KATHY HOCHUL  
Governor

SUZANNE MILES-GUSTAVE, ESQ.  
Acting Commissioner

December 21, 2023

Dear Chief Executive Officer,

Thank you for submitting Onondaga County's Supervision and Treatment Services for Juveniles Program (STSJP) plan for Program Year (PY) 2023-2024. Your entire STSJP plan, including any amounts listed for PY 2023-2024 STSJP-RTA, has been **approved**.

The County is eligible to receive 62% State reimbursement for STSJP expenditures up to the capped STSJP allocation amount. Your municipality will continue to receive 49% State reimbursement for eligible detention services expenditures up to the capped allocation amount. If your municipality shifts a portion of its detention allocation into its STSJP plan, your municipality will receive 62% State reimbursement, up to the capped allocation, if such shifted funds are spent on STSJP eligible expenditures. A municipality may make a detention allocation shift at the time of the STSJP plan submission or up until June 30, 2024, unless otherwise approved by the Office of Children and Family Services.

If the County plans to shift its detention allocation for STSJP eligible expenses, please submit a request on official letterhead to Lynn Tubbs and email it to [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov) outlining

1. the amount that will be shifted and
2. the type of programming or services the re-purposed detention funds will be used for under STSJP

Once the shift is approved, an amended STSJP plan will need to be submitted.

As a reminder, to access RTA reimbursement that a municipality may be eligible for, the expenditures must be specifically included in a locality's comprehensive RTA plan.

All STSJP claims, inclusive of STSJP-RTA, must be submitted electronically via the Juvenile Detention Automated System (JDAS) for the service period of October 1, 2023, to September 30, 2024. Questions on all aspects of the claiming process should be directed to the STSJP mailbox at [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov) with the subject line: "STSJP Claiming Questions".

If you have any STSJP plan questions, please also email us at [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov) and write "STSJP Plan Questions" in the subject line or reach out to Lynn Tubbs at (518) 473-9116.

Thank you for your continued partnership as we reform the juvenile justice practices in New York State by safely engaging youth and their families through innovative programming to reduce out of home placement and detention of youth.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nina Aledort', with a stylized flourish at the end.

### PLAN SUBMISSION INSTRUCTIONS

**STSJP plans are due to the Office of Children and Family Services (OCFS) by 08 / 04 / 2023**

- Once you have opened this form on your computer, please use the "Save As" function to save a copy with the following file name: "STSJP 2023-2024 Annual Plan – [ex. Municipality Name]."
- Work from the copy saved in Step 1 as you record your municipality information. Save your work as you complete each section.
- Email the completed application to OCFS at [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov). Use the subject line "STSJP 2023-2024 Annual Plan – [Municipality Name]" to facilitate timely review of your plan.

**Please direct any STSJP plan questions to the STSJP mailbox at: [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov), or you may contact Geneva Hilliard 518-486-1819 or Lynn Tubbs 518-473-9116.**

**NOTE: Cooperative Applications submitted jointly by two or more counties**

Two or more eligible local jurisdictions (counties) may join together to establish, operate, and maintain STSJP programs, and may enter into agreements in connection therewith. Counties submitting such applications must provide additional information under **Part I - Municipality Level Details, Section C. Cooperative Application.**

### PART I – MUNICIPALITY LEVEL DETAILS

#### A. Municipality Level Analysis

- Identify the communities or neighborhoods (ZIP codes) from which the highest number of Youthful Offenders (YO), Adolescent Offenders (AO), Juvenile Offenders (JO), Juvenile Delinquents (JD), and Persons in Need of Supervision (PINS) enter the youth justice system, are remanded to detention, and/or are residentially placed; and
  - Discuss what factors may be contributing to these high numbers:

In 2022, youth living in four contiguous zip codes within the City of Syracuse (13204, 13205, 13203, & 13208) account for 51% of supervision cases, 57% of the unduplicated detention admissions, and 61% of placements. It should come as no surprise that the communities within the aforementioned zip codes have been historically overrepresented in a variety of areas and yield the highest rates of poverty, child welfare involvement, lead paint levels, teenage pregnancy, etc. It should be noted that the over representation for youth from the identified zip codes are down considerably since the start of the STSJP supported, Community Engagement Initiative. In 2016, youth from these zip codes accounted for 60% of supervision, 68% of detention, and 83% of placement cases respectively.

Onondaga County has made a concerted effort to support youth (and their families) who have exhibited "PINS-related behaviors" with other supportive services rather than Family Court involvement. As a result there are not currently any youth adjudicated as a PINS on formal probation and two youth adjudicated as a PINS in placement. PINS related services are not funded through the use of STSJP funding in Onondaga County.

- Resources available at the following link can help you answer these questions:

<https://www.ocfs.ny.gov/programs/youth/stsjp/planning.php>

- In the charts below, please provide the municipality's distributions by race, ethnicity, and sex assigned at birth for the general population of youth younger than 18, and for the detained and placed population of youth. For the placement admissions data, please add together county data from Tables 1b-Total OCFS Facility Admissions by Sex, Race/Ethnicity and Age, 6b-JD Foster Care Admissions by Sex, Race/Ethnicity and Age

and 7b-PINS Post-Dispositional Foster Care Admissions by Sex, Race/Ethnicity and Age from [Annual Out of Home Placement Admissions Data Packet](#)

Race/Ethnicity	2020 General Population <18 years		2022 Detention Admissions		2022 Placement Admissions	
	#	%	#	%	#	%
Black/African American	17,642	18%	98	71%	26	72%
White	64,578	67%	16	12%	4	11%
Native American/Alaskan	897	1%	1	1%		
Asian/Pacific Islander	4,982	5%	1	1%		
Hispanic	8,751	9%	11	8%	6	17%

Sex Assigned at Birth	2020 General Population <18 years		2022 Detention Admissions		2022 Placement Admissions	
	#	%	#	%	#	%
Male	49,417	51%	118	86%	35	97%
Female	47,433	49%	20	14%	1	3%

b) If you identified any disparities when comparing youth representation in the general population and their representation in detention and placement, explain how this plan will address those disparities. If you did not identify any disparities, please note such.

While Onondaga County has made significant progress in reducing racial and ethnic disparities, Black/African American youth still are overrepresented in our local youth justice system. Through several current initiatives (the Policy Equity Academy through DCJS and the Youth Justice Institute as well as the Results Based Leadership Project which has been offered through the Central Regional Youth Justice Team) we have identified four strategies that are specifically intended to reduce disparities. While all of the requested STSJP contracts have historically aided in disparity reduction, two of the newly developed strategies involve several of the current contracted providers.

**B. Local Collaboration**

1. Legislation requires local collaboration. Please describe your municipality’s activities in developing this year’s STSJP plan in collaboration with local agencies responsible for probation, law enforcement, detention, diversion, social services, courts, service providers, schools, and youth development programs:

The Onondaga County Partnership for Youth Justice vision is that all youth involved in the Juvenile Justice System are given an opportunity to safely stay in their community and receive community based supports that are culturally competent in order to successfully transition to adulthood.

The Partnership’s Steering Committee (which is comprised of service providers, organizational leaders, county department heads, law enforcement, judiciaries, attorneys, court staff, individual from faith-based organizations, probation officers, school district personnel, and interested community members) meets quarterly and is the advisory body of the collaborative which makes recommendations and provides feedback on priority areas, system gaps, and needs.

As it relates to the STSJP Plan, the Partnership reviews data, creates an annual work plan, as well as contributions to strategic planning focusing on meeting targets and goals. The Partnership also looks at the resources available including STSJP, local funding dedicated to placement, outside grants and partnerships to fund strategies that will fund a continuum of programs and services and interventions that will provide lasting impact on youth and their pathway to successful adulthood.

2. Is your municipality gathering participant youth and family feedback as part of your STSJP plan development?

- Yes. (If yes, please describe how the plan incorporates that feedback at the system level, e.g., funding and service continuum decisions.)
- No. (If no, please describe the barriers to implementation and the municipality's solutions to develop such feedback mechanism during PY 2023-2024.)

A survey was completed by four hundred and fifteen, system-involved youth to identify youth interests, gather feedback on services that may be beneficial, as well as what is desired that is not currently being offered. This feedback received was a driving factor in funding the Transition Aged Youth Program which is new to Onondaga County's STSJP service array in 2023-24. The feedback received not only impacted our county's STSJP Plan, but also was a driving factor in creating a culturally responsive Moral Reconciliation Therapy Program (funded separately from STSJP) that the county has released a request for proposal for as of the submission of this plan.

3. Was community feedback in low opportunity ZIP codes sought as part of the STSJP plan development?

- Yes. (If yes, please describe how the plan incorporates that feedback at the system level, e.g., funding and service continuum decisions.)
- No. (If no, please describe the barriers to implementation and the municipality's solutions to develop such feedback mechanism during PY 2023-2024.)

While the survey was completed by young people across our youth justice system, there was an overrepresentation from youth from our overrepresented zip codes (13204, 13205, 13207, & 13208).

While the local Steering Committee is comprised of individuals from many areas of the county, concerted efforts have been made to ensure that community members, service providers, and other interested individuals that work and live in the zip codes that yield the majority of system involved youth are represented. This has been accomplished by not only extending invitations to individuals directly, but also through contract request for proposals which specifically identify that organizations main site of operations must fall in certain geographic zip codes as well as encourage organizations to employ individuals who live in the areas that they serve.

**C. Cooperative Application** *(Complete this section only if this is a joint application.)*

1. Describe the provisions for the proportionate cost to be borne by each county:

2. Describe how personnel will be compensated across and between counties in the cooperative:

3. Will a single fiscal officer be the custodian of the funds made available for STSJP?

- Yes. (If yes, please provide their contact details below.)
- No. (If no, skip to Q.4.)

Officer's Name:

Title:

Phone: ( )

Ext:

Email:

4. Provide the name and email address of the person who will be responsible for collecting and submitting STSJP data for jointly funded programs, as well as the names and email addresses of the fiscal officers responsible for jointly funded programs:

**B. Program 1 Description and Target Population**

1. A Family Support Services (FSS) program may ONLY serve youth at risk of becoming, alleged to be, or adjudicated as PINS; or children under 12 years of age who do not meet the definition of a JD and whose behavior, but for their age, would bring them within the jurisdiction of the family court under Article 3 of the Family Court Act (FCA). This program meets the legal definition of an FSS program (Social Services Law Section 458-m) and will operate in this capacity for PY 2023-2024.  
 Yes     No

2. Please check all applicable boxes below to identify the service types that will be utilized for this program in PY 2023-2024:

STSJP	STSJP-RTA	
<input type="checkbox"/>	<input type="checkbox"/>	Prevention (P)
<input type="checkbox"/>	<input type="checkbox"/>	Early Intervention (EI)

<input type="checkbox"/>	<input type="checkbox"/>	Indirect Services

**\*Note:** If you indicated this program will operate as an FSS, it cannot provide STSJP-RTA services under this program. Additionally, children under 12 years of age who do not meet the definition of either a PINS or a JD and whose behavior, but for their age, would bring them within the jurisdiction of the family court under Article 3 of the FCA, may only be served through the Prevention and Early Intervention service domains.

3. Please list the ZIP codes this program will target:  
 County-Wide

4. Describe the program, including how it is family focused. If you answered "Yes" to Q.1. Family Support Services program, be sure to demonstrate how your program meets each requirement of the legislation. Also, please explain how each of the service types selected in Q.2. will address the unique needs of youth at that system point, and how those services will aid in the reduction of youth detained and residentially or otherwise placed. If you selected Indirect Services, please list them. (Please refer to the *STSJP Annual Plan Development Guide* for additional guidance.)  
 The Special Supervision Program was designed to reduce the reliance on the use of detention for youth with pending Juvenile Delinquency, Juvenile Offender, and Adolescent Offender cases by providing intensive supervision and case management services to children and families awaiting case disposition. Special Supervision will monitor each child at home, school, and within the community to ensure they return to court and refrain from committing future law violations.

5. Is the program capable of being replicated across multiple locations?     Yes     No

**C. Program 1 Performance History (Refer to your municipality's STSJP data files.)**

1. What, if any, funding did this program receive in PY 2022-2023? If the program was approved in PY 2022-2023 but was not implemented or is anticipated to serve no youth, please choose None.  
 None (If none, skip to section D.)     STSJP     STSJP-RTA

2. Please use the table to record **how many youth (#) were served** by the program between 10/1/2022 and 3/31/2023. Enter zero (0) if not applicable.

Approved Funding	Program Type					Total
	P	EI	ATD/ATPDP	ATP	R/A	
STSJP	0	0	47	0	0	47
STSJP-RTA	0	0	44	0	0	44
Total	0	0	91	0	0	91

3. Based on the program’s record of youth served, do you anticipate this program serving more or less than its projected capacity on 9/30/2023? Please explain:

We are anticipating that the program will approximately serve the originally projected amount of 160 youth.

4. Please use the table to record the **average length of service (days)** for youth who exited the program between 10/1/2022 and 3/31/2023. Enter zero (0) if not applicable.

Approved Funding	Program Type				
	P	EI	ATD/ATPDP	ATP	R/A
STSJP	0	0	55	0	0
STSJP-RTA	0	0	69	0	0

5. How does the average length of service compare to what you would expect for that service type? For ATD/ATPDP and ATP service types, compare with the average length of stay for youth who were in detention and residential placements during the same time period.

Youth are typically supported during the pendency, and for the full duration, of their court involvement. While days of services cannot be compared to lengths of stay in detention, the special supervision program is able to support youth in the community who may otherwise be detained.

6. Will this program’s outcomes meet the PY 2022-2023 projected goals by 9/30/2023?

Yes. (If yes, skip to section D.)       Partially       No

7. (a) What outcomes are on track to meet the goals set for PY 2022-2023?

(b) How will they be met?

8. (a) What outcomes are not on track to meet the goals set for PY 2022-2023?

315 L.I.F.T. combines life coaching/mentorship, entrepreneurship classes and opportunities, and community-based conflict resolution (peacemaking). Youth receive three hours of life coaching every week and will attend bi-weekly life skills group sessions developed by the Good Life Foundation (GLF). Bi-monthly skill-building sessions in financial literacy and entrepreneurship will be held. The program will serve RTA and non-RTA youth in an attempt to prevent placement or to provide support upon re-entry to the community. In addition during the 2023-24 programmatic year, the program will be partnering with the Westside Peace Making Program to offer restorative peace circles utilizing indigenous practices.

3. Based on the program's record of youth served, do you anticipate this program serving more or less than its projected capacity on 9/30/2023? Please explain:  
 The 315 LIFT Program is on pace to serve the total targeted number of youth over the reporting year. During the first six months we believe there was an error in their reporting which did not account for any youth to be identified as R/A. this reporting error was the result of a different staff member being responsible for reporting and should be corrected moving forward.

4. Please use the table to record the **average length of service (days)** for youth who exited the program between 10/1/2022 and 3/31/2023. Enter zero (0) if not applicable.

5. How does the average length of service compare to what you would expect for that service type? For ATD/ATPDP and ATP service types, compare with the average length of stay for youth who were in detention and residential placements during the same time period.  
 From 2020-23, ALOS were relatively high due to the necessity to support youth during the pandemic. During the 2022-23 programmatic year, many youth transitioned out of services which account for very large lengths of stay. We are anticipating lengths of stay to average between 600-700 days.

The purpose of Street Court is to deliver culturally competent, community-based case management to youth who have perpetrated serious offenses and reside in neighborhoods that are characterized by having high rates of violence/gun shot clusters. Services range from educational advocacy, grief & loss counseling, mentorship, as well as providing structured pro-social activities. The program will serve RTA and non-RTA youth in an attempt to prevent placement or to provide support upon re-entry to the community.

5. How does the average length of service compare to what you would expect for that service type? For ATD/ATPDP and ATP service types, compare with the average length of stay for youth who were in detention and residential placements during the same time period.

The data does not accurately reflect the length of service. Out of the twenty-four youth served during the 10/1/2022-3/31/2023 reporting period, only five cases were closed out. Historically, the Street Court Program supports youth for a period of up to two years. However, six youth were closed out during the reporting period with four of those youth being served for very short periods of time. The program is operating within expectations.

6. Will this program’s outcomes meet the PY 2022-2023 projected goals by 9/30/2023?

Word II YOU is a partnership between a variety of community-based services providers and credible messenger programs and serves as the primary referral portal for probation, placement workers, OCFS staff, and court. In addition to providing technical assistance and training to organizations, program staff receive referrals for youth and directly engages them in an attempt to identify which partner programs would best meet the needs of an individual youth/family. The creation of the program was rooted in lessons learned through an opportunity provided by OCFS to work with Community Connections for Youth (Bronx, NY). Further training in organizational capacity and social capital building have been provided through a partnership with the Academy of Transformational Change out of Washington, DC. Partnering agencies include Good Life Foundation (STSJP-</p>

If you selected Indirect Services, please list them. (Please refer to the <i>STSJP Annual Plan Development Guide</i> for additional guidance.)</p> <p>The ONalytics team provides an infrastructure of data analytic support to County departments. They use data to inform policy, planning, and efficiency of operations. Related specifically to this plan a Data Visualization Developer provides technical support to contracted agencies related to their data collection and reporting, uses that reporting in conjunction with access to systems and reports from the Court to compile the STSJP workbooks, utilizes Results Based Accountability principles to provide feedback on performance of contractors, and monitors and reports on trends related to this population and system work. This will cover the equivalent of .5FTE of support. This staff is co-located with juvenile probation and the DCFS contracts administration team.</p>

5. How does the average length of service compare to what you would expect for that service type? For ATD/ATPDP and ATP service types, compare with the average length of stay for youth who were in detention and residential placements during the same time period.

6. Will this program’s outcomes meet the PY 2022-2023 projected goals by 9/30/2023?  
 Yes. (If yes, skip to section D.)     Partially     No

7. (a) What outcomes are on track to meet the goals set for PY 2022-2023?  
 (b) How will they be met?

8. (a) What outcomes are not on track to meet the goals set for PY 2022-2023?  
 (b) Please describe any contributing barriers:

9. What changes have been made to overcome the barriers identified in Q.8. so that the program can achieve its desired goals for PY 2023-2024?

**PART III – Goals for PY 2023-2024**

Please set the municipality’s goals for its programs to achieve in PY 2023-2024. State-required outcomes have been included with space for you to identify which programs in **Part II-Program Level Details** will serve youth within each service domain. Goals are focused by service type and should reflect the percentage of youth expected to achieve the outcome described. **Note:** Outcomes are only recorded for youth once they have left the program; this may represent a subset of all the youth served during the period. Goals should reflect high, yet realistic, expectations for the programs.
