Note: Governor Cuomo's "Close to Home" initiative went into effect on September 1, 2012. At this time, OCFS began transferring youth in care in non-secure facilities and voluntary agencies into the care and custody of New York City's Administration for Children's Services, and it ceased admitting newly placed non-secure youth into the care and custody of OCFS. Therefore numbers from this year's report are not comparable to those from previous years. This is especially the case for New York City youth in non-secure and voluntary agency settings.
