December 30, 2019

Dear Chief Executive Officer,

Thank you for submitting Niagara County's Supervision and Treatment Services for Juveniles Program (STSJP) plan for Program Year (PY) 2019-20. Your plan has been reviewed by the Office of Children and Family Services (OCFS), and we are pleased to inform you that your STSJP plan has been approved.

Please note that this approval does not extend to the amount listed for the STSJP RTA programming unless your county has received a NYS Division of Budget approval letter. OCFS will send out a revised STSJP approval letter reflecting the STSJP RTA programming amount approved by NYS DOB as applicable.

Niagara County is eligible to receive 62% State reimbursement for STSJP expenditures up to the capped STSJP allocation amount. Your municipality will continue to receive 49% State reimbursement for eligible non-Raise The Age detention services expenditures up to the capped allocation amount. If your municipality shifts a portion of its detention allocation into its STSJP plan, your municipality will receive 62% State reimbursement if such shifted funds are spent on STSJP eligible expenditures. A municipality may make a detention allocation shift at the time of the STSJP plan submission or up until 6/30/20, unless otherwise approved by the Office of Children and Family Services. If Niagara County plans to shift its detention allocation for STSJP eligible expenses, please submit a request on official letterhead to Lynn Tubbs and email it to stsip@ocfs.ny.gov outlining the amount that will be shifted and the type of programming or services the re-purposed detention funds will be used for under STSJP. An amended STSJP plan will also need to be submitted.

As a reminder, to access RTA reimbursement for which a municipality may be eligible, the expenditures must be specifically included in a locality's Division of Budget approved comprehensive RTA plan.

All STSJP claims must be submitted electronically via the Juvenile Detention Automated System (JDAS) for the service period of October 1, 2019 to September 30, 2020. Questions on all aspects of the claiming process should be directed to Daniel Hulihan at (518) 473-4511 or at Daniel.Hulihan@ocfs.ny.gov.

Thank you for your continued partnership as we reform the juvenile justice practices in New York State by safely engaging youth and their families through innovative programming to reduce out of home placement and detention of youth.
If you have any questions, please email us at stsjp@ocfs.ny.gov and write “STSJP Plan Questions” in the subject line so that we may best assist you in a timely manner. You can direct STSJP inquiries to Lynn Tubbs at (518) 473-9116 or Lynn.Tubbs@ocfs.ny.gov.

Sincerely,

Nina Aledort, PhD

**STSJP Program 1 Service Detailed Information**

1. The amount of STSJJP funds that your jurisdiction will devote to the services from this program? $20,000

2. Please indicate the specific zip codes this program will target. 14301, 14302, 14303, 14304, 14305

3. How will the program be utilized to serve targeted youth in your municipality? (100 words or less) At-Risk youth enter the program with family reunification as main goal and prevention of further penetration into the juvenile justice system. Youth are connected to appropriate services in the county as well as family based services such as MST programming and Niagara County Probation/PINS. Youth are also enrolled in school or after school programs if...
appropriate. These programs include but are not limited to; The Reporting Center for Boys program run by New Jerusalem or Connections, a program for youth after school and on weekends. Family mediation is offered and families are encouraged to set rules and boundaries.

4. Does your municipality plan to replicate the program across multiple locations?  Yes  No

5. What is the projected number of youth who will receive services from this program? 150

If the STSJP Program 1 received STSJP funds in the previous STSJP PY, answer the questions below.

6. Did projected performance outcomes meet expected outcomes?  Yes  No  Partially  If Yes, answer #7. If No, skip to #8; If Partially, answer #7 and #8.

7. What projected outcomes were met and how were they met? (100 words or less) In 2018-19, A Youth Counselor was onboarded within the program and 50 clients received at least 1 session. 90% of youth discharged from Casey House with a safe exit plan and safe housing secured.

8. What performance outcomes were not met? What were the barriers to accomplishing the desired outcomes? What changes have been made to achieve desired outcomes this program year? (100 words or less) Target for the # of youth sheltered at Casey House was lower than projected. 80 Clients were served directly at Casey House, totaling 1100 bed days. A new staffing plan has been implemented in 2019 providing more strategic outreach to the community. Ongoing efforts in school districts, churches, youth and community centers. More targeted outreach of hotline calls came to Casey House, totaling 149. Challenges in follow up, with decreased landlines and changes to cell/disconnected lines, difficult for youth after departure from Casey House.

9. What was the average length of stay (ALOS) for youth in this program? (Calculate by days.) 13.75

10. Total number of youth served by this program during the previous STSJP PY: 80

11. What amount of rollover funds from the previous STSJP PY will be spent on this program? 0

| STSJP Program 2 Service Detailed Information |

1. The amount of STSJP funds that your jurisdiction will devote to the services from this program?  $4,416

2. Please indicate the specific zip codes this program will target. 14304, 14305, 14094, 14120, 14172, 14174, 14092, 14301, 14302, 14303,

3. How will the program be utilized to serve targeted youth in your municipality? (100 words or less) The program will serve targeted youth by allowing them to remain in the community, in their home, with their parent/guardian, attending their local school district, and allowing community based service provision. This will occur while accounting for their attendance at referred services, and location at their residence, through the use of electronic monitoring, as an alternative to detention pending disposition of the case.

4. Does your municipality plan to replicate the program across multiple locations?  Yes  No

5. What is the projected number of youth who will receive services from this program? 10

If the STSJP Program 2 received STSJP funds in the previous STSJP PY, answer the questions below.
6. Did projected performance outcomes meet expected outcomes? ☑ Yes ☐ No ☐ Partially If Yes, answer #7; If No, skip to #8. If Partially, answer #7 and #8.

7. What projected outcomes were met and how were they met? (100 words or less)

8. What performance outcomes were not met? What were the barriers to accomplishing the desired outcomes? What changes have been made to achieve desired outcomes this program year? (100 words or less) It was projected that 15 youth would be served by the program, and only 6 were during the 2018-2019 program year to date. The department struggled to find appropriate youth for recommendation to electronic monitoring. The youth whose cases are referred to Court, that go through the process to disposition, tend to be the cases that are most difficult to deal with, that they did not receive a favorable outcome, whether that be intake adjustment of their case, or an ACD prior to Fact Finding. Three youth in the program were non-compliant with monitoring, removing their bracelets, and going AWOL. Another youth was placed at disposition.

9. What was the average length of stay (ALOS) for youth in this program? (Calculate by days.) 78

10. Total number of youth served by this program during the previous STSJP PY: 6

11. What amount of rollover funds from the previous STSJP PY will be spent on this program? 0

**STSJP Program 3 Service Detailed Information**

1. The amount of STSJP funds that your jurisdiction will devote to the services from this program? $ 90440

2. Please indicate the specific zip codes this program will target. 14301, 14302, 14303, 14304, 14305, 14094, 14120, 14172, 14174, 14092

3. How will the program be utilized to serve targeted youth in your municipality? (100 words or less) Referrals will be received from the County Department of Social Services and New York State OCFS, and Intake acceptance determined. Services will be voluntary in nature for youth transitioning to community from out of home placement, and designed to provide the youth and families with a well-designed program of case management opportunities which will help to complement the strengths of families. DSS workers and OCFS staff will complete a Skills Assessment Priorities sheet in addition to referral forms, which will target the top five priorities for SCM services to be accomplished in the 60 day programming.

4. Does your municipality plan to replicate the program across multiple locations? ☑ Yes ☐ No

5. What is the projected number of youth who will receive services from this program? 13

If the STSJP Program 3 received STSJP funds in the previous STSJP PY, answer the questions below.

6. Did projected performance outcomes meet expected outcomes? ☐ Yes ☑ No ☐ Partially If Yes, answer #7; If No, skip to #8. If Partially, answer #7 and #8.

7. What projected outcomes were met and how were they met? (100 words or less) Supported Case Management services will be replicated across the County of Niagara. In addition to Niagara Falls, potential service areas will also be Lockport, North Tonawanda, Lewiston, Youngstown and Wilson. Cases in Newfane, Olcott or further points in the...
County will be considered on a case by case basis. During the previous fiscal year contract (October 2018-September 2019), 39 youth and families were referred for SCM services. 30 youth were admitted for services, from these 39 referrals. At the time of this application, 13 youth are currently receiving services, which would identify 17 youth who successfully completed programming.

8. What performance outcomes were not met? What were the barriers to accomplishing the desired outcomes? What changes have been made to achieve desired outcomes this program year? (100 words or less) While there were a sufficient amount of referrals for the program there were some barriers to consider: Of the 9 referrals 1 of the youth was not able to be admitted due to re-incarceration, 6 referrals were not admitted due to refusal by the parents, the other 2 youth were unable to be located due to their runaway status. To increase service delivery throughout the next fiscal year the JSCM program.

9. What was the average length of stay (ALOS) for youth in this program? (Calculate by days.) 87

PART III – STSJP-RTA PROGRAM ANALYSIS

SECTION 1

A. Overall Analysis of Communities

Discuss and identify the neighborhoods or communities by zip codes or areas from which the highest number of Youthful Offenders (YO), Adolescent Offenders (AO), Juvenile Delinquents (JD) and Persons in Need of Supervision (PINS) enter the youth justice system, and the factors that may be contributing. Zip codes representing the City of Niagara Falls continue to have the highest number of JD’s, JO’s and PINS entering the Juvenile Justice System. This can be attributed to high rates of poverty and unemployment in this particular area of Niagara County. Zip code 14301 in Niagara Falls and 14094 in Lockport have consistently seen higher numbers of youth involved in the juvenile justice system. The Niagara Falls region has also seen a continual increase in the number of Child Protective Services reports received annually. Youth that enter the juvenile justice system often have a history of trauma and neglect and are lacking appropriate support systems in the home.

B. Overall Analysis of Disparity

Please provide information indicating whether there is evidence of racial/ethnic disparity in your local system’s use of detention or residential placement. In 2015 minority youth represented 44% of arrests, 45% of youth in detention, 45% of probation intakes and 39% of cases involving juvenile delinquents in family court. Minorities also represented 40% of admissions into OCFS or voluntary agency placement. In Niagara County, minorities make up just 18% of the total population of juveniles 7-15 years of age. Black youth were most over represented as compared to white youth, making up just 11% of the juvenile population but accounting for an average of 39% of DCJS Juvenile Justice statistics. When reviewing secure and non-secure detention statistics for 2016, 60% of juveniles placed in either detention setting were black. This represents a 91% increase over 4 years.

If such disparity exists, describe how this STSJP plan addresses the issues of disparity. We intend to continue to monitor disparity numbers in collaboration with NYS DCJS and participate in training and reduction models as
advised. We will continue to prioritize training opportunities for stakeholders within the county. Where possible and appropriate, programs will be directed to populations of greater need.

SECTION 2  PERFORMANCE OUTCOMES
For current program year, provide the projected performance outcomes for all of your proposed services and programs. Be sure to include an estimate of the anticipated reductions in detention utilization and residential placements. (250 words or less)

Casey House RHYS Shelter
• 85% of youth in program will meet with youth counselor for at least 1 session
• Outreach/Aftercare of services in person to 50% of youth within 4 weeks of discharge.
Juvenile Electronic Monitoring
• 75% of youth are not in out of home placement following program.
Juvenile Supportive Case Management
• Detention and residential placements to be decreased by 20% from 2018.
• OCFS youth will also be monitored from Re-Entry status to ensure that not returning to OCFS placement following community reintegration is also a recorded diversion.
The Reporting Center
• 20 youth will be given a service plan to ensure attendance at court appointments and identified services, along with job placement if age appropriate and improved academic success and school attendance.
Stepping Stones
• 80% of youth will remain successfully in their homes and communities and avoid the need for out of home placement
• 80% Youth and family functioning will improve; avoiding the need for detention
• 85% of parents will develop/improve parenting skills
• 85% of youth will show improvement in workforce readiness skills
Community Based Treatment
Youth served by the program will remain in the community and not experience a residential placement (>95%).
Youth served by the program will not experience a detention stay (>85%).
Youth served by the program will not be arrested (>75%).
Multi Systemic Therapy
• Reduce arrest rates in serious juvenile offenders
• Make substantial improvements in overall family functioning
• Reduced instances of out-of-home placements for juveniles
• Reduced dropout rates
• Decreases mental health issues for juvenile offenders
• Decrease adolescent alcohol and drug use.

SECTION 3  COLLABORATION SECTION
As per STSJP legislation, collaboration is required. Please describe your municipality’s activities in developing this year’s STSJP plan in collaboration with local agencies responsible for probation, law enforcement, detention, diversion, social services, courts, services providers, schools, and youth development programs. Niagara County Social Services actively collaborates with NC Probation and a variety of service agencies throughout Niagra County. Our partners include but are not limited to Community Missions, Pinnacle Community Services, Buffalo Federation of Neighborhood Centers, New Directions, Niagara County Mental Health Dept. and SPOA, along with Monsignor Carr Institute for Children’s Mental Health and MST, both operated by Catholic Charities. DSS holds monthly meetings with Probation and OCFS to review placement settings, individual youth needs and potential for returning youth to their home and/or community. The Niagara County Juvenile Justice Task Force meets quarterly to review local issues and its members include government, law enforcement, school and community agencies. Niagara County DSS also contracts with Berkshire Farms to place social workers throughout the community to directly address needs of families.

SECTION 4  COOPERATIVE APPLICATIONS SUBMITTED JOINTLY BY TWO OR MORE COUNTIES
Page 17 of 18
Two or more eligible local jurisdictions (counties) may join together to establish, operate and maintain Supervision and treatment services for juvenile programs, and may enter into agreements in connection therewith. Counties submitting such applications must provide the following information:

1. Describe the provisions for the proportionate cost to be borne by each county:
2. Describe how personnel will be compensated across and between counties in the cooperative:
3. If a single fiscal officer will be the custodian of the funds made available for STSJP, please provide the officer’s name and contact information:

December 20, 2019

Dear Sir or Madam,

This letter confirms the interest for Niagara County in receiving the one-time additional allocation of $35,700 in Supervision and Treatment Services Juveniles Program (STSJP) for a pilot program.

Community Missions of Niagara Frontier, Inc. (CMI) is seeking funding for a Juvenile Justice Outreach PINS Diversion Intensive Case Management (PINSD) program, in partnership with the Niagara County Department of Social Services (NCDSS). The goal of the PINSD Intensive Case Management program (PINSD) will be to divert youth from any further involvement with the juvenile justice system, reducing the need to place youth outside their home communities.

Niagara County averages around 150 PINS youth annually. This past year, just 5 youth have been detained and 2 youth were placed with NCDSS. While a substantial decrease of cases was made in 2019, the above program will help decrease further and reduce detention use.

Please find the attached documents of a Program Narrative and Program Budget to help support the need for this program.

If you need further information, please contact me at the information below.

Sincerely,

Anthony Restaino
Commissioner
