November 5, 2019

Dear Chief Executive Officer,

Thank you for submitting Wyoming County’s Supervision and Treatment Services for Juveniles Program (STSJP) plan for Program Year (PY) 2019-20. Your plan has been reviewed by the Office of Children and Family Services (OCFS), and we are pleased to inform you that your STSJP plan has been approved.

Please note that this approval does not extend to the amount listed for the STSJP RTA programming unless your county has received a NYS Division of Budget approval letter. OCFS will send out a revised STSJP approval letter reflecting the STSJP RTA programming amount approved by NYS DOB as applicable.

Wyoming County is eligible to receive 62% State reimbursement for STSJP expenditures up to the capped STSJP allocation amount. Your municipality will continue to receive 49% State reimbursement for eligible non-Raise The Age detention services expenditures up to the capped allocation amount. If your municipality shifts a portion of its detention allocation into its STSJP plan, your municipality will receive 62% State reimbursement if such shifted funds are spent on STSJP eligible expenditures. A municipality may make a detention allocation shift at the time of the STSJP plan submission or up until 6/30/20, unless otherwise approved by the Office of Children and Family Services. If Wyoming County plans to shift its detention allocation for STSJP eligible expenses, please submit a request on official letterhead to Lynn Tubbs and email it to stsjp@ocfs.ny.gov outlining the amount that will be shifted and the type of programming or services the re-purposed detention funds will be used for under STSJP. An amended STSJP plan will also need to be submitted.

As a reminder, to access RTA reimbursement for which a municipality may be eligible, the expenditures must be specifically included in a locality’s Division of Budget approved comprehensive RTA plan.

All STSJP claims must be submitted electronically via the Juvenile Detention Automated System (JDAS) for the service period of October 1, 2019 to September 30, 2020. Questions on all aspects of the claiming process should be directed to Daniel Hulihan at (518) 473-4511 or at Daniel.Hulihan@ocfs.ny.gov.

Thank you for your continued partnership as we reform the juvenile justice practices in New York State by safely engaging youth and their families through innovative programming to reduce out of home placement and detention of youth.

If you have any questions, please email us at stsjp@ocfs.ny.gov and write “STSJP Plan Questions” in the subject line so that we may best assist you in a timely manner. You can direct STSJP inquiries to Lynn Tubbs at (518) 473-9116 or Lynn.Tubbs@ocfs.ny.gov.

Sincerely,
Nina Aledort, PhD

**PART III – STSJP-RTA PROGRAM ANALYSIS**

**SECTION 1**

**Overall Analysis**

**A. Overall Analysis of Communities**

Discuss and identify the neighborhoods or communities by zip codes or areas from which the highest number of Youthful Offenders (YO), Adolescent Offenders (AO), Juvenile Delinquents (JD) and Persons in Need of Supervision (PINS) enter the youth justice system, and the factors that may be contributing. Warsaw (14569), Perry (14530), Attica (14011) and Arcade (14009) are the four(4) largest towns with the most densely populated villages in Wyoming County. Factors contributing to the higher numbers from the noted areas rather than the rural areas can be contributed to the Youth congregating together engaging in activities that may result entry in to the juvenile justice system.

**B. Overall Analysis of Disparity**

Please provide information indicating whether there is evidence of racial/ethnic disparity in your local system's use of detention or residential placement. Based on census data the population of Wyoming County is predominantly white. Less than 8% of the population is noted as another race. No disparity noted.

If such disparity exists, describe how this STSJP plan addresses the issues of disparity.

---

**SECTION 2**

**PERFORMANCE OUTCOMES**

For current program year, provide the projected performance outcomes for all of your proposed services and programs. Be sure to include an estimate of the anticipated reductions in detention utilization and residential placements. (250 words or less)

For the 6 RTA family/parents noted to received Early Intervention services through New Directions, Wyoming County's goals is for 5 of the 6 to accept and engage in services.

New Directions Youth and Family Services Prevention Services: RTA Youth will be referred for these types of services to assist with coping skills, anger management skills, socialization skills, tutoring, etc. In PY 19/20, Wyoming County's goal is for 5 of the 6 to accept and engage in services.

---

**SECTION 3**

**COLLABORATION SECTION**

As per STSJP legislation, collaboration is required. Please describe your municipality's activities in developing this year's STSJP plan in collaboration with local agencies responsible for probation, law enforcement, detention, diversion, social services, courts, services providers, schools, and youth development programs.
One of Wyoming County's strengths is collaboration. In preparation of this plan, Wyoming County DSS and Probation met to discuss the needs of targeted youth, available services, potential services and the impact RTA will have on the County. Information and input from other local agencies and providers was considered when writing this plan.

Various meetings (monthly, quarterly, as needed) are held with local agencies and providers to discuss youth in need of preventive services, current caseloads and youth in care. At some meetings, outside providers present on various services that may be appropriate for the targeted youth population.
