January 13, 2020

Dear Chief Executive Officer,

Thank you for submitting Seneca County’s Supervision and Treatment Services for Juveniles Program (STSJP) plan for Program Year (PY) 2019-20. Your plan has been reviewed by the Office of Children and Family Services (OCFS), and we are pleased to inform you that your STSJP plan has been approved.

Please note that this approval does not extend to the amount listed for the STSJP RTA programming unless your county has received a NYS Division of Budget approval letter. OCFS will send out a revised STSJP approval letter reflecting the STSJP RTA programming amount approved by NYS DOB as applicable.

Seneca County is eligible to receive 62% State reimbursement for STSJP expenditures up to the capped STSJP allocation amount. Your municipality will continue to receive 49% State reimbursement for eligible non-Raise The Age detention services expenditures up to the capped allocation amount. If your municipality shifts a portion of its detention allocation into its STSJP plan, your municipality will receive 62% State reimbursement if such shifted funds are spent on STSJP eligible expenditures. A municipality may make a detention allocation shift at the time of the STSJP plan submission or up until 6/30/20, unless otherwise approved by the Office of Children and Family Services. If Seneca County plans to shift its detention allocation for STSJP eligible expenses, please submit a request on official letterhead to Lynn Tubbs and email it to stsjp@ocfs.ny.gov outlining the amount that will be shifted and the type of programming or services the re-purposed detention funds will be used for under STSJP. An amended STSJP plan will also need to be submitted.

As a reminder, to access RTA reimbursement for which a municipality may be eligible, the expenditures must be specifically included in a locality’s Division of Budget approved comprehensive RTA plan.

All STSJP claims must be submitted electronically via the Juvenile Detention Automated System (JDAS) for the service period of October 1, 2019 to September 30, 2020. Questions on all aspects of the claiming process should be directed to Daniel Hulihan at (518) 473-4511 or at Daniel.Hulihan@ocfs.ny.gov.

Thank you for your continued partnership as we reform the juvenile justice practices in New York State by safely engaging youth and their families through innovative programming to reduce out of home placement and detention of youth.
If you have any questions, please email us at stsjp@ocfs.ny.gov and write “STSJP Plan Questions” in the subject line so that we may best assist you in a timely manner. You can direct STSJP inquiries to Lynn Tubbs at (518) 473-9116 or Lynn.Tubbs@ocfs.ny.gov.

Sincerely,

PART III – STSJP-RTA PROGRAM ANALYSIS

SECTION 1 Overall Analysis

A. Overall Analysis of Communities

Discuss and identify the neighborhoods or communities by zip codes or areas from which the highest number of Youthful Offenders (YO), Adolescent Offenders (AO), Juvenile Delinquents (JD) and Persons in Need of Supervision (PINS) enter the youth justice system, and the factors that may be contributing. (500 words or less)

Seneca County includes the largest communities of Seneca Falls and Waterloo zip codes of 13148 and 13165. The 2 communities listed above have the highest number of Juvenile Delinquents and Persons in Need of Supervision. The contributing factors associated with identifying some of these youths is increased access to drugs and alcohol, low income housing projects.

B. Overall Analysis of Disparity

Please provide information indicating whether there is evidence of racial/ethnic disparity in your local system’s use of detention or residential placement. (250 words or less) Based on the data, there was not any racial disparity, as the 3 youth placed into detention were all Caucasian, which is the make up of the area.

If such disparity exists, describe how this STSJP Plan addresses the issues of disparity. (250 words or less)

SECTION 2 PERFORMANCE OUTCOMES

For current program year, provide the projected performance outcomes for all of your proposed services and programs. Be sure to include an estimate of the anticipated reductions in detention utilization and residential placements. (250 words or less) In 2018, there was 1 youth placed in non-secure detention for 7 days and 2 placed in secure or mixed placements for an average length of stay of 54 days. We anticipate with increased follow through from the youth and families into program and services there will be a reduction in youth going to detention and if in detention the length of stay will be reduced.

Referred youth will remain out of the Juvenile Justice/Criminal Justice System.

• Youth and families will engage and follow through with programs and other support services that promote positive youth development.

At this time, we anticipate these programs will reduce the total length of stay to 45 days.

SECTION 3 COLLABORATION SECTION

As per STSJP legislation, collaboration is required. Please describe your municipality’s activities in developing this year’s STSJP plan in collaboration with local agencies responsible for probation, law enforcement, detention, diversion, social services, courts, services providers, schools, and youth development programs. (250 words or less)

The Commissioner, Deputy Commissioner, Workforce Development Youth Bureau Director, Director of Services, discussed program services and ways to engage/refer at risk youth into the youth development program. The Criminal Justice Advisory Board members have been included in discussions on STSJP/RTA

SECTION 4 COOPERATIVE APPLICATIONS SUBMITTED JOINTLY BY TWO OR MORE COUNTIES

(Complete this section only if this is a joint application.)

Two or more eligible local jurisdictions (counties) may join together to establish, operate and maintain supervision and treatment services for juvenile programs, and may enter into agreements in connection therewith.

Counties submitting such applications must provide the following information:

1. Describe the provisions for the proportionate cost to be borne by each county. (250 words or less)
