Governor

SHEILA J. POOLE  
Commissioner

October 19, 2022

Dear Chief Executive Officer,

Thank you for submitting St. Lawrence County's Supervision and Treatment Services for Juveniles Program (STSJP) plan for Program Year (PY) 2022-2023. Your entire STSJP plan, including any amounts listed for PY 2022-2023 STSJP-RTA, has been **approved**.

The County is eligible to receive 62% State reimbursement for STSJP expenditures up to the capped STSJP allocation amount. Your municipality will continue to receive 49% State reimbursement for eligible detention services expenditures up to the capped allocation amount. If your municipality shifts a portion of its detention allocation into its STSJP plan, your municipality will receive 62% State reimbursement, up to the capped allocation, if such shifted funds are spent on STSJP eligible expenditures. A municipality may make a detention allocation shift at the time of the STSJP plan submission or up until June 30, 2023, unless otherwise approved by the Office of Children and Family Services.

If the County plans to shift its detention allocation for STSJP eligible expenses, please submit a request on official letterhead to Lynn Tubbs and email it to [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov) outlining

1. the amount that will be shifted and
2. the type of programming or services the re-purposed detention funds will be used for under STSJP

Once the shift is approved, an amended STSJP plan will need to be submitted.

As a reminder, to access RTA reimbursement that a municipality may be eligible for, the expenditures must be specifically included in a locality's comprehensive RTA plan.

All STSJP claims, inclusive of STSJP-RTA, must be submitted electronically via the Juvenile Detention Automated System (JDAS) for the service period of October 1, 2022 to September 30, 2023. Questions on all aspects of the claiming process should be directed to the STSJP mailbox at [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov) with the subject line: "STSJP Claiming Questions".

If you have any STSJP plan questions, please also email us at [stsjp@ocfs.ny.gov](mailto:stsjp@ocfs.ny.gov) and write "STSJP Plan Questions" in the subject line or reach out to Geneva Hilliard at (518) 486-1819 or Lynn Tubbs at (518) 473-9116.

Thank you for your continued partnership as we reform the juvenile justice practices in New York State by safely engaging youth and their families through innovative programming to reduce out of home placement and detention of youth.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nina Aledort', with a long horizontal flourish extending to the right.

### PART I – MUNICIPALITY LEVEL DETAILS

#### A. Municipality Level Analysis

- Identify the communities or neighborhoods (ZIP codes) from which the highest number of Youthful Offenders (YO), Adolescent Offenders (AO), Juvenile Offenders (JO), Juvenile Delinquents (JD), and Persons in Need of Supervision (PINS) enter the youth justice system, are remanded to detention, and/or are residentially placed; and
  - Discuss what factors may be contributing to these high numbers:  
  
Areas of St. Lawrence County most affected by these issues are the towns of Massena (13662), Ogdensburg (13668), and Gouverneur (13642). The factors contributing to these issues include lack of appropriate activities for the teen population, and increasing access to drugs and alcohol, poor supervision, as well as opportunities getting involved in small scale drug trafficking through association with individuals coming to the area from urban areas with the purpose to distribute. Many of the youth entering the system have chosen this way of making money as other jobs available to them pay minimum wage and offer little incentive.
- Resources available at the following link can help you answer these questions:  
<https://www.ocfs.ny.gov/programs/youth/stsjp/planning.php>  
  - In the charts below, please provide the municipality's distributions by race, ethnicity, and sex assigned at birth for the general population of youth younger than 18, and for the detained and placed population of youth younger than 18. (**Note:** Every July, the National Center for Health Statistics releases population data for the previous year. The population data you are being asked to report on was the latest available at the time OCFS updated the contents of this plan. For the Placement Admissions data, please add together county data from Tables 1b, 6b, and 7b of the Annual Out of Home Placement Admissions Data Packet.)

Race/Ethnicity	2020 General Population <18 years		2021 Detention Admissions <18 years		2021 Placement Admissions <18 years	
	#	%	#	%	#	%
Black/African American	346	2	0	0	0	0
White	20021	94	2	100	2	67
Native American/Alaskan	248	1	0	0		
Asian/Pacific Islander	239	1	0	0		
Hispanic	542	3	0	0	0	0

Sex Assigned at Birth	2020 General Population <18 years		2021 Detention Admissions <18 years		2021 Placement Admissions <18 years	
	#	%	#	%	#	%
Male	11065	52%	2	100	3	100
Female	10331	48%	0	0	0	0

b) If you identified any disparities when comparing youth representation in the general population and their representation in detention and placement, explain how this plan will address those disparities. If you did not identify any disparities, please note such.

No disparity between youth representation in general population and in detention/placement as noted.

**B. Local Collaboration**

1. Legislation requires local collaboration. Please describe your municipality's activities in developing this year's STSJP plan in collaboration with local agencies responsible for probation, law enforcement, detention, diversion, social services, courts, service providers, schools, and youth development programs:

The St. Lawrence County Department of Social Services, Probation Department, and Youth Advocate Programs collaborate to serve youth and families in the juvenile justice system. Youth Advocate Programs works directly with the youth to provide one on one advocacy to assist them in remaining in their home setting and community, while assisting in ensuring they are attending all required appointments with other providers, court hearings, school, and complete community service or restorative justice projects. The youth's engagement in these activities is reported back to DSS and Probation to allow for proper reporting to the courts and further collaboration with area providers.

2. How is your municipality gathering participant youth and family feedback as part of your STSJP plan development?

Through review of current and closed case files within the St. Lawrence County Youth Advocate Programs, interviews with youth and family themselves following discharge from the program, and upon successful discharge from their Probation term or placement. Further information is gathered through collaboration with the Probation Department and Department of Social Services.

Describe how the plan incorporates that feedback; if you have not yet received youth and family feedback, please describe the barriers to implementation and the municipality's solutions to develop such feedback mechanisms during PY 2022-2023.

Since completion of the last annual report, we have invited community partners, including the Probation Department, Youth Advocate Programs, the St. Lawrence County Youth Bureau, Boys and Girls Club of Ogdensburg, and area school districts to enhance collaboration and strengthen community cohesiveness in the area of Massena, Ogdensburg, Gouverneur, Waddington and Madrid, NY. In addition, we are working with these agencies to explore new programs to aid in the creation of engagement activities to support youth exhibiting juvenile delinquent type behaviors, antisocial behaviors, mental health, and substance abuse. These partnerships will continue to be built throughout this 2022-2023 program year.

3. Was community feedback in high-need ZIP codes (A.1.) sought as part of the STSJP plan development?  
 Yes. (If yes, please describe how the plan incorporates that feedback);  
 No. (If no, please describe the barriers to implementation and the municipality's solutions to develop such feedback mechanism during PY 2022-2023).

Additionally, as of December 29, 2022, children under 12 years of age who do not meet the definition of either a PINS or a JD and whose behavior, but for their age, would bring them within the jurisdiction of the family court under Article 3 of the FCA, may only be served through the Prevention and Early Intervention service domains.

3. Please list the ZIP codes this program will target:  
13662, 13668, 13669, 13642

4. Describe the program, including how it is family focused. If you answered "Yes" to Q.1. Family Support Services program, be sure to demonstrate how your program meets each requirement of the legislation. Also, please explain how each of the service types selected in Q.2. will address the unique needs of youth at that system point, and how those services will aid in the reduction of youth detained and residentially or otherwise placed. If you selected Indirect Services, please list them. (Please refer to the *STSJP Annual Plan Development Guide* for additional guidance.)

This program will be utilized for non-RTA and RTA youth who are receiving diversion/adjustment services as an alternative to detention/pre-dispositional placement during the pendency of their case, or post-dispositionally as an alternative to placement or to support youth re-entering the community from placement. YAP will receive referrals from the St. Lawrence County Department of Social Services and Probation Department that are to prevent youth from being placed into foster care or non-secure housing. The YAP trauma-informed and strength based model is family and youth driven and focused. The program will apply to this population by assessing needs, wrap-around approach; including daily check-ins, school attendance support, transportation to court and other services, reminders and preparation for court, services appointments, school, referrals for services and support, intensive crisis planning for youth and families, reintegration planning for youth returning to the community from placement, and ensuring that the youth and family have safe housing and resources to support them. The program also provides supportive employment and community service program for youth. YAP participates in a bi-weekly permanency planning meeting to ensure that all stakeholders are moving toward permanency goals for youth who are receiving services through re-entry/aftercare. The Youth Advocate Program will use funds allotted to develop tailored Independent Living Skills Program to be completed with all STSJP youth over the age of 14. This includes a multi-week, hands on program with youth working directly with an advocate to learn the skills identified in real-world settings. The program is structured in a 12 domain model. Each youth in the program will have a core set of topics that are required, then are able to choose from several "elective" topics to total 12 domains. This allows for the individualized approach for each youth, and then learning skills that are most meaningful to the youth. Funds are used to purchase materials needed for each lesson and reimbursement of staff working with the youth.

5. Is the program capable of being replicated across multiple locations?  Yes  No

**C. Program 1 Performance History (Refer to your municipality's STSJP data files.)**

1. What, if any, funding did this program receive in PY 2021-2022? If the program was approved in PY 2021-2022 but was not implemented or is anticipated to serve no youth, please choose None.

None (If none, skip to section D.)  STSJP  STSJP-RTA

2. Please use the table to record **how many youth (#) were served** by the program between 10/1/2021 and 3/31/2022. Enter zero (0) if not applicable.

Approved Funding	Program Type					Total
	P	EI	ATD/ATPDP	ATP	R/A	
STSJP	0	4	3	2	6	15
STSJP-RTA	0	0	0	0	0	0
Total	0	4	3	2	6	15

3. Based on the program's record of youth served, do you anticipate this program serving more or less than its projected capacity on 9/30/2022? Please explain:

It is anticipated that approximately the same number of youth will be served through STSJP in 2022-2023. STSJP-RTA is projected to serve more youth during the 2022-2023 program year.

4. Please use the table to record the **average length of service (days)** for youth who exited the program between 10/1/2021 and 3/31/2022. Enter zero (0) if not applicable.

Approved Funding	Program Type				
	P	EI	ATD/ATPDP	ATP	R/A
STSJP	0	193	220	221	125
STSJP-RTA	0	0	0	0	0
Total	0	193	220	221	125

5. How does the average length of service compare to what you would expect for that service type? For ATD/ATPDP and ATP service types, compare with the average length of stay for youth who were in detention and residential placements during the same time period.

Average length of stay for each service type is proportionate to the services available in the youths' home communities. There is a slight difference in length of stay for those placed in detention (OCFS) vs. being placed residentially (LDSS) which is most often due to the length of the orders of the court, conditions that are expected to be met by the referral authority with various service providers, and whether any further offense was committed.

6. Will this program's outcomes meet the PY 2021-2022 projected goals by 9/30/2022?

Yes. (If Yes, skip to section D.)  Partially  No

7. (a) What outcomes are on track to meet the goals set for PY 2021-2022?

(b) How will they be met?

SLCYAP worked with a total of 15 youth, 6 of which were discharged. Of those youth, the following outcomes were met:

- 100% had a positive school outcome
- 100% made all court appearances
- 100% cooperated with program rules
- 100% made a connection with a positive adult role model
- 100% participated in at least one positive community activity
- 100% did not have a pre-dispositional placement
- 100% had no warrants issued during service engagement
- 83.33% had no new arrests or probation intakes during service provision (one of six discharged youth was arrested during the engagement period)
- 100% had no detention or jail admissions

8. (a) What outcomes are not on track to meet the goals set for PY 2021-2022?

(b) Please describe any contributing barriers.

All projected outcomes are on track to be met for program year 2021-2022.

9. What changes have been made to overcome the barriers identified in Q.8. so that the program can achieve its desired goals for PY 2022-2023?

All goals are projected to be met for program year 2021-22.

Goals should reflect high, yet realistic, expectations for the programs.
