Executive Summary

This fatality report concerns the death of a 5 week infant boy who died on 9/20/ 16. The SCR received a report of a DOA Fatality and Inadequate Guardianship on 9/20/16 against SM and SF, related to the death of their infant boy. The SC was pronounced deceased at 5:22am on 9/20/16.

On the morning of 9/20/16 at approximately 4:00am the SM heard the infant with an abnormal cry. The SM noted the child looked pale and was having difficulty breathing. The SF noted a rash. The SM called their pediatrician and were advised to take the child to the hospital. The child stopped breathing and the SF called 911. LE and EMS arrived at the home and EMS transported the infant to the hospital. The infant was pronounced deceased at the hospital at 5:22am.

LE examined the home and interviewed the SM and SF. The home was noted to be immaculate. The child sleeping area contained a crib, mattress with a tight fitting sheet and a swaddling wrap in it; that had been on the baby.

Monroe County Dept. of Human Services (MCDHS) attempted to interview the family and offer services however, the family declined. The family retained legal counsel and refused further communication.

There was no evidence of any trauma to the baby and LE has not brought any criminal charge as a result of this fatality. At the time of this writing the investigation remains open and the autopsy results are pending.
