

Equipment Loan Fund for the Disabled

The New York State Office of Children and Family Services' Equipment Loan Fund for the Disabled can help you purchase equipment that will improve the quality of your daily life.

Who Can Get A Loan?

All residents of New York State who are disabled are eligible. Money is loaned either directly to the person with the disability or to another individual responsible for that person.

What Types Of Disabilities Qualify?

Persons with a wide range of mental or physical disabilities may qualify under this program. A New York State licensed physician must certify that the person is disabled.

What Equipment Is Covered?

Equipment that assists the person with the disability, in overcoming barriers of daily living, is covered.

Some examples are:

Wheelchairs, wheelchair van lifts, ramps (does not include the actual vehicle), communication devices for the deaf and hearing impaired, prosthetic devices, and devices that allow persons who are blind or visually impaired to discern printed material. This list is not all-inclusive.

The Equipment Loan Fund for the Disabled is a loan program to assist New York State residents in obtaining essential adaptive equipment they might not otherwise be able to afford.

How Are Applications Approved?

Completed applications are reviewed by a loan committee comprised of representatives of various state agencies that serve persons with disabilities. The application Form (OCFS-4584) can be found at <https://ocfs.ny.gov/get/ocfs-4584> and submitted by email or by mail.

What Are The Terms Of The Equipment Loan?

- Minimum loan of \$500
- Maximum loan of \$4,000
- The repayment period is two to eight years, depending on the loan amount, at the discretion of the borrower.
- The interest rate is currently set at four percent per year.

How May I Apply For A Loan?
