October 1, 2022 to September 30, 2023. Questions on all aspects of the claiming process should be directed to the STSJP mailbox at stsjp@ocfs.ny.gov with the subject line: "STSJP Claiming Questions".

If you have any STSJP plan questions, please also email us at stsjp@ocfs.ny.gov and write "STSJP Plan Questions" in the subject line or reach out to Geneva Hilliard at (518) 486-1819 or Lynn Tubbs at (518) 473-9116.

Thank you for your continued partnership as we reform the juvenile justice practices in New York State by safely engaging youth and their families through innovative programming to reduce out of home placement and detention of youth.

Sincerely,

Nina Aledort, PhD

PART I – MUNICIPALITY LEVEL DETAILS

A. Municipality Level Analysis

- Identify the communities or neighborhoods (ZIP codes) from which the highest number of Youthful Offenders (YO), Adolescent Offenders (AO), Juvenile Offenders (JO), Juvenile Delinquents (JD), and Persons in Need of Supervision (PINS) enter the youth justice system, are remanded to detention, and/or are residentially placed; and
 - Discuss what factors may be contributing to these high numbers:
 - City of Oneida Zip code : 13421
 - Factors contributing to these high numbers is that this is the largest City in Madison County and the most populated area of the County. Additional factors contributing to youth entering the juvenile justice system are complex issues around poverty, including lack of transportation and limited public transportation. Also unmet mental health and substance abuse.
- Resources available at the following link can help you answer these questions:
<https://www.ocfs.ny.gov/programs/youth/stsjp/planning.php>
 - In the charts below, please provide the municipality's distributions by race, ethnicity, and sex assigned at birth for the general population of youth younger than 18, and for the detained and placed population of youth younger than 18. (**Note:** Every July, the National Center for Health Statistics releases population data for the previous year. The population data you are being asked to report on was the latest available at the time OCFS updated the contents of this plan. For the Placement Admissions data, please add together county data from Tables 1b, 6b, and 7b of the Annual Out of Home Placement Admissions Data Packet.)

Race/Ethnicity	2020 General Population <18 years		2021 Detention Admissions <18 years		2021 Placement Admissions <18 years

b) If you identified any disparities when comparing youth representation in the general population and their representation in detention and placement, explain how this plan will address those disparities. If you did not identify any disparities, please note such.

No disparities noted.

B. Local Collaboration

1. Legislation requires local collaboration. Please describe your municipality's activities in developing this year's STSJP plan in collaboration with local agencies responsible for probation, law enforcement, detention, diversion, social services, courts, service providers, schools, and youth development programs:

Meetings held monthly at the Madison County Dept. Of Social Services. Present is Child Protective Services, Probation, Berkshire Farms Contract Agency, Stepping Stones Program, Foster Care Unit. Information also gathered from Courts, Attorneys, Mental Health Services, and local Law Enforcement. There is also ongoing coboration with the Madison County Youth Bureau and the School Services Coordinators. There are bianual meetings with all Madison County School Superintendants as a group discussions.

2. How is your municipality gathering participant youth and family feedback as part of your STSJP plan development?

Berkshire Farms Stepping Stones Program meets regularly and consistently with youth and families which is then discussed with the group.

Describe how the plan incorporates that feedback; if you have not yet received youth and family feedback, please describe the barriers to implementation and the municipality's solutions to develop such feedback mechanisms during PY 2022-2023.

Feedback from youth and families continuously collected on and ongoing basis and evaluation with consideration as to how it can be helpful to improve provision of services. This feedback is shared verbally, sometimes in writing, and is given consideration into further planning for program goals.

3. Was community feedback in high-need ZIP codes (A.1.) sought as part of the STSJP plan development?

Yes. (If yes, please describe how the plan incorporates that feedback);

No. (If no, please describe the barriers to implementation and the municipality's solutions to develop such feedback mechanism during PY 2022-2023).

Ongoing discussion and feedback solicited from the high need zip code through conversations with schools, law enforcement, and service providers. Collected, discussed, and considered into services implemenations.

C. Cooperative Application <i>(Complete this section only if this is a joint application.)</i>

If you selected Indirect Services, please list them. (Please refer to the *STSJP Annual Plan Development Guide* for additional guidance.)

The Madison County Stepping Stones program is an early intervention program that focuses on intervening at the earliest possible point with youth coming into the Juvenile Justice System with the goal of preventing a youth's progression into the Juvenile Justice system and remand to detention or an order for placement. This program works with youth on diversion whose needs are best served at this early intervention level as well as those whose cases are being managed by the District Attorney's offices due to the type of crime that was committed. While it is the youth who has been impacted by the JJ system that brings our services to them, the services are not just focused on that one youth. Full assessments on youth and family are completed in order to be able to create a safety plan for that youth and family to ensure the greatest amount of success during and after the service provision period. In addition to safety planning, as the assessments and on-going family engagement identify specific needs, it is the Stepping Stones Family Specialist that will work with the family to continue to make safe plans and get connected to other targeted services such as mental health, substance abuse, domestic violence, and/or other school/home/community based services. All family members needs are addressed as we understand the impact that the entire family dynamic has on the youth and vice versa. It is our intention to provide the family with resources and skills to work through the conflicts and avoid the need for law enforcement interaction, thereby strengthening the family unit as a whole. In the event that this cannot happen, our program then works to identify other resources for the family in terms of natural respite options to preserve the family unit long enough until skills are demonstrated and any/all court appearances have been met.

5. Is the program capable of being replicated across multiple locations? Yes No

PART III – Goals for PY 2022-2023

Please set the municipality’s goals for its programs to achieve in PY 2022-2023. State-required outcomes have been included with space for you to identify which programs in **Part II-Program Level Details** will serve youth within each service domain. Goals should reflect high, yet realistic, expectations for the programs.
