January 5, 2022

Dear Chief Executive Officer,

Thank you for submitting Sullivan County's Supervision and Treatment Services for Juveniles Program (STSJP) plan for Program Year (PY) 2021-2022. Your entire STSJP plan, including any amounts listed for PY 2021-2022 STSJP-RTA, has been **approved**.

The County is eligible to receive 62% State reimbursement for STSJP expenditures up to the capped STSJP allocation amount. Your municipality will continue to receive 49% State reimbursement for eligible detention services expenditures up to the capped allocation amount. If your municipality shifts a portion of its detention allocation into its STSJP plan, your municipality will receive 62% State reimbursement, up to the capped allocation, if such shifted funds are spent on STSJP eligible expenditures. A municipality may make a detention allocation shift at the time of the STSJP plan submission or up until June 30, 2022, unless otherwise approved by the Office of Children and Family Services.

If the County plans to shift its detention allocation for STSJP eligible expenses, please submit a request on official letterhead to Lynn Tubbs and email it to stsjp@ocfs.ny.gov outlining

1. the amount that will be shifted and
2. the type of programming or services the re-purposed detention funds will be used for under STSJP

Once the shift is approved, an amended STSJP plan will need to be submitted.

As a reminder, to access RTA reimbursement that a municipality may be eligible for, the expenditures must be specifically included in a locality's comprehensive RTA plan.

All STSJP claims, inclusive of STSJP-RTA, must be submitted electronically via the Juvenile Detention Automated System (JDAS) for the service period of October 1, 2021 to September 30, 2022. Questions on all aspects of the claiming process should be directed to the STSJP mailbox at stsjp@ocfs.ny.gov with the subject line: "STSJP Claiming Questions".

If you have any STSJP plan questions, please also email us at stsjp@ocfs.ny.gov and write "STSJP Plan Questions" in the subject line or reach out to Geneva Hilliard at (518) 486-1819 or Lynn Tubbs at (518) 473-9116.

Thank you for your continued partnership as we reform the juvenile justice practices in New York State by safely engaging youth and their families through innovative programming to reduce out of home placement and detention of youth.

Sincerely,

PART I – MUNICIPALITY LEVEL DETAILS

A. MUNICIPALITY LEVEL ANALYSIS

- (a) Identify the communities or neighborhoods (ZIP codes) from which the highest number of Youthful Offenders (YO), Adolescent Offenders (AO), Juvenile Offenders (JO), Juvenile Delinquents (JD), and Persons in Need of Supervision (PINS), enter the youth justice system, are remanded to detention, and/or are residentially placed; and (b) Discuss what factors may be contributing to these high numbers:

These programs are designated to serve the entire County but there will be an increased need in the more populated areas of the Town of Thompson (12701, 12738, 12777, 12749, 12751, 12762, 12775, 12778, 12784, 12785, 12786, 12720, 12790) Town of Fallsburg (12733, 12747, 12759, 12779, 12781, 12788, 12789) Town of Liberty (12754, 12768, 12783, 12787) and that represents approximately 50% of Sullivan County's population which according to 2017 data is 74,545. The median household income in the County is \$52,027 and the population wide poverty rate is 16.9%. Poverty rate increases annually and cost of living increases and the job market nor wages haven't grown. Poverty has been one of the leading factors in Sullivan County. Lack of supervision due to inadequate guardianship. There have been 6 detention admissions and 1 placement in 2019.

- Resources available at the following link can help you answer these questions:

<https://www.ocfs.ny.gov/programs/youth/stsjp/planning.php>

(a) In the charts below, please provide the municipality's distributions by race, ethnicity, and sex assigned at birth for the general population of youth younger than 18, and for the detained and placed population of youth younger than 18. (**Note:** Every July, the National Center for Health Statistics releases population data for the previous year. The population data you are being asked to report on was the latest available at the time OCFS updated the contents of this plan.)

Race/Ethnicity	2019 General Population <18 years		2020 Detention Admissions <18 years		2020 Placement Admissions <18 years

Female	7673	48%	0	0	0	0

b) If you identified any disparities when comparing youths' representation in the general population and their representation in detention and placement, explain how this plan will address those disparities. If you did not identify any disparities, please note such.

Sullivan County is a medium size county, The numbers are so low so no true trend can be established, however all staff are required to take training in implicit bias.

B. LOCAL COLLABORATION

1. Legislation requires local collaboration. Please describe your municipality's activities in developing this year's STSJP plan in collaboration with local agencies responsible for probation, law enforcement, detention, diversion, social services, courts, service providers, schools, and youth development programs:

This plan was developed primarily within the Sullivan County Department of Family Services and the Sullivan County Probation Department. Youth Advocate Programs was also consulted for their portion of the plan. Recently, Sullivan County has made the decision to take advantage of this opportunity and as the plan progresses and its progress is evaluated, more departments and service providers may be incorporated into the collaborative development in the future. Progress with this plan will also be evaluated on an ongoing basis through the Designated Assessment Service (DAS) Committee which includes members from the Department of Family Services, Probation Department, Department of Community Services, Dispute Resolution Center, Access Supports for Living, Rehabilitation Support Services, Berkshire Farm and Center for youth and Youth Advocate Programs.

2. How is your municipality gathering participant youth and family feedback as part of your STSJP plan development?

Sullivan County has not yet received youth and family feedback.
Describe how the plan incorporates that feedback; if you have not yet received youth and family feedback, please describe the municipality implementation plan to develop such feedback mechanisms during PY 2021-2022. STSJP programs will institute a family review form then providing the results of that to the DAS Committee and to STSJP to consider plan development moving forward.

3. Was community feedback in high-need ZIP codes (A.1.) sought as part of the STSJP plan development?

Yes No

If yes, please describe how the plan incorporates that feedback; if no, please describe the municipality implementation plan to develop such feedback mechanism during PY 2021-2022.

The results of the family review form will be submitted to the DAS Committee and to STSJP lead agency as to what needs are based on their experience in serving the county and the feedback from their participants.

3. Please list the ZIP codes this program will target: All Zip Codes within the county		
4. Describe the program, including how it is family focused. If you answered "Yes" to Q1 (FSS), be sure to demonstrate how your program meets each requirement of the legislation. Also, please explain how each of the service types selected in Q2 will address the unique needs of youth at that system point, and how those services will aid in the reduction of youth detained and residentially or otherwise placed. If you selected Indirect Services, please list them. (Please refer to the STSJP Annual Plan Development Guide for additional guidance.)		

Will allow for Probation Officers to have more time to observe youth during high risk times and have more face to face contacts with school and parents by assisting with staffing and overtime costs. The extra supervision that will be made available will also improve the ability to work directly with the youth to identify and reduce behaviors that could increase their chances of requiring placement. This program will include drug testing if applicable to monitor youth's compliance, this is for adjudicated youth. Upon receiving a youth case, the probation department completes a Youth Assessment, that essential measures risk, and needs factors. Subsequently, a comprehensive individualized case plan is formed to establish specific goals and objectives tailored to appropriately fit each youth. Based on these case plans, when deemed necessary, service referrals will be put in place. These services include, but are not limited to; Mental Health treatment, substance abuse treatment, vocational training/career readiness programs, and community service. If necessary, referrals can also be made to provide families of the youth with support from Case Workers. Every 3 months, a reassessment is completed to monitor/track the youths progress, or regression. If the youth displays regression, graduated responses are then put in place, which may include; more frequent reporting, curfew, or court notification.

5. Is the program capable of being replicated across multiple locations? Yes No

PART III – Goals for PY 2021-2022

Please set the municipality's goals for its programs to achieve in PY 2021-2022. State-required outcomes have been included with space for you to identify what programs in **Part II-Program Details** will serve youth within each service domain. Goals are focused by service type and should reflect the percentage of youth expected to achieve the outcome described. **Note:** Outcomes are only recorded for youth once they have left the program; this may represent a subset of all the youth served during the period. Goals should reflect high, yet realistic, expectations for the programs.
